First Day's Sale, *Monday, April 5, 1779.*

SHELLS, CORALS, FOSSILS, &c.

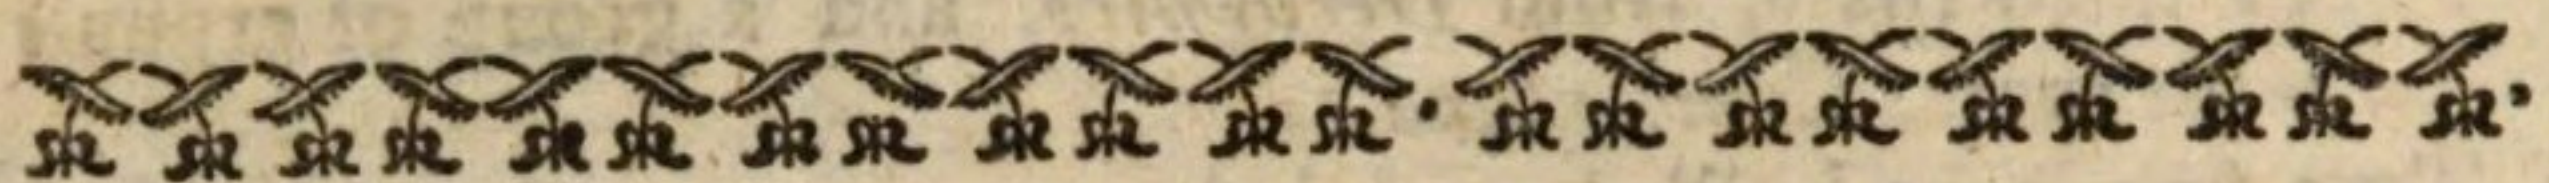

LOT

- 1 **A** Case containing 4 dozen of conchs
- 2 A cask of grotto shells
- 3 A box of minerals and petrefactions
- 4 Ditto
- 5 A box containing 5 dozen of large cowries
- 6 Another of West India olives
- 7 Another with English pebbles
- 8 A parcel of large porphyries and other curious bowlders
- 9 A box of rough barnacles
- 10 Ditto of Scotch scollops
- 11 Ditto of East India brown alatae
- 12 Ditto of cuttle bones
- 13 A large specimen of the root of the tea tree
- 14 A box of minerals and petrefactions
- 15 Ditto
- 16 A box of flower shells
- 17 Ditto of crystalized flints
- 18 Five Derbyshire minerals
- 19 Four beautiful mundics, from *Staffordshire*
- 20 Two alatae, 5 cowries, and 2 bivalves
- 21 A trumpet, 2 Surinam toads, a spider, and 4 more
- 22 Two crystals with singular cavities in them, from *Hungary*,
a group of crystals with iron spar, from the *Hartz*, and
4 others
- 23 Five curious minerals
- 24 A fine devil's claw
- 25 An echinus, a group of balani, and 2 large oriental spiral
buccina
- 26 Two bull's mouths, and 2 trochi
- 27 A septarium, a stalagmites, and 5 more
- 28 Copper containing silver, from *Smolandia*, an ætites, some
amber spars, and 4 others
- 29 Two fine keratophytæ
- 30 A fine specimen of the broad muricated West India coral

- 31 A conch, and a helmet
- 32 A clamp
- 33 A fine large oriental trumpet
- 34 Eighteen curious shells
- 35 A section of a telescope, a scarce alatus, and 14 others
- 36 Two musics, a thorny toad, 2 ducks feet, and 4 more
- 37 Fifteen shells of various species
- 38 A poached egg, a tulip, 2 camp cylinders, and 6 others
- 39 Two helmets, 2 fallow deer, a pair of girdle volutes, and
9 more
- 40 Two scarce brocades, and 9 more
- 41 Two painted hoofs, a spectre, and 13 others
- 42 Thirteen shells, various
- 43 Nine fine specimens of marbles, polished
- 44 Eleven various iron ores, from *Sweden, Saxony, &c.*
- 45 Twenty-four fossils, from *Derbyshire* and *Cornwall*
- 46 An Egyptian pebble, 2 oriental agates, and a jaspachates
- 47 Eighteen fossils of different kinds
- 48 Eleven ditto
- 49 A fine crystalized black zinc ore, and a stalagmites, from
Derbyshire, a selenites, and several hollow stalactites, from
Oxfordshire
- 50 Sundry beautiful corals and corallines
- 51 Various echini, some of them rare
- 52 Nine beautiful shells
- 53 A scarce muscle, from *New Zealand*, an uncommon oriental
cockle, and 3 more
- 54 Twenty-four curious small shells
- 55 Twenty-two ditto, and a group of vermiculi
- 56 Six cowries, a scarlet and purple cockle, and 5 more
- 57 Two tower of Babel, and 20 others
- 58 Twenty shells, various
- 59 Thirty-seven beautiful small ditto
- 60 A bloody teeth snail, and 16 more
- 61 Various petrefactions
- 62 Ditto
- 63 Sundry pebbles, agates, jaspers, &c. most of them polished
- 64 Eleven spars, ores, &c.
- 65 Fifty beautiful oriental mocha stones, polished
- 66 Sundry detached cubic fluors, some beautiful spars, and o-
ther minerals
- 67 Silver ore, from the *Hartz*, 2 selenitæ, and 4 more
- 68 Eleven curious fossils
- 69 Fourteen beautiful polished stones
- 70 Twelve ditto, minerals
- 71 Nine fine marbles, polished
- 72 Twelve curious spars, fluors, crystals, &c.

- 73 Two iris snails, and 28 other beautiful small shells
- 74 Twenty-two shells of different kinds
- 75 Two bishop's mitres, 2 pine apples, 2 dice volutes, and 11 more
- 76 Two harps, and 13 more
- 77 Two large olives, 2 camp ditto, 4 bivalves, and 4 others
- 78 A lion rampant, a harp, and 16 more
- 79 Two cassidæ, 2 telescopes, and 12 more
- 80 Eighteen curious shells
- 81 Ditto
- 82 An ear, a pecten, a group of vermiculi, and 13 others
- 83 A fine brainstone
- 84 A very large specimen of marcasites, from *Staffordshire*
- 85 An oriental helmet of the first magnitude
- 86 Two curious land tortoises, from *North America*
- 87 A very large and fine specimen of the arrow head selenites, from *Monte Marte, near Paris*
- 88 An exceeding fine and large group of crystals, from *Cumberland*
- 89 A fine yellow stalactites, and a group of cubic fluors with crystalized lead ore, from *Derbyshire*
- 90 A large and fine specimen of black crystalized zinc ore, and 12 sided spars, from *Derbyshire*, and a group of crystals with spars, *Cumberland*
- 91 Two fine large bull's mouth helmets
- 92 A curious astroites, and a specimen of finger coral
- 93 A group of amethysts on iron ore, from the *Palatinate*, and a mass of lead ore and spar, *Derbyshire*
- 94 A fine crystalized lead ore, *Durham*, a singular group of fluors with internal marcasites, and a ditto with spars, &c. *Derbyshire*
- 95 A very curious impression of the bark of a tree in a coal slate, from *Yorkshire*
- 96 A group of amethystine cubic fluors, *Durham*, and a fine coloured marcasite, from *Staffordshire*
- 97 A very fine mass of pisolithi, from *France*, and 2 other curious minerals
- 98 An exceeding large pinna marina, from the *Mediterranean*
- 99 An hæmatites iron ore, from *Germany*, a group of crystals, and one more
- 100 A grey plated fluor and a fine spar, *Derbyshire*, and crystals from *Cornwall*
- 101 A dendrites, *Devonshire*, a serpentine stone, *Malacca*, and a curious boulder, polished, from *Staffordshire*
- 102 A beautiful specimen of the landscape marble, *Somersetsh.*
- 103 A very fine butter print coral, and a curious astroites
- 104 A plated fluor with marcasites, from the *Hartz*, a cubic fluor, *Derbyshire*, and a gypsum striatum

- 105 A large oriental buccinum
- 106 An exceeding large leopard cowry, a young ditto, and a knobbed fig
- 107 A large purpura, a melon, and an alatus
- 108 An oriental snail, uncoated, and 2 fine purpuræ
- 109 An exceeding large and fine zebra snail
- 110 A tun, a young alatus, and 2 cowries
- 111 A scarce cockscomb oyster with a balanus adhering, from *Accapulca*, a Persian robe, and one more
- 112 A rare buccinum, from the *Straits of Magellan*, and a fine spider
- 113 Two snakes, 2 camp olives, and one more
- 114 A compleat and beautiful West India spondylus
- 115 The ducal mantle pecten, *a very fine specimen*

- 13 Three fine Cornish copper ores, a lead ore with marcasites,
from *Derbyshire*, and some tin shoad stones
- 14 Nine spars, fluors, pyrites, &c.
- 15 Fourteen ditto

- 16 A trumpet, 2 bull's mouths, an exceeding large tent limpet,
and 2 trochi
- 17 Seven limpets and 2 ears, *different species*
- 18 Two large leopard cowries, 2 alatae, and one more
- 19 A fine Iris ear, and a helmet
- 20 A variety of snails, cowries, olives, volutes, &c.
- 21 An iron ball-stone, or septarium, from *Fife-shire*, a geodes,
3 other iron ores, and 2 more
- 22 A silvery mica, a septarium from *Sheepy*, a pyritical ditto,
Durham, polished, a jasper, and 3 more
- 23 Eight minerals, *various*
- 24 A fine group of cubic fluors, and 5 more
- 25 A fine large oriental mother o'pearl shell, *uncoated and polished*
- 26 An exceeding fine and large West India helmet
- 27 Two large groups of cubic fluors, one with lead ore, from
Derbyshire
- 28 A fine black sea weed, from *Barbary*, and a keratophyton
on a shell, *Sicily*
- 29 Two white occidental helmets
- 30 A group of singular purple cubic fluors, and another group
of fluors with spars, &c. both from *Derbyshire*
- 31 Part of a septarium, and 2 singular stalactites
- 32 A mass of crystals with green lead ore on the surface, and
fibrous white lead ore in the cavities, from *Scotland*;
marcasites with spars, &c. *Bath*; and a curious plated
fluor with spars and marcasites, from the *Hartz*
- 33 A fine group of crystals, and a large specimen of tin ore,
from *Cornwall*
- 34 Two fine spars from *Derbyshire*, and one from *Bath*
- 35 A cubic fluor with yellow cauk and blend, and a spar, *Der-*
byshire; and a fine group of singular crystals, *Durham*
- 36 Two echini galeati imbedded in flint, and a fine petrified
wood from *Antigua*, polished
- 37 A fine large specimen of the amethystine cubic fluor, from
Derbyshire, polished
- 38 An impression of a fish, *very fine*, from *Isleben*, in *Germany*
- 39 An exceeding fine and large petrified fluted cunæus, from
Germany
- 40 An echinus cordatus, and an echinus ovarius in chalk, *very*
fine, *Kent*
- 41 Native sulphur on gypsum, *France*; a curious spar, and a
stalactites with flos ferri, *Scotland*
- 42 A fine specimen of jointed coral, from the *East Indies*
- 43 A curious madrepore, and a fine specimen of red coral in its
native state, on a stand
- 44 A very curious lusus naturæ in an English pebble, repre-
senting a hen with herbage, and another in a flint, repre-
senting a leg and foot

- 45 A very fine and large bone of a bird, in slate, from *Stunfield*
- 46 A curious nautiloides, from *Wilts*, cut in two to shew the chambers, *rare*
- 47 Two fine groups of spars and cubic fluors, &c. from *Derbyshire*
- 48 A fine nautiloides, *Wilts*, *rare*
- 49 Green crystals of lead ore on quartz, *Scotland*, and a mass of amethystine cubic fluors with lead ore, *Durham*, both *fine*
- 50 A fine lusus naturæ in flint, representing a man, a beautiful Hertfordshire pebble, and a ditto plumb pudding stone
- 51 Iron ore, *Scotland*, a group of crystals, *Cornwall*, and 2 others, *Derbyshire*
- 52 A large specimen of yellow cauk with small complete crystals imbedded therein, *Staffordshire*, and a beautiful group of spars, *Derbyshire*
- 53 A fine large ammonites, from *Somersetshire*
- 54 A large flat mass of lime stone, or marble filled with fragments of encrini, &c. from *Derbyshire*
- 55 Ditto, *polished*
- 56 A fine coralloid, from the same county, and a large petrified pecten, *Bath*
- 57 Two fine Derbyshire coralloids
- 58 Two ditto, *one cut*
- 59 One ditto, and a piece of wood eaten by sea worms, *Sheepy*
- 60 Two elegant corals
- 61 An oriental trumpet, and 2 conchs
- 62 Thirteen beautiful spars, mundics, blends, and other fossils
- 63 Fourteen ditto
- 64 Five fine marbles, *polished*, and a slate, from *France*
- 65 Twenty spars, selenites, asbestos, &c.
- 66 Twenty jaspers, pebbles, &c. *some polished*
- 67 Eleven curious fossils
- 68 Twenty-nine agates, pebbles, &c. *polished*
- 69 Eleven elegant specimens of mundics, cubic fluors, tin and copper ores, &c.
- 70 Twelve agates, pudding stones, &c. *most of them polished*
- 71 Two French horns, a fine tulip tellen, and 14 more
- 72 Seventeen curious shells
- 73 Twenty-six ditto
- 74 Two Iris snails, 2 agate volutes, and 9 more
- 75 Two telescopes, 2 toads, and 9 others
- 76 A leopard spiral buccinum, 2 olives, 2 gold brocades, and 14 others
- 77 Two zigzag olives, a scarce lettered cockle, 2 vice admirals, and 16 more
- 78 Eleven pair of beautiful shells

- 79 A fine gold brocade, 2 rare thorny woodcocks, 2 alphabets,
a fig, and 2 cowries
- 80 Thirty-four curious small shells
- 81 Various petrefactions
- 82 A singular moss agate box, an oriental agate, and 6 other
polished stones
- 83 A septarium, a piece of asbestos, and 7 others
- 84 Thirteen spars, ores, &c.
- 85 Seven curious marbles
- 86 Twenty-one fossils, *various*
- 87 Fifty-two beautiful mocha stones
- 88 Sundry crystals, marcasites, and other curious fossils
- 89 Various petrefactions
- 90 Twenty-two beautiful small shells
- 91 A fine iris ear, and a compass pecten
- 92 Two thorny woodcocks, a sun, and 18 others
- 93 Two harps, 4 scarce snails, a rare brocade, and 6 more
- 94 A moor, 2 wild music, and 9 more
- 95 Two garnet limpets, 2 music, and 8 others
- 96 Twenty-one curious shells
- 97 Two trussed fowls, 3 other cowries, and 17 more
- 98 Two dice volutes, and 8 other pair of shells
- 99 Twenty-one beautiful shells
- 100 Two scarce volutes, 2 brown admirals, and 15 others
- 101 Nine shells, various
- 102 Seventeen ditto
- 103 A partridge tun, a trumpet, a carved trochus, and 4 more
- 104 A fine occidental helmet, and a large ear shell
- 105 A beautiful atlas cowry, and a fine mole cowry, *both rare*
- 106 A fine African volute, a large alphabet, and a trochus
- 107 A West India trumpet, singularly coloured
- 108 A royal mantle, a concha veneris, an uncommon muscle,
a minute clamp, a strawberry tellen, and 4 others
- 109 A fine large iris ear shell, from *New Zealand*
- 110 A brunette cockle, 2 providence argus cowries, a turnep,
and 2 others
- 111 A pair of very fine thorny woodcocks
- 112 A fine large moor, a clouded American fig, and a knobbed
ditto
- 113 A pair of fine spindles
- 114 A scarce rayed oriental cockle, and a curious muscle
- 115 An hebraika, a spectre, and a clouded buccinum
- 116 Two woodcocks, a scarce olive, a fine toad, and 3 more
- 117 Two fine conchs
- 118 A box of barnacles
- 119 A parcel of large grotto shells
- 120 A cask of small ditto

Third Day's Sale, *Wednesday, April 7.*

SHELLS, CORALS, FOSSILS, &c.

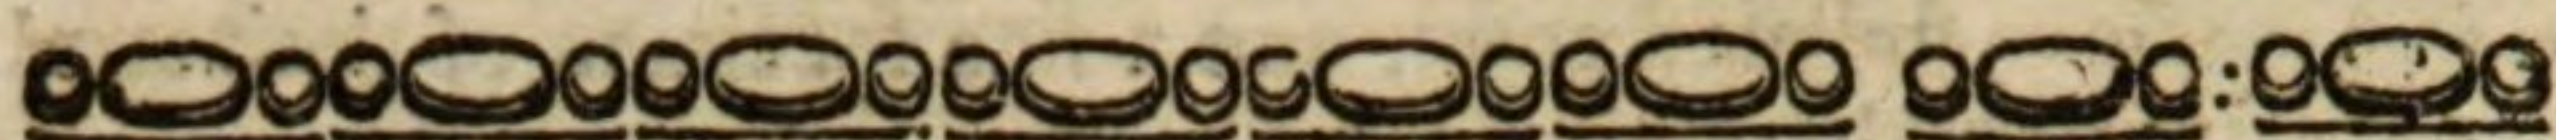

LOT

- 1 **A** Case containing 4 dozen of conchs

- 4 Ditto of magpyes
- 5 A box of East-India alatae
- 6 Ditto of pond muscles
- 7 A parcel of the Derbyshire amethystine fluor, of which
vases, &c. are made
- 8 A box of minerals and petrefactions
- 9 Ditto
- 10 Ditto of crystalized flints
- 11 Two cowries, an ear, and 2 more
- 12 A great variety of univalve shells
- 13 Two large spiral buccina, a trochus, and 4 more
- 14 A swiss breeches, and 2 fine bull's mouths
- 15 Nine shells, various
- 16 Thirteen ores, minerals, &c.
- 17 A rough topaz, *Scotland*, 2 lead ores, a copper ore, and 6
more
- 18 Two fine groups of spars, a singular pyrites, and 4 more
- 19 A cubic fluor, and 7 other fossils
- 20 A partridge tun, 2 large oriental spiral buccina, 2 nutmeg
cowries, and 1 more
- 21 Two helmets, a garnet limpet, 2 trochi, and 8 others
- 22 A snake, 2 triangular wilks, and 2 surinam toads
- 23 Two spiders, and 3 more
- 24 A large specimen of serpentine stone, and 4 marbles
- 25 Various petrefactions
- 26 Ditto
- 27 Seventeen curious minerals
- 28 Sixteen ditto
- 29 Two marcasites, a striated gypsum, and 2 more
- 30 Eight beautiful chalcedonies, with the exterior surface cry-
stalized, from *Lorraine*
- 31 Sundry detached cubic fluors and cauk balls, from *Buxton*;
copper ore, *Cornwall*, and several other ores
- 32 A book of sea weeds

- 33 Eighteen curious shells
- 34 A telescope, a scarce cockle, a fine spotted wilk, and 7 others
- 35 Two vice admirals, and 16 more
- 36 Two scarce auricula limpets, 2 stair cases, and 8 ditto
- 37 Seventeen shells, *various*
- 38 Twelve ditto
- 39 Twenty-four ditto
- 40 Thirty-two ditto
- 41 A lyon rampant, 3 limpets, 2 Iris snails, and 9 more

- 43 A jasper and a granate, *polished*, 2 selenitæ, and 6 more
- 44 An agate, from *Germany*, and 2 Hertfordshire pebbles, *polished*, a group of spars, and 3 more
- 45 A pebble crystal, *Ceylon*, a chalcedony and a fluor, *polished*, and 4 more
- 46 Various copper ores
- 47 Sundry iron ores
- 48 Nine beautiful marbles, *polished*
- 49 A crystalized blend, and 7 other curious fossils
- 50 Two fine sea feathers
- 51 A large specimen of West India coral
- 52 An oriental helmet, and an occidental ditto, *both very large*
- 53 A fine specimen of oriental coral
- 54 A large and fine mass of entrochi, from *Derbyshire*
- 55 A fine large bear's paw
- 56 A very curious oriental coral
- 57 *An exceeding large and fine buccinum, with its epidermis, very rare*
- 58 *Ditto*
- 59 A specimen of free stone, having a large hollow lined with spars from *Bath*, and a fine group of various minerals, from *Derbyshire*
- 60 A fine specimen of the broad muricated coral, from the *West Indies*
- 61 A large and fine oriental buccinum
- 62 A plated fluor, and a fine group of spars and fluors, *Derbyshire*, and a group of crystals
- 63 A fine large specimen of the looking glass lead ore, from *Derbyshire*, and curious group of crystals with iron spar, *Cornwall*
- 64 A large and fine group of amethystine cubic fluors, from *Durham*, and a group of yellow cubic fluors with blend, *Derbyshire*
- 65 A very curious foliated spar, from the *Hartz*, and a fine group of crystals, with black crystalized zinc ore on the surface, *Cumberland*
- 66 A very fine coloured marcasite, from *Eaton mine, Staffordsh.*

- 67 A curious group of spars on a fluor, *Derbyshire*; and a fine mass of amethystine cubic fluors, *Durham*
- 68 A fine German agate, and a curious striped *Derbyshire* chert, both polished
- 69 A group of straw coloured spars, of a very rare kind, and a beautiful crytallized zinc ore, from *Derbyshire*
- 70 A curious stellated coral, from the *West Indies*
- 71 A single pyramid of spar, finely incrusted with mundic, a curious lead ore with cockscomb marcasites, and a group of rare nummular spars, from *Derbyshire*
- 72 A fine and rich specimen of native copper with quartz, *Cornwall*; and an exceeding fine crytallized zinc ore with cubic fluors, &c. *Derbyshire*
- 73 A remarkable fine columnar spar, with several lesser ones on a piece of blend, and a fine group of 24 sided spars, from *Derbyshire*; and a curious iron ore, *Scotland*
- 74 A group of crytals, *Cornwall*, a spar, a calamine, and a cubic fluor, with lead ore, *Derbyshire*
- 75 A fine large specimen of entrochi marble, polished, from *Derbyshire*
- 76 A large and fine melon with its epidermis
- 77 A curious large group of minerals, *Derbyshire*
- 78 A large mica, and a group of stalagmitæ
- 79 A very fine branched coralloid, *Derbyshire*; and a curious group of dentalia, *Brussels*
- 80 A fine iron ore, from *Germany*, and a singular spar, *Bath*
- 81 The comb and another fine keratophyton, and a specimen of piped sponge
- 82 A fine large agate ball lined with amethysts, from the *Palatinate*
- 83 A scarce pinna marina, from *New Zealand*
- 84 Two keratophyta, with lace and other corals adhering, from *Sicily*
- 85 A fine copper ore, *Thuringia*; a group of crytals, with curious spars, *Cumberland*, and 1 more
- 86 A curious group of truncated spars, *Hartz*; and a fine stella septarium, *Sheepy Island, Kent*
- 87 A fine polished fluor, *Derbyshire*, and a curious iron spar on a cubic fluor, *Hartz*
- 88 Two curious impressions, one of a fern in iron stone, *Northumberland*; the other of a large leaf in sand stone, *Germany*
- 89 A curious spar, from *Matlock Bath*; and a fine group of amethystine fluors, *Durham*
- 90 Two curious cups made in imitation of nephritic stone, from *China*
- 91 A fine palate of a fish, 2 spines in chalk, and a curious anomia

- 92 Three beautiful land tortoises, *different*

- 94 A fine dendrites, *Devonshire*
- 95 A piece of common coal, *highly polished*, a fine large specimen of amber, *Dantzic*; and a curious specimen of native sulphur in gypsum, from *France*
- 96 Two fine pediculi marini, one rolled up, the other extended, from *Dudley*; part of an echinus mammilaris in chalk, *Kent*; and a curious specimen of petrefied wood, *polished*, from *Cobey*
- 97 A petrefied nautilus finely exhibiting the concamerations and siphunculus, from *Sheepy Island*
- 98 A serpentine stone, *Malacca*; a granate, a german agate, and a fine pebble, *all polished*
- 99 A cockscomb pyrites, and 2 other curious groups of minerals, *Derbyshire*; and a mass of crystals with agate, *Gloucestershire*
- 100 A fine dendrites, from *Germany*, *polished*
- 101 A piece of crystal tinged of a beautiful green, with lead ore, from *Durham*; a group of crystals on iron ore, *ditto*; and one more
- 102 A pediculus trilobus, *Wales*; a fine cochlites, *France*; and an astroites, *Germany*
- 103 Two curious *Derbyshire* minerals, and a specimen of litharge of lead
- 104 A fine specimen of the large oriental green snail
- 105 The peacock helmet, *very rare*
- 106 A muscle of the first magnitude, from *New Zealand*
- 107 A fine trochas, from the *Red Sea*, *uncoated*; an American fig, and one more
- 108 An oriental spondylus
- 109 A trumpet, 3 cowries, an echinus, and one more
- 110 A scarce zebra snail, from the *East Indies*
- 111 The rake cockle, *a large and fine specimen, rare*
- 112 An uncommon buccinum, and a fine spider
- 113 The purple mouth zebra snail, and 2 fine alphabets
- 114 A large muricated periwinkle, with its operculum, *New Zealand*; a fine African volute, and a scarce melon
- 115 An oriental land snail, a reverse ditto, and a purpura, *all rare*
- 116 A pair of tower of Babel, *exceeding fine*, and a rare spiral buccinum
- 117 A fine large purple spondylus
- 118 A ditto compass pedien
- 119 A Persian music, *rare*, and a fine yellow furbelowed oyster
- 120 Two bishops mitres, 2 telescopes, 2 yellow tygers, and 5 more
- 121 A fine large harp, and 2 beautiful spectres

Fourth Day's Sale, *Thursday, April 8.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of grotto shells
- 2 **A** A case with 4 dozen of conchs
- 3 Five dozen of large cowries
- 4 A parcel of large grotto shells
- 5 A box of minerals and petrefactions
- 6 Ditto
- 7 A box of West India argus cowries
- 8 Ditto of nutmeg cowries
- 9 Ditto of Guernsey ear shells
- 10 Ditto of West India triangular cockles
- 11 Ditto of African ditto
- 12 Ditto of small Staffordshire mundics
- 13 A curious lead ore in a group of cubic fluors, diced lead ore in ditto, 2 marcasites, and 3 more
- 14 Six fine ores and minerals
- 15 Ditto
- 16 Nine ditto
- 17 Six ditto
- 18 Two leopard cowries, and 7 more
- 19 Two ditto, a group of balani, and 6 others
- 20 A spider, 2 bulls mouths, a magpye, and 2 ears
- 21 Two fine harps, and 3 more
- 22 Two large spindles
- 23 Various univalves
- 24 A fine ostrich's egg
- 25 An exceeding fine cornu ammonis, from *Somersetshire*
- 26 A large pinna marina, from *Sicily*
- 27 A fine slab of black marble, having white shells and corals imbedded in it, from *Kilkenny, polished*
- 28 A fine millepora coral, from the *West Indies*
- 29 A very fine slab of the *Derbyshire entrochi* marble, *polished*
- 30 A specimen of ditto, *unpolished*; a fine astroites, *Germany*; and a group of vermiculi in wood, from *Sheepy*
- 31 A large and fine group of columnar crystals, *Cornwall*
- 32 A coralloid, *Derbyshire*, a large petrified pecten, *Bath*; and a pectenites
- 33 A very large oriental buccinum

34 Part

- 34 Part of a very scarce alatus, and a curious buccinum, from *Hordwell Cliffs*, and a piece of limestone with pediculi trilobi imbedded in it, *Wales*
- 35 A large cornu ammonis, from the neighbourhood of *Vienna*
- 36 Two West India zebra snails, 2 Iris snails, 2 fallow deer, and 12 more
- 37 Two magpies, and 8 others
- 38 Seventeen curious small shells
- 39 A small trumpet, a tulip, and 15 more
- 40 A fine compass pecten
- 41 A scarce alatus, 2 olives, 2 murices, and 7 more
- 42 A triangular wilk, and 12 others
- 43 Sundry curious bivalves
- 44 Twenty-four beautiful small shells
- 45 A crytallized tin ore, and 16 other curious fossils
- 46 Thirty-one beautiful oriental mocoa stones
- 47 Coloured lead ore, *Derbyshire*, 2 rich tin ores, *Cornwall*, and 8 more
- 48 Various petrefactions
- 49 Nine beautiful spars, mundics, crystals, asbestos, &c.
- 50 Seven curious marbles, *polished*
- 51 A stalactites, and 8 more
- 52 A scarce reverse helix, 2 fine olives, 2 thorny woodcocks, and 4 more
- 53 Ten fine shells
- 54 Two music, 2 large fallow deer, 2 camp olives, and 3 more
- 55 Two mask limpets, 2 oriental tuns, and 5 others
- 56 A fine muscle, from *Barbary*; an egg cockle, and 1 more
- 57 Two dippers, a group of vermiculi, and 12 others
- 58 A solen, a swallow shell, 4 other bivalves, and 2 limpets
- 59 Fifteen beautiful shells
- 60 Two bishop's mitres, 2 camp olives, and 5 more
- 61 A soldier crab in its castle, 8 fine echini, one with its spines, and a purple spine of an oriental echinus mamillaris
- 62 A West India margaritifera, and 9 more
- 63 Two fine keratophytæ
- 64 A very large and fine specimen of the comb keratophyton
- 65 A fine bear's paw
- 66 A pinna marina, from the *Mediterranean*
- 67 A fine coralloid from *Durham*; and another from *Germany*
- 68 A curious branched sponge, from the Gulph of *Florida*
- 69 A singular mass of spars, from *Derbyshire*
- 70 A very large group of crystals, from *Cumberland*
- 71 A large slab of a singular kind of stone, lately discovered in *Derbyshire*, supposed by some naturalists to be a species of lava
- 72 An elegant group of cubic fluors, white spars, and black crytallized blend, from *Derbyshire*

- 73 *An exceeding fine and large triton's trumpet, from the Mediterranean*
- 74 *A fine specimen of petrified wood, from Coberg*
- 75 *A very large and fine echinus pentaphylodes, extremely rare, from Malta*
- 76 *Part of a large ammonites with ramified chambers, sprinkled with marcasites, from Bath*
- 77 *A beautiful specimen of the Isis dichotoma, or jointed coral, from the East Indies*
- 78 *A most brilliant group of spars and cubic fluors, from Derbyshire*
- 79 *A fine large specimen (part of globose formation) of the Derbyshire amethystine fluor, finely polished*
- 80 *A fine group of Cornish crystals, and a curious slab formed from a mass of cubic fluors, polished, from Derbyshire*
- 81 *An exceeding fine large petrified pecten, from Bath*
- 82 *A large pyramid of amber spar, naturally formed of many smaller ones, and a group of amethystine cubic fluors, both from Derbyshire*
- 83 *Diced lead ore, partly decomposed by mineral salts, in a group of cubic fluors, and 2 other curious minerals, from the same county*
- 84 *A specimen kibble, naturally polished, a curious lead ore, and a polished ditto, from the same county*
- 85 *A fine specimen of silver ore, intermixed with marcasites, in a cavity of which are some curious spars, and fine native hair silver, from Saxony*
- 86 *Two elegant Derbyshire minerals*
- 87 *Two ditto, and a curious specimen of Cornish marcasite*
- 88 *Stalactites with flos ferri, Scotland, and 3 other curious minerals*
- 89 *Part of an uncommon bivalve in chalk, Surry, and the back bone of a fish in black slate, from Germany*
- 90 *A very large echinus mamillaris, from the Red Sea, and a curious astroites*
- 91 *Rich crystalized tin ore, from Cornwall; a lead ore with fine cockscomb marcasites, and another curious mineral, from Derbyshire*

I N S E C T S.

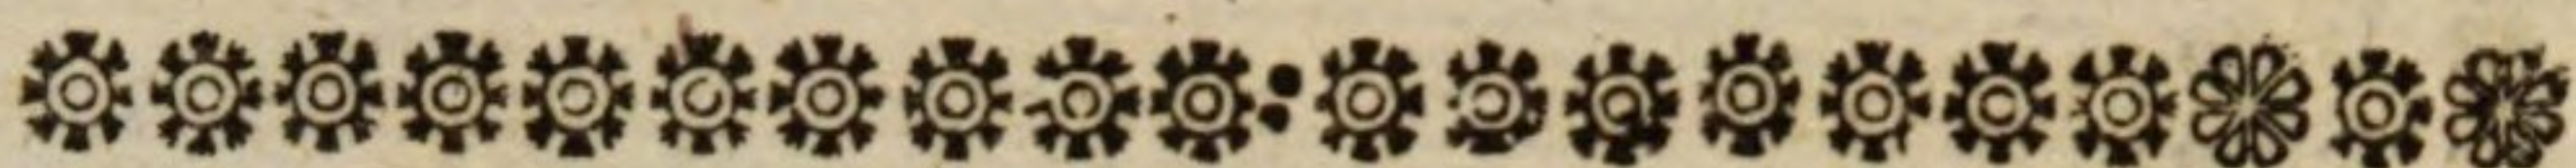

- 92 *Various beautiful moths, butterflies, &c.*
- 93 *Ditto*
- 94 *Ditto*
- 95 *Ditto*
- 96 *Ditto*
- 97 *Various*

- 97 Various beautiful moths, butterflies, &c.

- 99 Ditto
- 100 Ditto
- 101 Ditto

S H E L L S, &c.

- 102 An oriental melon
- 103 A scarce *American* fig, and a helmet
- 104 A fine pinna marina, a scarce clamp, and an echinus
- 105 A large and fine hebraica, and an *American* argus
- 106 An *African* melon, a partridge tun, and a pecten
- 107 A beautiful small bear's paw, and a rare purpura
- 108 A fine silk brocade, and a very large wild music
- 109 Two large spindles
- 110 A recent anomia striata, 2 small bishop's mitres, a Venus's ear, another uncoated, and 5 others
- 111 Two fine gold brocades, and 7 more
- 112 A fine dolphin, and 2 hebraica
- 113 The lesser silk brocade, a fine dolphin, a scarce trochus, and the scarlet admiral
- 114 A fine Iris ear shell, from *New Zealand*
- 115 A large and fine slab of the harlequin marble, from *Kent*, polished
- 116 Nine fine minerals
- 117 Eleven ditto
- 118 A large shark's tooth, and part of the back bone of a fish, from *Sheepy*; part of an echinus mamillaris, with one of its spines, an echinus ovarius, a belemnites in chalk, a small group of minute ammonitæ, and 2 other curious petrefactions
- 119 Eight polished stones
- 120 Twelve beautiful minerals
- 121 Various petrefactions, some of them rare
- 122 Eleven small but choice minerals

Fifth

Fifth Day's Sale, *Friday, April 9.*

SHELLS, CORALS, FOSSILS, &c.

Lot

- 1 **A** Box of magpye snails
- 2 Ditto of minerals, &c.
- 3 Ditto of copper ores on lime stone, from *Eaton Mine, Staffordshire*
- 4 Five dozen of large cowries
- 5 A box of olives
- 6 Ditto
- 7 A box of flower shells
- 8 A parcel of grotto shells
- 9 A cask of small ditto
- 10 Three dozen of conchs
- 11 A box of barnacles
- 12 Ditto of Guernsey ear shells
- 13 Ditto of minerals, &c.
- 14 Ditto
- 15 Two poached eggs, a snake, 2 purple mouthed alatae, and 4 more
- 16 A triangular wilk, a trumpet, and 5 others
- 17 Various limpets, cowries, &c.
- 18 An ear, 2 pink alatae, and 6 more
- 19 An oriental green snail, a tun, 2 telescopes, and 3 more
- 20 A septarium, *Scotland*; a calamine, and 6 others
- 21 Ditto, and 5 more
- 22 A curious septarium, *Durham*, and 2 micæ
- 23 Nine various fossils
- 24 Two fine conchs
- 25 A large ear shell, 2 cassidæ, and a cowry
- 26 Nine shells, *various*
- 27 Six ditto
- 28 Eight ditto
- 29 Asbestos from *Scotland*, and 3 more
- 30 Crystals from *Bristol*, a fine amethystine fluor, and 5 more
- 31 Various iron ores
- 32 A piece of a septarium with marcasites, *Sheepy*; a fine coloured lead ore, and 4 other beautiful minerals
- 33 A woodcock, a small Iris ear, and 7 more
- 34 An oriental cockle, a ditto pecten, 2 telescopes, and 5 more
- 35 Nine

- 35 Nine curious shells
- 36 Eight ditto
- 37 A garnet limpet, 2 magpyes, and 10 more
- 38 A young cowry, 2 other cowries, a unicorn, a bloody mouth alatus, and 4 more
- 39 A scarce echinus, 2 ditto thorny woodcocks, and 6 others
- 40 Two screws, 2 trochi, and 6 more
- 41 Nine shells, *various*
- 42 A specimen of marble filled with fragments of encrini, from *Derbyshire*
- 43 Several pieces of native copper, *Cornwall*; a fine stalactites, *Oxfordshire*; pebble crystal, from the *Brazils*, and sundry other curious fossils
- 44 Fifteen fine minerals
- 45 Twenty-eight beautiful mocoas, sardachates, carnelians, and other curious stones
- 46 Nine curious minerals
- 47 The hat and 4 other anomia, a bufonites, echini in chalk, and other petrefactions
- 48 A fine coralloid marble, from *Durham*; and a slab of harlequin marble, *Kent*
- 49 A large Swiss breeches, from the *East Indies*
- 50 A curious millepora
- 51 A large group of spars, from *Derbyshire*
- 52 A specimen of the oriental red coral
- 53 A most beautiful high coloured West India helmet
- 54 Two fine coralloids, from *Derbyshire*; and a very large helmet echinus, *Kent*
- 55 A large group of crystals sprinkled with iron spar, *Hartz*; and a curious mundic, from *Staffordshire*
- 56 A scarce oriental helmet
- 57 A fine specimen of the broad muricated coral, from the *West Indies*
- 58 A specimen of the maiden paps incrustation, from the banks of the *Tyne*, and a gypsum striatum
- 59 An exceeding fine and large ammonoides, from *Wilts*
- 60 A large and fine specimen of the landscape marble, or cottam stone, from *Somersetshire*, polished
- 61 A rare cast of a buccinum, *Brussels*; and a large and curious pecten, *Oxfordshire*
- 62 A capital specimen of beautiful dendritæ, in yellow slate, from *Papenheim*
- 63 Two *American* land tortoises, and the tympanum of a whale's ear
- 64 A mass of bivalves imbedded in sand stone, part of a large ammonites with branched chambers, and a curious vegetable impression

- 65 A very fine astroites, formed on a large marex, from the
West Indies
- 66 A fine group of crystals, *Bristol*; and a singular ditto, *Dur-*
ham
- 67 A slab of amethyst, and a beautiful agate, *polished, Germany*
- 68 Two impressions of fish in slate, *Papenheim*
- 69 A specimen of crystalized lead ore with cockscomb marcas-
sites, &c. *Derbyshire*; and a group of amethystine cubic
fluors, *Durham, both fine*
- 70 A tubular coral, from *Derbyshire*; and another fine coralloid
- 71 A fine specimen of cockscomb pyrites, and 2 curious spars,
Derbyshire
- 72 Another variety of the same kind of pyrites, a beautiful spar,
and a singular group of crystals
- 73 Two fine astroites, a curious mass of marine remains, from
Dudley; and a large shark's tooth, *Malta*
- 74 Two large pyrites, and 2 other minerals
- 75 A fine large oriental mother o'pearl shell, uncoated and po-
lished, and a trumpet
- 76 Two fine keratophytes
- 77 A large specimen of purple rock salt, *rare*
- 78 A very large pyrites, a polished agate, and a large *Stafford-*
shire mundic
- 79 A singular spar, and a group of amethystine fluors
- 80 Two fine conchs
- 81 Part of a very uncommon alatus, a large buccinum, *Hants*;
and a large pecten, *Bath*
- 82 A fine Iris ear shell, from *New Zealand*
- 83 Two lions rampant, 2 young bull's mouths, 2 scarce olives,
and 2 more
- 84 Two vice admirals, and 18 more
- 85 Seventeen beautiful small shells
- 86 A scarce oriental cockle, 2 large fallow deer, and 7 others
- 87 Nineteen curious shells
- 88 A rare tellen, 2 cowries from *Otaheite*, and 6 more
- 89 Eight fine echini, and various spines of ditto
- 90 Sundry curious bivalves
- 91 A great variety of curious antediluvian shells, from *France*
- 92 Various crystals, marcasites, and other minerals
- 93 Impressions of fish in black slate, *Isleben*; a crab, *Sheepy*;
and 4 other petrefactions
- 94 Two carnelians, *Falkland's Island*; a pudding stone, a blood
stone, and 5 other polished stones
- 95 Six fine minerals
- 96 Four oriental agates, a German agate, and 2 other beautiful
silices, *polished*
- 97 Ten fine copper ores, spars, &c.

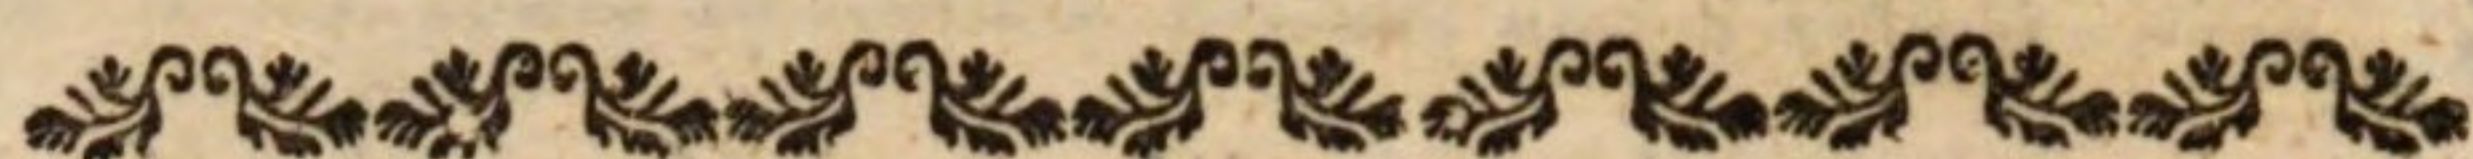

- 98 Five marbles, and a piece of stained ditto
99 Fifteen curious pyrites, blends, marcasites, spars, &c,

*Rarities from the new discovered Islands in the
South Seas.*

- 100 Three specimens of the fine filky flax of *New Zealand*, and
a variety of cordage from that and other islands
101 Part of the inner bark of a tree, of which the people of *Ota-
beite* and the neighbouring islands make their cloth, and
some platted human hair, from *Otabeite*
102 A fish hook, a necklace, and a comb, from *New Amster-
dam*; 5 other fish hooks from *New Zealand* and *Otabeite*,
and an instrument wherewith the *Otaheitans* tataow or
mark their skins
103 A piece of fine cloth made of the inner bark of a tree, from
Otabeite
104 Ditto
105 Ditto
106 A piece of a similar kind of cloth, from *New Amsterdam*
107 Ditto
108 A fine mat, from *New Amsterdam*
109 Ditto, with a fringed border, from *ditto*

S H E L L S.

- 110 An exceeding large and fine turnip, or heavy buccinum
111 A rare clamp, and a helmet
112 A large many toothed cockle, and a scarce spotted helmet
113 Two oriental spondyli, naturally affixed to a stone, and a
fine green and pearly snail
114 An echinus, a harp, and 4 others
115 A rare cockscomb oyster, *Acapulca*; a scarce spotted crane,
and 2 very fine oriental screw snails
116 An ammonia snail, 2 orange snails, a dolphin, and 2 more
117 The peacock helmet, *very rare*, and a fine purple echinus
118 Four cowries, and 2 oriental spiral buccina
119 Two magpyes, a trochus, and 4 more
120 A spider, and 7 more
121 A very large black tyger, and 2 fine *American* argus cowries
122 Two large and fine murices, one with its epidermis

Sixth Day's Sale, Saturday, April 10.

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Parcel of minerals and petrefactions
- 2 Ditto
- 3 A box of money cowries
- 4 Ditto of *East India* olives
- 5 Three dozen of conchs
- 6 A box of *East India* alatzæ
- 7 Ditto of *Red Sea* trochi
- 8 Ditto of spindles
- 9 Ditto of small *East India* cowries
- 10 Ditto
- 11 Ditto of large ditto, and *American* cowries
- 12 Ditto of trussed fowl cowries
- 13 Four dozen of leopard cowries
- 14 A box of minerals and petrefactions
- 15 Ditto
- 16 A box of barnacles
- 17 Ditto of ear shells
- 18 Ditto of magpyes
- 19 Ditto of *Falkland's Island* limpets
- 20 Ditto of various olives
- 21 Sundry pieces of coral
- 22 A box of grotto shells
- 23 Ditto of minerals and petrefactions
- 24 Ditto
- 25 A large oriental snail, an helmet, an ear, and 3 more
- 26 Two young cowries, 2 ears, and 6 more
- 27 Part of a chambered nautilus, and a great variety of other shells
- 28 A horn oyster, and 8 more
- 29 A copper ore, 2 selenites, and 4 other minerals
- 30 A gypsum friatum, and 6 others
- 31 A cryсталized flint, *Kent*; 2 fine spars, *Derbyshire*; lead ore with cryсталs, *Durham*; and a mundic, *Staffordshire*
- 32 Thirteen various minerals
- 33 Lead ore, *Scotland*; manganese, *Devonshire*, and 4 more
- 34 A curious amber spar, and 6 more

- 35 The Venus fan keratophyton, with an astroites adhering to it, from the *West Indies*
- 36 Another fine keratophyton
- 37 Another on its rock, which is perforated by pholades, and has also some astroites on it
- 38 Two fine conchs
- 39 A curious land tortoise
- 40 Section of a very large nautilus, from *Bath*, polished
- 41 Another, larger
- 42 Remains of a large nautilus, finely exhibiting the internal structure, *Sheepy Island*
- 43 A large mass of bones, with fragments of lime stone, in a red calcareous bed, from the *Rock of Gibraltar*
- 44 A curious brainstone, from *New Caledonia*
- 45 A large specimen of starred branched corals in lime stone, *Foreign*
- 46 Fragments of a rare echinus mamillaris, with several of its spines imbedded in a large piece of flint, *Kent*
- 47 A large *Staffordshire* mundic, and a group of crystals with marcasites
- 48 A specimen of oriental muricated coral, with a large vermiculus in the centre
- 49 A large *African* melon
- 50 A keratophyton naturally affixed to part of an earthen dish, from the coast of *Sicily*
- 51 A fine ammonites
- 52 A black hæmatites iron ore, from *Nassau Siegen*, and a fine group of cubic fluors with marcasites, *Derbyshire*
- 53 A brainstone of a rare species, from *New Holland*
- 54 A large echinus galeatus imbedded in flint, and a rare petrified oyster, from *Italy*
- 55 A fine specimen of coral
- 56 Three ditto
- 57 Peacock lead and copper ore, and a fine crystalized green lead ore, *Saxony*
- 58 A very rare astroites, a curious marine fungus, and a small butter print coral
- 59 A lead ore, *Scotland*; a fine radiated ditto, and a coloured marcasite
- 60 A beautiful pecten, *Maastricht*; and a cuneites with spar
- 61 A group of crystals covered with spar, a group of cubic fluors, and a mundic
- 62 A marcasite curiously figured, *Cornwall*; a fine crystalized iron ore, from the *Island of Elbe*, and a zinc ore with spar, *Derbyshire*
- 63 A curious zinc ore with a gilded surface, and another with 24 sided spars, *Derbyshire*; and a fine bubbled flint

- 64 Crystallized white silver ore, and lead ore intermixed with a curious iron spar, from *Saxony*; fine green crystals of copper, and white lead ore, *ditto*; and a rare 8-sided spar, from the *Hartz*
- 65 An exceeding fine specimen of crystallized white lead ore, from *Scotland*, *very rare*
- 66 A very rich specimen of native copper, and a curious marcasite, from *Cornwall*
- 67 A very fine echinus mamillaris in flint, *rare*
- 68 A crystallized lady, and a portrait of Mother Shipton in flint, two very curious lusus naturæ
- 69 Sixteen curious shells
- 70 A gold brocade, a fig, and 8 more
- 71 A pair of trussed fowls, 6 other cowries, 2 pagodas, and 10 others
- 72 A blue cowry, *Otabeite*; 2 harps, and 7 more
- 73 A garnet limpet, a spectre, and 4 more
- 74 Two *Surinam* toads, and 6 others
- 75 Natural black glass, from Mount *Hecla*; a pebble carnelian, *Falkland's Island*; and 12 other fossils
- 76 Nine various minerals
- 77 A pudding stone, and 8 more, *some polished*
- 78 A piece of bacon spar, crystals with copper ore, and various other fossils
- 79 Two spines, 2 echini, and various other petrefactions of shells, teeth, &c.
- 80 Crystallized green lead ore, *Scotland*; and 8 other curious minerals
- 81 Twelve beautiful patellæ
- 82 A banded cowry, 2 telescopes, and 7 more
- 83 Twelve shells, *various*
- 84 An ear, a beautiful harp, a limpet, and 5 more
- 85 Two carrots, and 20 more
- 86 Sundry bivalves
- 87 Twelve fine minerals
- 88 A pyrites cut in two, a mixture of copper and lead ore, and 6 other curious minerals
- 89 Chain coral, 2 belemnites, an oyster in chalk, a scarce anomia, and 6 more
- 90 Four various marbles, and a slate
- 91 Six iron ores, 3 spars, &c.
- 92 Two gold mouths, and 7 more
- 93 Two bead snails, *different*, from *New Zealand*; 2 scarce olives, *Brazils*; and 5 more
- 94 A snake, uncoated, a girdle volute, a conic bronze limpet, an ark with its epidermis, and 5 others
- 95 Two spiders, 2 pyed hoofs and 5 more
- 96 Twelve curious bivalves

97 Various

- 97 Various echini and spines, *some of them rare*
- 98 Four curious groups of minerals, *Derbyshire*; and one ditto, *Staffordshire*
- 99 A curious mixture of copper and lead ore, with an amethystine fluor, a group of cubic fluors with the surface coloured, *rare*, and 4 other curious specimens
- 100 Two spindles
- 101 A rare buccinum with its epidermis, the column finely toothed
- 102 Two alatae, very large of the kind, from the coast of *Guinea*
- 103 One valve of a pinna, from *Otabeite*, and another of an oriental cockscomb oyster, *both rare*
- 104 A rare ark, from *Guinea*
- 105 Two large and fine echini ovarii
- 106 Four snails, 2 wilks with singular epidermides, from the *Straits of Magellan*; an oriental cockle, and 2 limpets, *all rare*
- 107 A scarce trochus, from *New Caledonia*; and 2 fine bull's mouths
- 108 The black mother o'pearl shell, from *Otabeite*, *uncoated and polished, rare*
- 109 A thorny heart, a glazed buccinum, 2 uncommon snails, and 4 more
- 110 An ear shell, and a spiral buccinum, *both rare*, from *New Holland*
- 111 A fine hebraica, from *New Caledonia*; and a beautiful spotted tun, from *China*
- 112 Two gold mouths, 3 rare volutes, and 4 more
- 113 A fine muricated perriwinkle, a ditto clamp, and a thorny snipe
- 114 A fine Iris ear, and a beautiful argus cowry
- 115 Two fine dippers, a beautiful limpet, and 2 gold mouth snails
- 116 Two figs, a knobbed ditto, 2 black tygers, and 4 more
- 117 Two oriental snails, 2 bishops mitres, and 5 others
- 118 Nineteen fine limpets and ears
- 119 A painted cockle, a pink harp, 2 pine apples, and 6 more
- 120 A Midas's ear snail, and a rare cockle, from *New Caledonia*

Seventh Day's Sale, *Monday, April 12.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and petrefactions
- 2 Ditto
- 3 A box of scollops
- 4 Ditto of crystalized flints
- 5 Two small bull's mouths, and 7 more
- 6 A trumpet, and 6 more
- 7 Two trochi, from the *Red Sea*; 2 nutmeg cowries, and 2 melons
- 8 Various shells
- 9 Copper ore, *Saalfeldt*; petrified moss, and 5 more
- 10 Eight various minerals
- 11 Ten ditto, and a singular crystal
- 12 A septarium, a crystalized flint, and 3 more
- 13 A copper ore, 3 iron ores, and 3 others
- 14 A purple mouth zebra snail, 5 patellæ, 2 Iris snails, and 3 more
- 15 A music, a spotted helmet, a section of another, and 9 more
- 16 Sundry bivalves
- 17 Two brocades, 2 harps, and 6 more
- 18 Seventeen shells, *various*
- 19 Two spiral buccina, and 6 others
- 20 Detached cubic fluors, and various other minerals
- 21 Ditto and ditto
- 22 Eleven polished chalcedonies with crystalized crusts
- 23 Green crystals, *Lombardy*; 3 marcasites, and 2 more
- 24 A singular crystal, and 8 other curious minerals
- 25 A large square specimen, polished on all sides, of a marble from a quarry lately discovered in *Devonshire*
- 26 A curious dish, inlaid with pearly shell and amethysts, from *China*
- 27 A singular sponge, and a ditto adhering to two keratophytæ
- 28 The stem of a coral, uncommonly large of the kind, and a purple Venus's fan
- 29 A free-stone nodule, lined with spars
- 30 A petrified bone, a ditto nautilus, an oyfter, and 1 more
- 31 A fine large specimen of pitch stone, from *Shropshire*; and 2 ditto of copper ore, from *Welvergin Mine, Cornwall*

- 32 A large grinder tooth of an elephant, from *Ceylon*
- 33 Ditto
- 34 Two bull's mouths, and a large echinus ovarius, *all fine*
- 35 Two gold mouth snails, a snake, 2 telescopes, and 3 more
- 36 Two dolphins, and 4 others
- 37 Sundry curious bivalves and multivalves
- 38 Two pink harps, 2 Iris snails, and 5 more
- 39 A scarce ear, and 7 limpets
- 40 A fine tulip tellen, 2 bloody mouth alatae, 2 knobbed scoops, and 4 more
- 41 Twenty-two beautiful small cowries and olives
- 42 Earth said to contain gold, found near *Shrewsbury*, and various specimens of native arsenic, &c.
- 43 Sundry plated cauk balls with complete crystals imbedded in them, some detached cubic fluors and other fossils, from *Derbyshire*; a crystalized flint, &c.
- 44 An echinus clypeatus, an echinus pileatus, and several spines of echini in flint chalk and slate, a shark's tooth, and 2 anomiae
- 45 Various tin ores and other minerals
- 46 A beautiful trumpet, from the *Mediterranean*
- 47 A very rare bivalve, from *Virginia*
- 48 A beautiful occidental helmet, and a large pond muscle, *one valve uncoated*
- 49 A large and fine Iris ear, from *New Zealand*
- 50 A fine melon having its epidermis, from *China*
- 51 A zebra snail in its native state, *Guinea*; and a nautilus tuberculatus, *Cape of Good Hope*
- 52 A rare volute, a fine snake, a limpet, and an uncommon land snail
- 53 A muricated periwinkle, *New Zealand*; and 2 more
- 54 A star limpet, *rare*; 2 yellow grimaces, 2 mainsails, a staircase, and 4 more
- 55 A fine oyster, from *Anamabo*
- 56 Two harps, a brindled alatus, a unicorn, and 2 more
- 57 Two Brazilian and 2 other scarce olives, a *New Zealand* ear, 2 marbled and 2 carrot volutes
- 58 An exceeding fine and large gold mouth snail, and a fine young specimen of the great oriental green snail
- 59 Two bishops mitres, 2 large dippers, a scarce ark, and 3 more
- 60 A very large yellow tyger and a scarce trochus, from *New Caledonia*
- 61 A fine large tun, from the coast of *Sicily*
- 62 A large and fine chambered nautilus, *uncoated*
- 63 The studded *Mediterranean* helmet, a large grimace, and a fine muricated periwinkle
- 64 Two fine zebra trochi, and 2 poached eggs

- 65 Two beautiful fluted helmets, from the *Mediterranean*
- 66 A chevaux de frize purpura, and a spotted helmet, *both rare*
- 67 A rare echinus mamillaris, from the *South Seas*
- 68 A group of horn oysters, an ear, and a murex, from *New Holland*
- 69 Two figured volutes, a tortoise limpet, and 2 rare buccina, from the *East Indies*; 2 marbled snails, *New Caledonia*; and 2 ribband snails (part of an ornament) from *New Amsterdam*
- 70 A fine toad, a painted cockle, and 8 more
- 71 Two murices, a pully, 2 *Havanna* land snails, and 5 more
- 72 An uncommon large bead snail, from *New Zealand*; and a fine garnet limpet
- 73 Two scarce knobbed snails, and 2 cowries
- 74 Thirteen curious shells
- 75 Twenty-seven ditto, *most of them rare*
- 76 Two very scarce nipple snails, 2 orange striped helmets, and a beautiful snake, *uncoated*

I N S E C T S.

- 77 A variety of beautiful moths, butterflies, and other insects

SHELLS, FOSSILS, PETREFACTIONS, CORALS, &c.

- 87 An exceeding fine specimen of the great oriental purpura
- 88 A very large and compleat nautilus with its pearly coat, a most capital specimen, from *Sheepy Island*
- 89 A fine brainstone or madrepora meandrites
- 90 A very curious astroites, from *Maestricht*
- 91 A group of crystals with spar intermixed, *very rare*, from *Bristol*; and an uncommon marcasite
- 92 A beautiful dendrites, from *Italy*, framed
- 93 A grotesque specimen of uncommon spars, from *Derbyshire*
- 94 A

- 94 A rare cubic fluor, with lead ore intermixed, incrustated with a calcareous matter, and a fine group of spars, cubic fluors, and zinc ores, from *Derbyshire*
- 95 A large pecten, singularly bent, from a quarry near *Bath*; and a large and fine cray fish enveloped in clay, *Sheepy Island*
- 96 Two very singular sparry incrustations, *foreign*
- 97 A large and fine botroyd marcasite, from *Cornwall*
- 98 An onyx in its native bed, from *Scotland*; a singular bubbled flint, another flint with a cavity in it, frosted with exceeding minute crystals, and a fortification agate
- 99 An ostrich's egg, *finely japanned*
- 100 A very uncommon variety of the bear's paw, from *New Caledonia*
- 101 A millepora formed on a decayed keratophyton, with 2 purple oysters adhering, and a butter print coral
- 102 Two curious groups of minerals, *Derbyshire*; and one from *Staffordshire*
- 103 A rare and beautiful coralline, from *Grenada*
- 104 Coloured copper ore, intermixed with a curious rhombic spar, from *Stolsemberg*; and a singular plated fluor with iron spar, from *Andreisberg*, in *Saxony*, both rare
- 105 Part of the vertebræ and other bones of a fish imbedded in clay, from *Sheepy Island*; and a fine large echinus galeatus, from *Maestricht*
- 106 Various stellated branched corals on their native rock, from the coast of *Guinea*
- 107 A brilliant group of white 24-sided spars on lime stone, and another curious group of spars and fluors, *Derbyshire*; a beautiful marcasite, *Staffordshire*; and one from *Cornwall*
- 108 A fine pecten in stone, from *Maestricht*; and a curious group of club spines of an echinus mamillaris in chalk, from *Kent*
- 109 An *Egyptian* and 2 curious *English* pebbles, *polished*
- 110 Silver ore, with native hair silver on a group of crystals, *Saxony*; a singular marcasite, and a group of columnar crystals, *Cornwall*
- 111 A very fine specimen of the encrinurus of *Rosinus* (a kind of star fish) in its native bed, from *Germany*
- 112 Hæmatites iron ore, with clear complete crystals on the surface, from *Bristol*; a singular marcasite with cauk balls, from *Staffordshire*; and a fine lead ore, *Scotland*; all rare
- 113 A group of cubic fluors, with lead and zinc ore in the base, the surface almost covered with clear white 24-sided spars, *Derbyshire*; a curious spar in an iron stone, *Bristol*; and a free-stone spar from *Bath*

- 114 Fragment of an echinus mamillaris, with some of its spines imbedded in chalk, a pecten in flint, and a fine echinus cordatus with a vermiculus on it, *Kent*
- 115 Three curious groups of lead and tin ore, marcasites, fluors and crystals, from *Derbyshire* and *Cornwall*
- 116 A very fine specimen of radiated needle antimony, intermixed with a curious rhombic spar and native vitriol, from *Felsobonia*
- 117 A fine large spined pecten with a vermiculus and coral on it, and various fragments of a mamillated echinus in chalk, from *Kent*
- 118 Fine spathose white lead ore with green efflorescence of copper, and a beautiful drop of silver, lead and antimony, from the *Hartz*
- 119 Beautiful mossy green lead ore, from *Schopau* in *Saxony*; a curious lead ore with small crystals intermixed, *France*; and green efflorescence of copper on an ocreous stone, *Thuringia*
- 120 A very fine impression of a fern in a micaceous sand stone, and a fine belemnites in flint

Eighth Day's Sale, *Tuesday, April 13,*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 A Box of minerals and petrefactions
- 2 Ditto
- 3 A box of Scotch scollops
- 4 Ditto of uncoated shells
- 5 Ditto of crystalized flints
- 6 Various grotto shells
- 7 A trochus from the *Red Sea*, and 3 more
- 8 Twenty-six univalve shells
- 9 Two trumpets, a pecten, and 3 more
- 10 Twelve shells, *various*
- 11 A plated fluor, and 4 other minerals
- 12 A fine crystalized flint, and 5 others
- 13 Eight various minerals
- 14 Nine ditto
- 15 A piece of a ship's keel eaten by sea worms, a scarce limpet, and 3 more
- 16 Two scarce oriental trochi, 2 screws, and 5 more
- 17 A spider, a trumpet, and 2 cowries

18 A

- 18 A tun, and 5 more
- 19 Seven various minerals, and a crystalized flint
- 20 Peacock copper ore, *Cornwall*; a gypsum striatum, and 3 more
- 21 Nine various ores
- 22 A curious slag of iron, and 6 more
- 23 Three patellæ, a cockscomb oyster with balani adhering, 3 other bivalves, and 2 ears
- 24 Two triangular wilks, 2 musics, and 6 others
- 25 Eighteen small shells, *various*
- 26 Twelve curious patellæ
- 27 Two orange striped helmets, 2 netted cowries, a scarce purpura, and 4 more
- 28 Twelve curious shells
- 29 Eight coloured marcasites from *Staffordshire*
- 30 Thirteen various fossils
- 31 An ammonites from *Whitby*, and 14 other petrefactions
- 32 Some amber spar, and various other minerals
- 33 Six beautiful agates, &c. *polished*
- 34 An asbestos, *Scotland*; a group of small crystals, *Cornwall*; and 8 more
- 35 Two spectres, a mottled bronze limpet, *New Zealand*; 2 *Brazilian* olives, and 4 more
- 36 Various bivalves and multivalves
- 37 Two *Havanna* land snails, 2 peacock alatae, and 13 more
- 38 Ten fine patellæ
- 39 Twenty-five curious small shells
- 40 Two mulberries, 2 figs, 2 *Persian* music, and 7 more
- 41 A spindle, 2 screws, and 4 spiral buccina
- 42 Eighteen various ores and minerals
- 43 Crystals with green lead ore, *Saxony*; looking glass lead ore, *Derbyshire*; marcasite, *Bath*; and 2 more
- 44 Nine fine minerals
- 45 Ten ditto
- 46 The sea feather keratophyton, and a purple Venus's fan ditto
- 47 Part of a branch of a tree, with a curious wasps nest affixed thereto
- 48 A very large trumpet shell from *New Holland*
- 49 The skull of a lion
- 50 A large piece of slate with impressions of vegetables, from *Lancashire*
- 51 A fine specimen of the *West Indian* muricated coral
- 52 A mass of ammonitæ, bivalve shells, and other marine remains
- 53 A beautiful specimen of the May blossom coral, from the *Mediterranean*

- 54 Another fine coral, and a curious sponge from the coast of
Sicily
- 55 A large oyster, from *Anamaboo*
- 56 A fine brainstone
- 57 A coral from *Otabeite*, and a large echinus ovarius
- 58 A specimen of wire sponge and one of the cat's tail sponge
- 59 A curious iron ore from *Voightland*
- 60 A rare jointed coralline, with other marine remains, in
stone, from *Maeftrecht*
- 61 A group of uncommon spars with marcasites, and a ditto
of cubic fluors with spars and crystalized zinc ore, from
Derbyshire, and a group of crystals, *Cornwall*
- 62 A fine specimen of *flos ferri*, from *Steurmarck*
- 63 Curious impressions of vegetables in a black slate, from
Lancashire, and part of a branched flint module, with a
fine pecten imbedded therein, *Kent*
- 64 A fine specimen of native orpiment, with red arsenic inter-
mixed; antimony, from *Hungary*; and a fine specimen
of the crystals of *Borax*
- 65 A beautiful pudding stone, from *Hertfordshire*, polished, and
a slab of the *pietra ruinata*, or ruin slate from *Florence*
- 66 A very large echinus galeatus, *Kent*; an ammonites, *Wilts*;
and a mass of entrochi, *Derbyshire*
- 67 Fine dendrites in yellow slate, from *Papenheim*
- 68 A curious spar from *Freyberg* in *Brisgau*; white lead ore,
Scotland, and a Cornish marcasite
- 69 A fine group of white clear 24 sided spars, *Derbyshire*; a
group of cubic fluors, with crystalized zinc ore, *ditto*;
and a curious marcasite from *Cornwall*
- 70 A madreporæ with a rare jointed coralline, formed on it,
and 2 other corals
- 71 A group of rare topaz spars, and white cubic fluors, *Derby-*
shire; a brilliant marcasite, *Bath*; and a rich specimen
of white lead ore, with green efflorescence of copper
intermixed

*Curiosities from the New discovered Islands in the
South Seas.*

- 72 A piece of thick white cloth made of the inner bark of a
tree by the natives of *Otabeite*
- 73 A piece of the like kind of cloth, but thinner, from the
same Island
- 74 Another piece, *different*
- 75 Ditto
- 76 A wooden instrument, curiously fluted, used by the *Ota-*
heitans in making the aforesaid cloth, and a stone
pestle

- 77 A piece of bark cloth, glazed, from *New Amsterdam*
- 78 A *New Zealand* cloak woven by hand
- 79 A coarse mat, from *Anamokka*
- 80 A fine mat, *ditto*
- 81 Ditto, with a fringed border, *ditto*
- 82 A grass apron worn by the girls of *Otaheite* in their dances, and a plaited belt, worn by the men of *New Amsterdam*
- 83 Two specimens of the silky flax of *New Zealand*; and a variety of plaited, and other cordage, from various islands
- 84 A stone head of a hatchet, from *New Zealand*; ditto from *Otaheite*, and a stone (a kind of stalactites) used by the natives of *New Amsterdam*, in forming their decoys for fishing
- 85 A decoy, and 2 fish hooks from *New Amsterdam*
- 86 A bow and 4 arrows, *Otaheite*
- 87 A war club, *Anamokka*
- 88 A nasal flute, and a clapper, wherewith it is usually accompanied, from *Otaheite*
- 89 A curious basket, from *New Amsterdam*
- 90 A stool used as a pillow, from *ditto*, and ditto, from *Otaheite*
- 91 A singular battle axe, *New Zealand*

S H E L L S, C O R A L S, & C.

- 92 A fine specimen of the red piped coral, a butter print coral, and 2 more
- 93 A large and fine devil's claw
- 94 A beautiful spotted melon
- 95 A South Sea partridge tun, and a fine large iris ear, from *New Zealand*
- 96 A very large 5 hole pancake echinus, and a curious shield echinus, *rare*
- 97 An Iris ear, uncoated, and a zebra snail
- 98 A very large tuberculated paper nautilus, from the *Cape of Good Hope*
- 99 An oriental buccinum, a trochus, from *New Caledonia*, uncoated, and a fine waved and spotted cowry, *Otaheite*, all *rare*
- 100 Two fine millepedes, *rare*
- 101 Two thorny woodcocks, *rare*
- 102 The white hammer oyster, extremely scarce
- 103 A fine gold mouth snail, 2 yellow tygers, and 2 more
- 104 A fine imperial sun, from *New Zealand*, uncoated
- 105 A scarce limpet, 2 gold mouths, and 4 others
- 106 Two star limpets, *rare*, a scarce buccinum, from the *Straits of Magellan*, 4 other S. Sea shells, and 2 more
- 107 A large compass pecten

- 108 A very large ear shell, from *Van Diemen's land*
- 109 A Hercules club, and a fine snipe
- 110 Two fine midas's ear snails, from *New Caledonia*
- 111 The burnt mouth cowry, a star, *uncoated*, a fine marbled snail, and 3 other rarities
- 112 Twelve shells, *various*
- 113 Albestos, from *Scotland*, and 10 more
- 114 A group of crystals, with lead ore, blend and spar, *Cumberland*; a fine marcasite, *Staffordshire*; lead ore with white cubic fluors, ditto with yellow cauk, and crystalized zinc ore, *Derbyshire*
- 115 Cubic marcasites, in slate, *Scotland*; and 12 ores of copper, &c.
- 116 Various petrefactions
- 117 Two suns, a staircase, and 6 more
- 118 Twenty-three shells of different species
- 119 Sundry bivalve shells
- 120 A muscle from *Barbary*, *polished*, 2 harps, and 4 more

Ninth Day's Sale, *Wednesday, April 14.*

SHELLS, CORALS, FOSSILS, &c.

Lot

- 1 A Box of minerals and petrefactions
- 2 Ditto
- 3 A trumpet, 2 spiders, and 9 more
- 4 A great variety of shells
- 5 A triangular wilk, a deep pecten, a devil, and 2 more
- 6 Two purple mouth alatae, a poached egg, and 2 more
- 7 A helmet, 2 cowries, and 2 others
- 8 Blue and green efflorescence of copper, with spars, &c. and a fine marcasite, *Staffordshire*; crystals in iron stone, *Bristol*; and 3 other curious minerals, *Derbyshire*
- 9 A crystalized flint, and 6 fine ores and minerals
- 10 Twelve fluors, crystals, tin ore, &c.
- 11 A fine crystalized flint, 3 marcasites, a red granate, and 3 fine spars, &c.
- 12 A scarce oriental purpura, a clamp, and a spider
- 13 Two devils, a zebra trochus, and 6 more
- 14 A harp, a snake, *uncoated*, and 6 others
- 15 Two cowries, a spider, and 6 more
- 16 A magpye, 2 helmets, 2 garnet limpets, and 5 more
- 17 Two spiral buccina, and 4 others

18 Rich

- 18 Rich copper ore containing gold, in quartz, with horn slate from *Dale Karlia*; crystals on spar and limestone, *Bristol*; and 2 more
- 19 A large columnar crystal, near complete, with a great number of lesser ones on its sides, *Cornwall*; a singular copper ore, and a rich marcasite, &c. *Eaton Mine, Staffordshire*; and 3 curious groups of minerals, *Derbyshire*
- 20 Eleven various fossils
- 21 Nine ditto
- 22 Eight ditto
- 23 A group of spars, and 3 marcasites
- 24 Two bulls mouth helmets, a poached egg, and 6 more
- 25 Two oriental snails, 3 alatae, and 2 more
- 26 A trumpet, 2 alatae, and 2 others
- 27 An Iris ear and a muscle, from *New Zealand*; a plough, 2 melons, and an oyster with balani
- 28 A septarium or ludus helmontii, from *Sheepey*; a copper ore, and 6 fine groups of minerals
- 29 A singular cavernous crystal, *Bohemia*; a red crystal, and 7 more
- 30 Rich lead ore, *Scotland*; 2 ditto with blend, &c. and one more, *Derbyshire*
- 31 A flint with a branched cavity lined with crystals, a singular sparry incrustation, and 5 other curious fossils
- 32 A mass of fragments of shells and other marine remains, *Switzerland*; and a large flint with echini imbedded in it, *Kent*
- 33 A fine large ammonites from *Wiltshire*
- 34 An exceeding fine astroites from *Barbadoes*
- 35 A beautiful trumpet from *Sicily*, and a fine devil's claw
- 36 Two very uncommon stalactites from *Derbyshire*
- 37 Two large echini ovarii, one with its spines
- 38 A mass of curious marine remains, from *Westmorland*; and a fine specimen of the pulley stone, *Derbyshire*
- 39 A beautiful specimen of coral from *Grenada*
- 40 A crushed nautilus enveloped with pyrites, *Sheepey*; and a large echinus galeatus, *Kent*
- 41 A piece of marble cut and polished, in which is imbedded part of an orthoceratites, finely exhibiting the conca-merations, from *Oeland*
- 42 Red and amethystine crystals, from *Bristol*; and a fine group of cubic fluors with rare crystalized zinc ore intermixed, from *Derbyshire*
- 43 An exceeding fine coralloid from *Westmorland*
- 44 A most curious group of cubic marcasites, of various sizes, on a mass of white plated cauk, with zinc ore, spar, lead ore, and part of an anomia lined with minute cubic fluors, &c. in the base, from *Derbyshire, very rare*, and a curious iron ore, from *Bristol*

- 45 A rare spar, from the *Hartz*; a copper ore, *Cornwall*; and a group of crystals
- 46 A fine specimen of coral, from the *Mediterranean*
- 47 A beautiful group of black glossy crystalized zinc ore, with white cubic fluors intermixed, *Derbyshire*; a group of 8-sided spars, *Hartz*; and another of crystals with marcasites, *Cornwall*
- 48 A fine mushroom, and another curious madrepore, from the *East Indies*
- 49 A cavernous mass of crystals covered with iron ocre, with crystalized white lead ore in the cavities, *Saxony*; and a group of singular crystals with marcasites, *Hungary*, both rare
- 50 A compressed nautilus, from *Sheepy Island*, rare; and a mass of turbinated shells, from the neighbourhood of *Vienna*
- 51 Cubic and grain marcasites with spars, &c. *Staffordshire*; and a fine copper ore, *Scotland*
- 52 A belemnites with oysters and other marine remains in sand stone, *Maestricht*; and a fine cray fish in clay, *Sheepy*
- 53 The stem of a decayed keratophyton, with a large ridged vermiculus adhering, both nearly over run by the millepora alcicornis, from the *West Indies*; and a fine keratophyton from the coast of *Sicily*
- 54 A cluster of rare spars, from *Freyberg in Brisgau*; a fine group of crystals, *Cornwall*; and a specimen of brush iron ore with curious spars intermixed, from the *Forest of Dean*
- 55 A group of topaz spars, a fine lead ore, and another curious group of minerals, from *Derbyshire*
- 56 A fine specimen of native cinnabar, from *Idria*; and a fine stellated antimony, from *Hungary*
- 57 A fine specimen of *flos ferri*, from *Femtland*; topaz and red crystals with spars of lime stone, *Bristol*; and a fine coloured lead ore with cubic fluors, *Derbyshire*
- 58 A column of a septarium, *Sheepy*; lime stone with spar and marcasites, *Bath*; and a crystalized flint, *Kent*
- 59 A group of cubic and grain marcasites on cauk balls, and spar with copper ore, *Staffordshire*; a lead ore, *Scotland*; and a group of crystals and spars intermixed on lime and iron stone, *Bristol*
- 60 A fine pudding stone and a pebble, *Hartz*; an oriental mocoa stone, and a fine jaspachates, *Germany*, all polished
- 61 Curious iron ore with crystals, and spar on lime stone, *Bath*; and 2 other groups of minerals
- 62 A very singular Egyptian pebble, a fine Sicilian jasper, and another jasper, polished

- 63 A curious marcasite, *France*; ditto, *Bath*; and 3 more

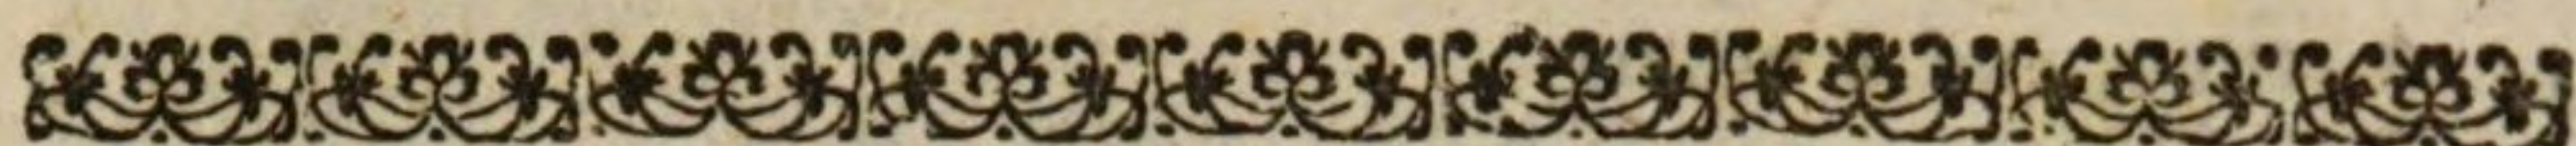

ANIMALS in SPIRITS.

- 64 A guerre fish, and 2 fine snakes, in 3 bottles
 65 A young fawn
 66 A remora or sucking fish, the head of a guerre fish, and 2 snakes, 4 bottles
 67 A rare lizard, and a flying fish, 2 bottles
 68 An asp, 2 lizards, and a snake, 4 bottles
 69 A file fish and a rare squilla, *America*; and a foetus of a bear, 3 bottles
 70 Five bottles, containing various animals
 71 The painted tortoise, a scarce molusca, a singular caterpillar, and an asp, 4 bottles
 72 Seven bottles containing various animals
 73 Six ditto, containing a hippocampus, a mole cricket, an *American* soldier crab, a tortoise, and 3 centipedes

SHELLS, FOSSILS, &c.

- 74 Ten shells, *various*
 75 Eleven ditto
 76 A scollop, 2 thorny woodcocks, and 4 more
 77 Two camp olives, a deep pecten, and 3 more
 78 Two mulberries, 2 figs, and 7 others
 79 Fifteen various ores and minerals
 80 Four curious marbles, *polished*.
 81 Twelve lead and copper ores, selenites, marcasites, &c.
 82 Fifteen polished stones
 83 Five coloured marcasites, and a cubic fluor
 84 Two musics, 2 mulberries, a small Iris ear, and 8 more
 85 Six volutes, 2 Iris snails, and 4 more
 86 Two stair cases, 2 figs, and 8 others
 87 Two orange striped helmets, and 2 oriental green snails
 88 Two harps, 2 young spiders, and 5 more
 89 Two spotted volutes, 2 wide mouth olives, 4 other olives, a fine purple snail, and 4 other rarities
 90 A fly spot, 4 other volutes, 2 scarce buccina, and 12 more
 91 Sundry bivalves and multivalves
 92 Thirteen various minerals
 93 A piece of albestos, *Scotland*, and 12 more
 94 An ammonites, from *Whitby*; impression of a fern in iron stone, *Colnbrook Dale*; a belemnites, 2 echini, and a spine in chalk, 3 other spines in one flint, and 5 other petrifications

- 95 Two micæ, a gypsum, and 3 curious minerals
- 96 Two devils, and 5 more
- 97 An oyſter, *New Holland*; 3 other bivalves, and 4 more
- 98 A ſcarce volute, and 9 more
- 99 Twenty ſpecimens of echini and ſpines of ditto, both recent and petrified
- 100 Two alphabets, 2 muſics, and 7 more
- 101 Two dentalia, 2 vermiculi, 2 criſtales, and 14 more
- 102 Two wild muſic, 2 yellow tygers, 2 fluted ſpiral buccina, and 4 others
- 103 A very large peacock helmet, *rare*
- 104 Two bull's mouths, and the great oriental green ſnail
- 105 A rare emerald ſnail, and an uncommon volute
- 106 An oriental melon with its epidermis
- 107 An elegant ſpecimen of the chambered nautilus, *uncoated*
- 108 A buccinum and a ſpotted tun, *both rare, from China*
- 109 An exceeding fine Iris ear ſhell from *New Zealand*
- 110 *An imperial jun, very rare, from ditto*
- 111 Two ſcarce muricated periwinkles, and a fine large ſtaircaſe
- 112 Two fine ſpindles
- 113 A tortoiſe limpet, 2 volutes, 2 pink mouthed poached eggs, and 2 more, *all rare*
- 114 An exceeding fine brunette volute, and a curious purpura
- 115 A ſtaircaſe and 2 thorny woococks, *rare*
- 116 A gold mouth, a ſcarce alatus, and 3 uncommon ſnails
- 117 Two chevaux de frize purpura, *rare*
- 118 Two rock beads, *New Zealand*; a banded helix, a marbled and 2 other ſnails, *all rare*
- 119 The mottled hound's ear oyſter, *very ſcarce*
- 120 A Venus's ear, and 8 other fine ſhells
- 121 A flat group of ſpars, *Wales*; and a fine large marcaſite, *Staffordſhire*
- 122 A very large ammonites, from *Somerſetſhire*
- 123 Two fine keratophytæ
- 124 A fine oſtrich's egg, from the *Cape of Good Hope*
- 125 A large maſs of petrified coral from *Germany*
- 126 *A fine large ſlab of the amethyſtine granate, from the Eaſt Indies, very ſcarce, poliſhed*
- 127 A fine coralloid from *Maeftricht*

Tenth Day's Sale, *Thursday, April 15.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **S**undry grotto shells
- 2 **S** A box of minerals and petrefactions
- 3 Ditto
- 4 Ditto of rough agate
- 5 Ditto
- 6 Ditto of rough mocoa stones
- 7 Ditto of rough marbles and other stones
- 8 Ditto with 5 dozen of cowries
- 9 Ditto of magpyes
- 10 Ditto of coral
- 11 Three dozen of conchs
- 12 Two Surinam toads, a scarce limpet, and 5 other shells
- 13 A muricated periwinkle, *New Zealand*; a large cowry, and 2 more
- 14 Two helmets, and 3 more
- 15 A spider, a striped argus, *rare*, and 6 others
- 16 Various mundics, spars, and other fossils
- 17 Copper ore, *Germany*; ditto, *Sweden*; and 5 more
- 18 Part of a ludus helmontii, and a stella septarium, *Sheepy Island*; a septarium, *Scotland*; and 3 more
- 19 A septarium from the neighbourhood of *Vienna*; another, *Hertfordshire*; and 8 others
- 20 Two bull's mouths helmets, and 2 large knobbed trochi
- 21 A large echinus ovarius, a pond muscle, an ear from *Van Dieman's Land*, and 3 more
- 22 A group of balani on an oyster, 2 trochi, and 5 more
- 23 Two keratophytæ from the *West Indies*
- 24 A large specimen of coral from *ditto*
- 25 A bull's mouth helmet, and the long knobbed oriental helmet
- 26 A very large claw of a lobster, a shark's jaw, and the saw of a saw fish
- 27 A purple spondylus from *Sicily*
- 28 Two olives, *New Zealand*; a painted cockle, and 19 more
- 29 Two cowries, a pecten, and 5 others
- 30 Two crisales, 2 camel cowries, and 15 more
- 31 A variety of recent and petrified echini, and spines of ditto
- 32 Four

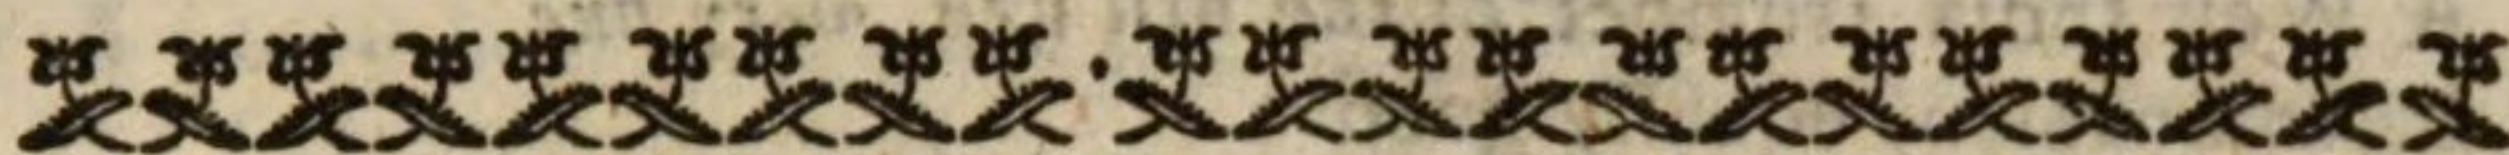

- 32 Four cowries, 2 olives, a muscle from *Cape Horn*, and 8 others
- 33 Two alatae, and 9 more
- 34 A tellen, and 8 others
- 35 Two screws, 2 garnet limpets, and 5 more
- 36 Sundry curious antediluvian shells from *France*
- 37 Brocatello and 2 other marbles, and a slate with cubic marcasites
- 38 Coloured lead ore, and 3 others, from *Derbyshire*; a piece of ludus helmontii with pyrites in the fissures of it, and 5 more
- 39 An ammonites from *Whitby*, cut and polished; a crab, *China*; a reverse buccinum, *Essex*; and 5 other curious petrefactions, 2 of them from *Vienna*
- 40 Stalactites, *Scotland*; amethysts from the *Palatinate*, and 8 more
- 41 Four fine agates, a jasper, and a pudding stone, polished
- 42 Sundry spars, selenites, and other fossils
- 43 Asbestos, *Scotland*; 2 curious spars, *Staffordshire*; a coal with pyrites, *Northumberland*; and 3 more
- 44 A fine furbelowed clamp from the *East Indies*
- 45 A very large and fine group of crystals from *Durham*
- 46 An exceeding fine madrepora meandrires, or brainstone, from the *West Indies*
- 47 Two very fine conchs from *ditto*
- 48 A fine specimen of *West India* coral
- 49 A large slab, polished, of the coralloid marble from *Durham*
- 50 Two fine keratophytæ
- 51 A fine specimen of the broad muricated *West India* coral
- 52 A curious madrepora digitata, or finger coral, from the *East Indies*
- 53 A fine slab of the *Derbyshire* entrochi marble
- 54 A beautiful purple fluor from *Derbyshire*, polished
- 55 A fine muricated coral from the *West Indies*
- 56 A large and fine ammonites from *Wilts*
- 57 A very curious astroites, as perfect as recent, from *Derbyshire*
- 58 A large mass of oysters, belemnites, and other marine remains
- 59 A group of brilliant white 24-sided spars, ditto on a cubic fluor with black zinc ore intermixed in each, both from *Derbyshire*; and an amethystine cubic fluor with a curious iron spar, *Durham*
- 60 A fine large specimen of coloured lead ore, *Derbyshire*; and a group of pointed spars, covered with a trigonal spar with iron ore intermixed, from an old mine not now worked, and a very singular slag of iron from *Staffordshire*
- 61 A fine large specimen of the amethystine veined fluor from *Derbyshire*, and a fine red granate, polished

- 62 Three fine corals
- 63 Twelve fine shells
- 64 Various echini, and spines of ditto
- 65 A camp olive, a cockle from *Cape Horn*, and 4 more
- 66 Two millepedes, and 3 others
- 67 Two scarce buccina, and 10 more
- 68 Sundry bivalves and multivalves
- 69 Two scarce banded snails, a red beaded trochus, and 6 more
- 70 Two vice admirals, and 11 more
- 71 Two ditto, and 13 others
- 72 An African harp, and 10 more
- 73 Two curious land tortoises
- 74 A fine astroites
- 75 A curious group of crystalized lead ore in large figures, with cubic fluors and white cauk balls intermixed and on the surface, and a fine group of spars, *Derbyshire*
- 76 Lime stone with muscles imbedded therein, from the neighbourhood of *Vienna*, ditto with turbinated shells from *Neostadt*
- 77 A stalagmites, and a group of small ditto on lime stone, *Derbyshire*; a group of crystals covered with white 12-sided spars, *Durham*; and a marcasite, *Staffordshire*
- 78 A keratophyton on its rock, and a specimen of coral
- 79 A very scarce madrepora meandrites, and a large fungites
- 80 A group of brown spars in freestone, ditto of amethystine fluors, and a striated gypsum
- 81 A fine madrepora, *Virginia*
- 82 Two fine groups of minerals from *Derbyshire* and *Staffordsh.*
- 83 A group of spar covered with stalactites, *rare*, a cubic fluor, and a large stalagmites with lesser ones on its side, from *Derbyshire*
- 84 Purple cubic fluors, *Derbyshire*; ditto with lead ore, *Durham*; a singular incrustation, *Matlock-Bath*; and a fine stella septarium, *Sheepey*
- 85 A curious plated fluor with marcasites, from the *Hartz*; and 2 other fine groups of minerals
- 86 A limestone with marine bodies imbedded in it, the surface covered with fine yellow spars, *Derbyshire*; and a singular gypsum striatum, *France*
- 87 A fine devil's claw
- 88 A specimen of the landscape marble, from *Bristol*, *very fine, polished*
- 89 Lead ore, *Durham*, and 3 more
- 90 A fine group of lead ore, cubic fluors, and cockscomb pyrites, *Derbyshire*; a beautiful group of spars, *ditto*; and a marcasite, *Cornwall*
- 91 Half of a septarium, *Northumberland*; and part of a nodule of amethystine veined fluors, *Derbyshire*; both polished

- 92 Five petrefactions of shells, corals, &c.
- 93 A fine specimen of the entrochi marble from *Derbyshire*, polished; an echinus galeatus, *Kent*; and a pecten, *Bath*
- 94 A very fine boulder of serpentine stone, from *Malacca*
- 95 A curious group of plated fluors with marcasites, from the *Hartz*; fine crystalized lead ore with crystals and iron stone, *Durham*; and a stalaclites, *Scotland*
- 96 A group of crystals, *Gloucestershire*; ditto with blend, *Cumberland*, and a *Derbyshire* spar
- 97 Cockscorn pyrites, a fine crystalized flint, and 2 more
- 98 Three keratophytæ, *different*
- 99 A large and fine brainstone
- 100 Two large groups of spars and cubic fluors, from *Derbysh.*
- 101 A branch of a mangrove tree, with muscles naturally affixed thereto by their buffes
- 102 An oriental trumpet, and 2 occidental helmets
- 103 A calabash, and 2 large foreign pine cones
- 104 A large and fine specimen of plumb pudding stone, from *Hertfordshire*
- 105 An oriental clouded tun, an hebraica, and a helmet
- 106 An alatus of a rare species, *in the utmost perfection*
- 107 Two zebra trochi, *finely carved and polished*
- 108 A fine section of a large oriental chambered nautilus
- 109 An admiral of the night, a black tyger, 2 poached eggs, and a fine garnet limpet
- 110 Two very large spindles
- 111 The papal crown, a bishop's mitre, and an hebraica, *all fine*
- 112 A curious section of a devil, and a Red Sea trochus, *finely carved and polished*
- 113 The furbelowed buccinum, from *Falkland's Island*; a very rare oriental cockscorn oyler, and an uncommon purpura
- 114 A very fine Persian robe, *rare*
- 115 A fine zebra trochus, a yellow tyger, and 4 other fine shells
- 116 A very fine zebra volute, an Hercules's club, a bull's eye snail, a beautiful yellow tyger, and a rare tun
- 117 An exceeding fine dissection of the great oriental spiral buccinum, and 2 other oriental shells of the same class, but different species, *both rare*
- 118 A fine rake cockle, *rare*, and a long devil
- 119 A scarce reverse helix, a flambeau, a small clamp, a spondylus, and 2 more
- 120 The lace or netted coral, the red pipe coral, a curious brainstone, and 3 other rarities
- 121 Two harps, a singular spectre, and 2 fine cowries
- 122 Two rare banded helices, a concha veneris, 2 staircases, and 4 Iris snails, *all fine*

123 The

- 123 The great or oriental Midas's ear, *very rare*
- 124 Two scarce flea bitten volutes, 2 prince of Orange flags,
a fine zebra trochus with its epidermis, from *New Hol-*
land; 2 gondolas, and 2 other rare dippers
- 125 Nine fine shells
- 126 Two fine conchs
- 127 A box containing a variety of small shells
- 128 Ditto

Eleventh Day's Sale, *Friday, April 16.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and petrefactions
- 2 Ditto
- 3 Copper ore, *Markirch*, and 5 more
- 4 Black hæmatites iron ore, *Germany*; and a group of minerals,
Derbyshire
- 5 Copper ore, *Scotland*, and 7 more
- 6 Lead ore, and 4 others, *Derbyshire*; and crystals on iron
stone, *Bristol*
- 7 Two bull's mouths, a trochus from the *Red Sea*, and 2
more
- 8 A chambered nautilus, a belemnites, 2 coralloids, and 6
others
- 9 Two helmets, and 2 more
- 10 A mass of entrochi, impression of an ammonite, with mar-
casites, and 3 other petrefactions
- 11 Two large spindles
- 12 A spider, and 3 more
- 13 Two oriental tuns, a *West India margaritifera*, and 3 more
- 14 A box of rough agates
- 15 Ditto of minerals, &c.
- 16 Ditto
- 17 A spider, 2 cowries, and 5 more
- 18 Two harps, a triangular wilk, and 7 others
- 19 A spondylus, a melon, and 2 more
- 20 Two alatae, and 3 more
- 21 The great oriental spider, and a trumpet
- 22 Two fine conchs
- 23 A curious branched yellow Venus's fan, from the *West Indies*
- 24 The great or long knobbed oriental helmet

- 25 A large and fine group of 24 sided spars and cubic fluors, from *Derbyshire*
- 26 An exceeding fine white occidental helmet of the first magnitude
- 27 An extraordinary large and fine specimen of tubular coral in lime stone, from *Derbyshire*
- 28 A large and very fine clamp, the furbelows of an uncommon size, from the *East Indies*
- 29 A large and fine ammonites, from *Somersetshire*
- 30 A fine sea feather and another curious zoophyte
- 31 A West India trumpet of the first size, *very fine*
- 32 Its companion, equally good
- 33 A fine slab of brown marble with anomiae shells imbedded therein, from *Derbyshire*, *polished*
- 34 A large and fine group of cubic fluors, saturated with marcasites, with lead ore intermixed, and some parts of the surface incrustated with marcasites, from *Derbyshire*
- 35 A specimen of chert in some parts crystalized, with fine remains of encrini, and impressions of anomiae therein, from *Derbyshire*
- 36 A fine group of cubic fluors with interior cubes visible, and lead ore and cockscomb marcasites on one side, from *Derbyshire*; and a group of large pointed spars covered with other spars, *Staffordshire*
- 37 A beautiful tubular coralloid, from *Staffordshire*
- 38 A fine impression of a fish in black slate, from *Isleben in Germany*
- 39 Three fine groups of spars and marcasites, from *Derbyshire* and *Staffordshire*
- 40 A fine specimen of red coral on its native rock, from *Sicily*
- 41 A group of roses of black glossy crystalized zinc ore, frosted with minute 24-sided spars, on a mass of cubic fluors, *Derbyshire*
- 42 A fine choice specimen of starred branched coral with adhesions of vermiculi and oysters, from the *West Indies*; and a neat coral from *Sicily*
- 43 Thread veined lead ore in caulk and spar, *Staffordshire*; and a group of rare 6-sided spars, *Derbyshire*
- 44 Nine various minerals
- 45 Various fragments of encrini in the surface of lime stone, from *Derbyshire*; a group of ammonitae, a single ditto, *slit and polished*, 5 remains of echini in chalk, *Kent*; and a fishes tooth in slate, from *Stusfield*
- 46 Twelve curious fossils and a piece of tin, from *Cornwall*
- 47 Two echini cordati (*one rare*) an echinus clypeatus, and 7 others
- 48 Cry-

- 48 Crystals on iron stone, *Bristol*; copper ore, *Staffordshire*, and 8 more
- 49 Pediculi marini with shells and corals imbedded in lime stone, *Dudley*; and a specimen of antediluvian worm eaten wood, from *Sheepy*
- 50 A small trochus, from the *Red Sea*, uncoated, an oriental painted cockle, two mottled bronze limpets, *New Zealand*, and 5 more
- 51 Eight curious patellæ, and an African ear
- 52 A scarce land snail, a brindled snake, a pine apple, 2 leopard spiral buccina, and 3 more
- 53 Twenty three curious small shells
- 54 Various bivalves and multivalves
- 55 A concha veneris, two zigzag cowries, 2 weaver's shuttles, 2 wasps, 2 musics, and 21 other rarities
- 56 A waved emerald snail, *Van Diemen's Land*; 2 bastard ass's ears, 2 olives from the *Musqueto Shore*, and 4 more
- 57 A lion rampant, 2 bishop's mitres, a rare cockle, *Falkland's Island*; and an Iris ear, *New Zealand*
- 58 Muscles in their byssus, *New Zealand*; 2 African dippers, and 7 more
- 59 A fine large oriental buccinum, rare
- 60 Another variety of the same species
- 61 A capital group of large straw coloured 24 sided spars, with cubic fluors, lead ore, and small grey 12-sided spars intermixed, *Derbyshire*
- 62 A fine dendrites, from *Papenheim*; and another from *Devonshire*
- 63 A diced lead ore, with white cubic fluors and spar, a fine crystallized zinc ore with white cauk balls, &c. and a group of 12-sided spars on greenish cubic fluors, with zinc ore, &c. all from *Derbyshire*
- 64 A grey plated fluor frosted with minute 24-sided spars, on a red cauk, and another curious group of minerals, from the same county
- 65 A fine yellow Venus's fan on its native rock, with a curious group of marine animals adhering, from the *West Indies*; and a rare branched sponge, from the *Gulph of Florida*
- 66 A fine group of nummi diaboli, supposed to be a species of coral, from *Germany*; and a fine astroites, some parts of it as perfect as in the recent state, from *Derbyshire*
- 67 Two fine madrepores, one of them rare
- 68 A large and fine selenites, slit in two, from *Oxfordshire*
- 69 A specimen of free stone, with a cavity in it, lined with spars, *Bath*; and a group of large cubic fluors with interior marcasites, blend, &c. *Derbyshire*
- 70 A curious deep mushroom, and a specimen of the dwarf jointed coral, rare, from the *East Indies*

- 71 A group of crystal, some of them double pointed, in iron stone, *Bristol*; and a group of Cornish diamonds
- 72 A large group of exceeding fine and clear amethystine cubic fluors on iron stone, from the *Bishoprick of Durham*
- 73 A mass of crystals on a beautiful green fluor, *Cornwall*; a large amber coloured spar with amethystine cubic fluors, and another specimen, *Derbyshire*
- 74 A fine slab of the landscape marble, or cottam stone, polished
- 75 Three fine groups of spars and marcasites, &c. from *Derbyshire* and *Staffordshire*
- 76 A fine group of 12-sided spars, with copper nickel in the base, and with which the spars are saturated, from *Saxony*; and a lead ore formed into 8-sided figures, from *France*, both very rare
- 77 The snail fungus marinus, from *New Holland*, rare
- 78 Lead ore in fine large figures or crystals having 14 sides, frosted with cockscomb marcasites on a group of cubic fluors, and a group of the like kind of marcasites, but larger, on a mass of lead ore and blend, *Derbyshire*
- 79 Fine straw coloured 18 sided double pointed spars on a group of cubic fluors saturated with marcasites, *Derbyshire*; and a fine group of crystals, some tinged red, from *Bristol*
- 80 A fine group of white 8 sided spars, and a curious group of plated fluors and iron spars sprinkled with grain marcasites, on a mass of crystals, both from the *Hartz*
- 81 Brilliant white 24-sided spars, on a group of cubic fluors, with lead and zinc ore in the base; a curious assemblage of cockscomb marcasites covered with cubic fluors, through which the marcasites are visible, &c. and a fine stalagmites, all from *Derbyshire*
- 82 A fine hæmatites iron ore, *Lancashire*; a curious iron flag, *Staffordshire*; and a large piece of asbestos, from *Scotland*
- 83 A rare porphyry, 3 beautiful agates, and a marble, all polished
- 84 A fine marcasite, *Bath*; and 2 curious groups of minerals, *Derbyshire*

S H E L L S, &c.

- 95 A large and fine oriental partridge tun
- 96 A fine Iris ear shell with a blue coat, from *New Zealand*
- 97 An hebraica of the first magnitude, from *Madagascar*
- 98 A fine brown tun and a beautiful helmet, *both oriental, and rare*
- 99 A scarce alatus with its epidermis, and the great East India green snail
- 100 A young devil's claw, an hebraica, and a rare zebra snail
- 101 A young devil's claw, farther advanced than that in the preceeding lot, *very fine*
- 102 A large and fine oriental Midas's ear, *very scarce*
- 103 A long devil, and 2 fine West India alatae
- 104 A fine compass pecten
- 105 An African zebra snail, and a very large specimen of the smooth English wilk
- 106 A fine specimen of a spotted melon, a very rare oriental music, and a scarce patella
- 107 An uncommon oriental music
- 108 A fine plough from the *East Indies*, *rare*
- 109 An exceeding fine West India spondylus, *rare*
- 110 Two African melons, *different*, and a fine large clouded buccinum from the *West Indies*
- 111 A pair of small but fine hebraica, from *New Holland*; and the scarlet ridged vermiculus on an Iris ear shell, *New Zealand*, *very rare*
- 112 A fine cockscomb oyster from *Manilla*; and a scarce murex from the *West Indies*
- 113 The black limpet, *St. Ascension Isle*; and 2 fine imperial crowns
- 114 Two very fine thorny woodcocks, *rare*
- 115 A moor, a young bull's mouth helmet, and a scarce West India murex, with its epidermis
- 116 A fine Iris ear, and a furbelowed clamp
- 117 A large and fine leopard spiral buccinum, the white spotted ditto, and 3 rare spiral snails
- 118 The shagreen trochus, from *New Zealand*, *uncoated*, and the striped argus, from the *Cape of Good Hope*, *both rare*
- 119 Two African bird's egg cowries, a scarce snail, an oriental spondylus, and 5 more

- 120 A fine sugar-loaf volute, and 2 beautiful spiders
 121 The Chinese window shell, *rare*, a paper nautilus, a purple mouth olive, 2 scarce volutes, and an Iris ear
 122 Two Roman lamps, 2 other helices, 2 fine olives, a pagoda trochus, and 2 brocades, *all rare*
 123 Two pink admirals, 2 beads, a very young melon, and 13 more
 124 A fine mushroom coral, and 2 Surinam toad cowries
 125 Two rare thorny woodcocks, 2 burnt mouth cowries, and a young spindle
 126 An oyster with adhesions of balani, 2 screws, and 4 more
 127 Four scarce snails, 2 ditto olives, and 10 others

Twelfth Day's Sale, *Saturday, April 17.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of large Scotch scollops
- 2 Ditto of minerals, &c.
- 3 Ditto
- 4 Two fine conchs
- 5 A box of ear shells
- 6 Ditto of limpets
- 7 Ditto of Staffordshire mundics
- 8 Ditto of various small shells
- 9 Ditto
- 10 A box of triangular cockles
- 11 Ditto of barnacles
- 12 Ditto of minerals, &c.
- 13 Ditto
- 14 A box of large English scollops
- 15 A West-India coral
- 16 Ditto, of a different species
- 17 A box of rough agates
- 18 Ditto, of Scotch agates, &c.
- 19 Two melons, a scarce bivalve, and 4 more
- 20 Two mulberries, 2 rare ear snails, an Iris ear, and 4 more
- 21 Two poached eggs, a toad, and 6 others
- 22 Two scarce tuns, and two purple mouth alatae
- 23 The Dutch bonnet, 2 garnets, and 2 tent limpets
- 24 Two cowries, and 5 more
- 25 A large group of cauk balls and marcasites, &c. *Staffordshire*, and 3 more

- 26 Nine various minerals
- 27 Six ditto
- 28 A fine specimen of lapis calimmaris, a group of yellow 12
fided spars, and 2 others, *Derbyshire*, and a group of
crystals, *Cumberland*
- 29 A helmet, a trumpet, and 3 more
- 30 Two scarce banded snails, an Iris ear, and 4 others
- 31 A large scollop, a waved cowry, and 3 more
- 32 Two oriental spiral buccina, 2 bull's mouths, and an alatus
- 33 A Barbary muscle, a pecten, and 4 more
- 34 Nine various marbles, *polished*
- 35 Eleven minerals of different kinds
- 36 A singular cavernous crystal, *Hungary*; a pebble crystal, *Bo-*
hemia, and 12 more
- 37 An oriental mocoa, a carnelion, *Falkland's Island*, a fluor, a
granate, and 4 other polished stones
- 38 A group of nummular spars, 4 other minerals, and a gypsum
- 39 Various antediluvian shells, and nummi diaboli, from *France*
- 40 Sixteen various minerals, &c.
- 41 The spider's web, the flea-bitten, the flambeau, and 4 other
volutes, 2 olives, 2 figs, and 4 other scarce shells
- 42 Two gold brocades, an oriental pecten covered with sponge,
and 3 more
- 43 Eight fine patellæ
- 44 Two prince of Orange's flags, 2 scarce buccina, and 21 more
- 45 Part of a ship's keel eaten by worms, 2 oriental ears, and
7 others
- 46 Two patellæ, from *New Zealand*, and 12 more
- 47 Two scarce murices, 2 pimple cowries, and 5 others
- 48 Thirty curious small shells
- 49 Two Guinea ears, a crumpled limpet, and 9 more
- 50 Two yellow tygers, 2 camp olives, and 4 more
- 51 Twenty-two beautiful cowries and olives
- 52 Two Virginian chambered patellæ, 2 peacock alatæ, and
5 others
- 53 The checquered ear, from *New Zealand*, 2 Havannah land
snails, 2 zigzag powters, a rare tellen, and 3 other curi-
ous shells
- 54 Two moors, a pine apple, 2 knobbed scoops, and 16 more
- 55 A scarce tellen, from *Florida*, a painted cockle, 2 painted
powters, and 5 more
- 56 A very large group of various minerals, from *Derbyshire*
- 57 Part of the outer twirl of a very large ammonites
- 58 Another, *larger*
- 59 A transverse fragment of a large ammonites
- 60 An ammonites of the same kind, much smaller, but complete
- 61 Two fine large conchs
- 62 A fine large specimen of the purple fluor, of which vases and
other ornaments are made in *Derbyshire*

- 63 A very rare coralloid, from *Derbyshire*; and a large mass of anomia, corals, and other marine remains, from *Worcestershire*
- 64 A nautilus, from *Wilts*; an ammonites, *Bath*; and part of a petrified bone of some large animal
- 65 A purple Venus's fan, and a ditto sea feather
- 66 A large and fine millepora coral, with adhesions of shells, from the *West Indies*
- 67 An oriental and an occidental helmet
- 68 A fine West India trumpet, and 2 large oriental purpuræ
- 69 An ammonites with its impression, from *Whitby*; a fish in slate, *Papenheim*; a section of a cornu ammonis, *Wilts*; a rare anomia, *Derbyshire*; and part of a stella marina, in chalk, *Kent*
- 70 Eight various fossils
- 71 Two fine antediluvian shells, from *France*; a pediculus, from *Dudley*; several ditto imbedded in lime-stone, *Wales*; a rare echinus cordatus, *Surry*; and 2 teeth in slate, *Stunsfield*
- 72 Three curious marbles, and a singular stalactites, polished, from *Italy*
- 73 Thirteen various ores and minerals
- 74 A pediculus in fuller's earth, rare; a large belemnites, *Oxfordshire*; a cray-fish, *Sheepey*; and 2 more
- 75 A fine specimen of the harlequin marble, from *Kent*
- 76 Twenty-three beautiful mocha stones, polished
- 77 Twelve various minerals
- 78 Various echini and spines of ditto, and a soldier crab in its shell
- 79 Two rare white cowries, and 14 other curious shells
- 80 A thorny toad, a fine cinder purpura, and 4 more
- 81 Eighteen small shells, various
- 82 Two large radiated mask limpets, from *Falkland Island*; 2 false Guinea admirals, and 4 more
- 83 Two long-tailed mainsails, a lyon rampant, and 4 others
- 84 A fine garnet limpet, a rare magelhanic cockle, and 3 more
- 85 Sixteen curious shells
- 86 A variety of antediluvian shells (some with their native colours finely preserved) and corals, from *France*
- 87 Two girdle volutes, one with its singular epidermis, a scarce oriental buccinum, 2 ditto olives, and 2 more
- 88 A group of various minerals, from *Derbyshire*, and a large piece of bacon spar, *Staffordshire*
- 89 A large clamp
- 90 A very extraordinary group of pine cones on one stalk, 30 in number

- 91 A fine specimen of the Durham coralloid marble
- 92 Two very fine madrepores, one with adhesions of tulip balani
- 93 A very large group of cauk balls and spar, frosted with mundic, *Staffordshire*
- 94 A fine polished slab, part of a large mass of turbinated shells, corals, and other marine remains
- 95 An exceeding fine specimen of the great oriental green snail
- 96 A large amethystine fluor, from *Derbyshire*, polished
- 97 A brilliant group of cubic fluors, crystallized black zinc ore, and spars, from the same county
- 98 Part of a large hollow nodule with an agate crust, the inside lined with amethysts, from the *Palatinate*
- 99 A fine group of stalagmitæ, or moss spars, on lime-stone, from *Derbyshire*
- 100 A large African melon and a helmet
- 101 An ammonites imbedded in stone, *Bath*; a pecten, ditto, and a large and fine echinus clypeatus, *Gloucestershire*
- 102 Two very singular specimens of cauk, from *Derbyshire*, highly polished
- 103 A group of crystals of a singular complexion, black lead from *Cumberland*, and 2 other minerals
- 104 A fine African melon
- 105 A group of balani, and an echinus ovarius, with part of its spines
- 106 A fine knotted American fig
- 107 A very large wild music, and a fine silk brocade
- 108 A rare buccinum, from the *Straits of Magelhanes*, and 2 fine large banded cowries from the *Isle of Providence*
- 109 A large and fine purple spondylus, from *Cyprus*
- 110 Two thorny woodcocks, of a rare species
- 111 A scarce umbilicated snail, from *New Zealand*, and a fine zebra trochus, from *New Holland*
- 112 An exceeding fine zebra land-snail, from the *Cape of Good Hope*
- 113 A beautiful spotted melon, from *China*
- 114 The great oriental crane, very rare
- 115 A peacock helmet, and a large yellow tyger, both fine
- 116 A fine hebraica, *New Holland*, a black tyger, and a camp olive
- 117 The shagreen periwinkle, from *New Zealand*, very rare
- 118 Two oriental pulley buccina, 2 beads, 2 Midas's ear snails, and 8 other rarities
- 119 A large and fine Iris ear, from *New Zealand*, uncoated
- 120 A fine trochus from the *Red Sea*, and 2 large leopard cowries
- 121 A clamp, a muscle from *Barbary*, and a snake
- 122 The rayed shield patella, from *New Zealand*; a beautiful young

young zebra trochus, from *New Holland*; a banded helix,
a small chambered nautilus, *uncoated*, 2 tuns, and 3 more,
all fine and rare

123 A fine compass pecten, from *China*

124 A rare brown olive, and 9 more

125 A scarce brocade, a rare banded snail, and 6 more

Thirteenth Day's Sale, *Monday, April 19.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 A Box of minerals and petrefactions
- 2 Ditto
- 3 A trumpet and a large scollop
- 4 A clouded buccinum, 2 Surinam toads, and 6 more
- 5 A large ear, from the *Cape of Good Hope*, and a brown deep pecten
- 6 Two banded cowries, 2 camp olives and 6 more
- 7 A very large West India fig, and an American knobbed fig
- 8 Two Mediterranean tuns, and 3 more
- 9 A garnet limpet, 2 pied hoofs, and 6 more
- 10 Two West India figs, a triangular wilk, and 3 others
- 11 A scarce volute, 2 purple mouth alatae, an ear, and 4 more
- 12 A Virginia muscle, 2 screws, and 4 more
- 13 Two Iris ears, a brindled snake, and two fine volutes
- 14 Five various minerals
- 15 Sundry iron ores, labelled
- 16 Ditto
- 17 Thirteen spars, crystals, lead ores, &c.
- 18 Three fine groups of minerals, *Derbyshire*, and a large pebble crystal
- 19 Three fine marbles
- 20 Chrystallized tin ore, *Cornwall*; 2 curious lead ores, and 4 more
- 21 Rich solid iron ore, *Bristol*; lead ore with curious zinc, &c. *Derbyshire*, and 5 more
- 22 A large cavernous group of spars, fluors, &c. *Derbyshire*
- 23 A fine yellow Venus's fan
- 24 A large and fine pinna marina, from *Sicily*
- 25 A very large astroites chrystallized, from *Derbyshire*
- 26 Two fine conchs
- 27 A fine slab of the harlequin marble, from *Kent*, polished
- 28 Half of a large septarium, from *Sheepey Island*, polished

29 A

- 29 A large specimen of the *Derbyshire* entrochi marble, *polished*
- 30 A curious astroites coralloid, from *Germany*
- 31 A specimen of a curious astroites, very large of the kind, from the *West Indies*, *rare*
- 32 Black marble, *Derbyshire*; a serpentine stone, *Scotland*; and 2 other marbles
- 33 Two ammonitæ, an oyster, and a pecten, *Oxfordshire*; a large shark's tooth, *Sheepey*; and 4 other petrefactions
- 34 Seventeen jaspers, agates and pebbles, *polished*
- 35 A group of cubic fluors with roses of crytallized blend, another of amethystine cubic fluors, and one more, *Derbyshire*; and a rich copper ore
- 36 Part of an echinus mammillaris, in chalk; another with several of its spine; an echinus pileatus, in flint, all from *Kent*; a fine crab, *Sheepey*, and 2 more
- 37 Six various marbles
- 38 A concha veneris, a Dutch bonnet, 2 Iris snails, and 9 more
- 39 An Iris ear, a painted cockle, 2 beech wood volutes, 2 pied fluted hoofs, and 5 others
- 40 The beauty, the Medusa's head, and 6 other patellæ, and 2 ears
- 41 Two of the least oriental harp, a prince of Orange's flag, 2 yellow mouth alatae, and 14 others
- 42 Three volutes, viz. a zebra, a lesser silk brocade, and a spectre
- 43 Two muscle limpets, 4 of the lesser argus cowry, and 18 other rarities
- 44 Two oysters with adhesions of vermiculi, a large ship worm, a group of ditto in part of a ship's keel into which they have eaten, 3 curled worms, a group of ridged worms, 4 dentalia, 2 litui, and 2 more
- 45 Twenty-one curious small shells
- 46 A round circularly furrowed cockle, a Barbary muscle, and 4 more
- 47 A tellen, from *Florida*; a fine dolphin, a scarce reverse helix, a group of 3 oysters and vermiculi, and 5 more
- 48 Thirteen shells, *various*
- 49 A French horn, a rare cream-coloured thick oriental cockle, a flea-bitten, and 6 more
- 50 An oriental ribband snail, 2 telescopes, 2 pink alatae, and 2 more
- 51 A scarce oriental coral
- 52 Another, *very fine*
- 53 A large and fine group of cubic fluors saturated with minute marcasites with singular lead ore and spars intermixed and on the surface, from *Derbyshire*
- 54 Two singular stalactitæ, and a group of other spars
- 55 Two large slabs of rare oriental porphyry

- 56 A fine occidental helmet
- 57 A group of amethystine fluors, *Durham* ; and ditto of spars and blend, *Wales*
- 58 A fine ostrich's egg
- 59 An exceeding fine specimen of crystalized native vitriol, from *Hungary*
- 60 A fine purple Venus's fan, an agaric coral, and 2 astroites on their native rock, from the *West Indies*
- 61 A fine millepora coral with adhesions of shells, from *ditto*
- 62 Three fine groups of spars, &c. *Derbyshire*
- 63 A figured lead ore with cubic fluors and marcasites intermixed, a fine group of topaz cubic fluors, and one more ; same county
- 64 A fine chambered nautilus, *Sheeppy* ; and a mass of fragments of encrini, from *Derbyshire*
- 65 A scarce astroites, from the *East-Indies*, and a fine millepora from *St. Kitt's*
- 66 Part of a curious ammonites, with ramified chambers, from *Wilt's*
- 67 A large devil's claw
- 68 A very fine chambered nautilites, from *Wilt's* ; and a large tooth, similar to those of the alligator, in slate, from *Stonsfield*, in *Oxfordshire*
- 69 A fine madrepora oculata, and a ditto pipe coral
- 70 White plated cauk balls, minute cubic fluors, and grain marcasites in the cavity of a piece of copper ore, from *Staffordshire* ; brilliant 24-sided spars, on a group of cubic fluors, and a fine crystalized zinc ore, all from *Derbyshire*
- 71 A singular dendrites, *Papenheim* ; and a fine stella septarium, *Sheeppy*
- 72 A fine slab of the brown Oeland marble, with several orthoceratites imbedded therein, *very rare*
- 73 A fine group of topaz coloured 12-sided spars, *rare*, *Derbyshire* ; a beautiful group of white cubic fluors, a spar ditto, and a crystal with marcasites, *Cornwall*
- 74 Fine crystals of lead having 14 sides, with crystals and iron ochre intermixed on an iron stone, *Durham* ; a group of cubic fluors, lead ore, cockscomb marcasites and complete 12-sided spars, *Derbyshire* ; a fine group of double-pointed spars, *ditto* ; and green efflorescence of copper with yellow iron ochre, *Voigtland*
- 75 A serpentine stone, *Malacca* ; and 2 pebbles, *polished*
- 76 A group of large 24-sided spars and cubic fluors, and 3 other curious fossils
- 77 A fine red jasper, an Egyptian pebble, appearing as if composed artificially, by joining two different specimens together,

ther, but is naturally so, and 2 fine oriental agates, *all polished*

- 78 A group of beautiful amethysts, from the *Palatinate*; ditto of lead ore and marcasites, and another of white cubic fluors, *Derbyshire*; and one of crystal spar, &c. which, by an impression in the base, appears to have been formed on a cubic fluor, *Durham*
- 79 An assemblage of 6-sided spars, and 3 other groups of minerals, *Derbyshire*; and a selenites, *Oxfordshire*
- 80 A sea-devil, and another curious fish

Artificial Curiosities from the new discovered Islands in the South Seas.

- 81 A piece of fine white cloth made of the inner bark of a tree, from *Otaheite*
- 82 Another variety of the same kind of cloth, from *ditto*
- 83 Ditto
- 84 Ditto
- 85 A piece of a similar kind of cloth, glazed, from *New Amst.*
- 86 Ditto, *different*
- 87 A cloak wove by hand, made of fine filky flax, *N. Zealand*
- 88 A mat, from *New Amsterdam*
- 89 Another, with a fringed border, from *ditto*
- 90 Another, made of fine plantain leaves, from *ditto*
- 91 A grass apron, worn by the dancing girls of *Otaheite*, and a matted belt; *New Zealand*
- 92 A belt made of the fibres of the cocoa nut, from *Anamokka*
- 93 A curious meat safe, from *New Amsterdam*
- 94 A bow and four arrows, from *Otaheite*
- 95 A club, from *New Amsterdam*
- 96 A variety of plaited and other cordage, from the various islands
- 97 A stone mallet, *Otaheite*; and a wooden ditto, *New Amst.*
- 98 A head-dress made of cordage, from *Tanna Island*
- 99 A hatchet or adze, headed with stone, *Otaheite*
- 100 Two stools used as pillows, from *ditto*, and *New Amst.*

Curious S H E L L S.

- 101 A fine large oriental chambered nautilus
- 102 Two of the greater oriental snakes, and a large smooth European wilk
- 103 The great oriental swallow pearl shell, and a rare pinna
- 104 A yellow devil of the first magnitude, from *New Caledonia*
- 105 A large and fine mole cowry, *rare*
- 106 Two

- 106 Two small poached eggs, a fly spot, a very young bull's mouth, a cat's tongue, and 4 more
- 107 A group of spondyli and oysters on a piece of coral, from the *East Indies*
- 108 A fine purple spondylus, from *Alexandria*; and 2 rare spotted buccina, from the *East Indies*
- 109 A large and fine spider shell, from *Madagascar*
- 110 A scarce muricated periwinkle, a pink harp, a waved melon, and 6 others
- 111 An oriental peñen, 2 telescopes, 2 gold mouths, and 3 more
- 112 A rare volute, a zebra ditto, a clamp, 2 helmets, and a harp
- 113 A large oriental tellen, and the horn oyster, *both very rare*
- 114 An imperial crown, and 2 bishop's mitres
- 115 A shoulder of mutton alatus, and a fine Iris ear
- 116 Two marbled volutes, *New Caledonia*; a limpet, *New Amsterdam*; an anomia striata, *Falkland's Isle*; and 9 other rare shells
- 117 An oriental volute, and 2 fine cinder purpura, *rare*
- 118 An oriental long terrestrial snail, a ditto reverse, and a fine pink harp, from the coast of *Guinea*, *all very scarce*
- 119 A fine group of purple and yellow furbelowed oysters, from the *West Indies*
- 120 The false high admiral, 2 prince of Orange's flags, 2 fine olives, and 4 more
- 121 A large flea bitten, an Otaheitian cowry, a grimace, and 8 more

Fourteenth Day's Sale, *Tuesday, April 20.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 A Box containing a great variety of small shells
- 2 Ditto
- 3 Two fine conchs
- 4 A fine West India coral
- 5 A book of sea weeds
- 6 A large slab of the Derbyshire entrochi marble
- 7 A box of minerals and petrefactions
- 8 Ditto

9 A box

- 9 A box containing a variety of shells
- 10 Ditto
- 11 Seven various ores and minerals
- 12 Six ditto
- 13 Nine ditto
- 14 A piece of bacon spar, *Staffordshire*; a septarium, *Scotland*; and 5 more
- 15 Two cowries, a red tulip tellen, 2 ribband snails, and 4 more
- 16 A spotted tun, a yellow tulip tellen, 2 agate volutes, and 3 others
- 17 A devil's claw, and a clouded buccinum
- 18 A cockle, from *Falkland Island*, an Iris ear, and a trumpet
- 19 A scarce oriental buccinum, a zebra trochus, and 4 more
- 20 Two purple mouth alatae, a scarce furbelowed trochus, and a grimace
- 21 Crystals on iron-stone, *Bristol*; stalactites, *Scotland*; and 7 more
- 22 A plated fluor with crystals and marcasites, from the *Hartz*; a stalactites formed on an iron wire, and 5 more
- 23 A group of complete crystals in yellow cauk, *Staffordshire*; a stella septarium, and 8 more
- 24 Seven curious fossils
- 25 A mass of turbinated shells, *Vienna*; a group of worms in wood, *Sheepey*; a coralloid, *Derbyshire*; and 2 more
- 26 A large buccinum, *Hordwell Cliffs*; and 2 fine coralloids
- 27 Impression of a fish in black slate, *Isleben*; a group of entrochi, *Derbyshire*; and a fine echinus galeatus, *Kent*
- 28 Various striped pebbles and rough carnelians
- 29 Two snakes, two cowries, and two magpies
- 30 A large bear's paw
- 31 Nine shells, *various*
- 32 Twelve ditto
- 33 An oyster, from *Shotover-Hill*, near *Oxford*; 2 teeth of fish in slate, *Stonsfield*; an ammonites, *Whitby*; an impression of another, from *ditto*, and 5 other petrefactions
- 34 A slab of the Grecian verd, and 3 other Italian marbles, *polished*
- 35 A flat mass of crystal, which, by the figure thereof, appears to have been formed on a group of cubic fluors, 2 other groups of minerals, *Derbyshire*; and a fine mundic, with plated cauk balls and spar, *Staffordshire*
- 36 A slab formed from a mass of cubic fluors, another from an amethystine ditto; a jaspachates, and 4 other polished stones
- 37 A geodes, from *Northamptonshire*; Hammites, *Bath*; a blue mundic, and 6 more
- 38 An elegant section of a small *Sheepy* nautilus, finely exhibiting the concamerations (some of which are filled with spar, others

others nearly empty) and the siphunculus, which is filled with pyrites; a crab, from *China*; an echinus mamillaris, *Wilts*; and part of another in chalk, *Kent*

- 39 Nine curious fossils
- 40 An ammonites, *Wilts*; a polished slab formed from another, from *Vienna*; a specimen of jaspified wood, *Coberg*, and a large shark's tooth, *Malta*
- 41 Two Mediterranean limpets, 2 triangular wilks, and 5 more
- 42 Seven limpets and 2 ears
- 43 A clamp, a West-India margaritifera, 2 mulberries, and 4 more
- 44 A fine gold brocade, a scarce black trochus, 2 musics, and 4 others
- 45 Two flea-bitten and 2 other volutes, 2 pied hoofs, and 7 more
- 46 Seventeen curious small shells
- 47 A harp, two wasps, and 13 more
- 48 Two fallow deer, 2 figs, a vermiculus, and 6 others
- 49 A fine compass pecten
- 50 Two scarce olives, a rare volute, an admiral, and 5 more
- 51 A pecten, from *Alexandria*; 3 other curious bivalves, and 2 limpets
- 52 A pecten with barnacles, &c. on it, a rare cockle, and 7 others
- 53 Thirteen various shells
- 54 A French horn, 2 notched snails, 2 ear snails, and 10 more
- 55 A rare keratophyton, and a sea-feather ditto
- 56 A large and fine millepora alvicornis, with adhesions of sponges, corallines, &c. from the *West Indies*
- 57 A curious astroites, from *ditto*
- 58 A fine brain stone, from *ditto*
- 59 A large and fine oriental trumpet
- 60 A very fine specimen of May-blossom coral, from the *Mediterranean*
- 61 A pinna marina, from *ditto*
- 62 A large group of marcasites, &c. from *Staffordshire*
- 63 The great oriental spider shell, *very rare*
- 64 A capital group of cubic fluors, &c. fronted with grey 12-sided spars, from *Derbyshire*
- 65 A rare coralloid, with very large stars, from the same county
- 66 A large and fine slab of black marble, with white anomiae imbedded therein, from *Kilkenny*, *polished*
- 67 A most curious impression of the bark of a tree of the pine kind, in sand-stone, *rarissime*
- 68 A rare species of the oriental muricated coral
- 69 The great oriental green and pearly snail, *finely carved and polished*

- 70 A fine astroites from *Derbyshire*, and a rare branched ditto,
Italy
- 71 Double pointed large and small topaz spars, and wedge
marcasites on a mass of cubic fluors, *Derbyshire*; and
large cauk balls and purple cubic fluors intermixed,
ditto
- 72 A mine stone containing lead ore, the surface sprinkled with
fine white broad pointed 24-sided spars, lying in all
positions, some of them with two ends, from *Derbyshire*
- 73 A large and brilliant group of cubic fluors with white sharp
pointed 24-sided spars on the surface, from *Derbyshire*
- 74 A very fine cast of an echinus pentaphyloides, from *Antigua*,
rare
- 75 Beautiful large amethysts in the hollow of an iron stone,
very rare, from *St. Vincent's Rock*, near *Bristol*
- 76 Very fine dendritæ in a lamina of yellow slate, 31 inches in
length, from *Sulentropfen*, near *Papenheim*, *Germany*
- 77 A fine group of red crystals in iron stone, *Bristol*; and one
of spars, blend, &c. *Derbyshire*
- 78 Four curious Italian marbles, *polished*
- 79 A fine slab of harlequin marble, *Kent*, *polished*
- 80 Cockscorn iron ore, or pyrites, a group of cubic fluors
with black glossy zinc ore in grains on the surface,
straw coloured spars on white cubic fluors, and a beau-
tiful group of figured lead ore, marcasites, &c. from
Derbyshire; an asbestos, *Scotland*; and a rich copper
ore
- 81 Chain coral from *Dudley*, a fern in iron stone, and 10 other
petrefactions
- 82 Native copper in quartz, and a group of columnar crystals,
Cornwall; 2 fine cockscorn marcasites, *Derbyshire*; and
5 other fossils
- 83 A pediculus marinus extended, and another rolled up, from
Dudley; a fine crab, *Sheepy*; a scarce echinus cordatus,
Surry; 2 buccina and a snail, *France*; and a fine smooth
pecten in lime stone, from a quarry near *Bath*
- 84 Solid iron ore, from *Lonsier* in *Sudermania*; and 7 more
- 85 A parcel of Egyptian pebbles, mocoas, agates, &c. *many*
of them polished

ANIMALS in SPIRITS.

- 86 Two fine snakes, in 2 bottles
- 87 Ditto, ditto
- 88 Ditto, ditto
- 89 Ditto, and a foetus of a sheep, 3 bottles

- 90 A lizard, a scarce ditto, a foetus of a pig, and a snake,
4 bottles
- 91 The green beaded lizard, another lizard, and a beautiful
snake, 3 bottles
- 92 A toad, a lizard, a snake, and a cashew apple with its nut,
4 bottles
- 93 A fine centipedes, a silver fish, a lizard, and an eel,
4 bottles
- 94 An American fish, and 6 more, in 7 bottles
- 95 A pinna marina, 2 lice of the whale, another large fish's
louse, a curious marine production, flower of the bee
ochris, a hippocampus, and a snake, 7 bottles

CURIOUS SHELLS and CRUSTACEA.

- 96 Two beautiful waved cowries, *Otabeite*; a fine Iris ear,
New Zealand; and 2 large oriental spiral buccina
- 97 A beautiful West India helmet, and a fine zebra trochus
- 98 The great oriental green snail, and a rare clamp
- 99 A knobbed West India fig, an American ditto, and a scarce
alatus
- 100 A fine banded oriental tun, a scarce occidental helmet,
and one more
- 101 The great African volute, *rare*
- 102 An argus, and a map cowry, *both rare*
- 103 A dolphin, 2 helices, a beautiful banded long snail, a New
Zealand bead, 2 of the lesser alphabets, and 2 other
rarities
- 104 A fine echinus ovarius with its spines
- 105 Section of a banded cowry, a fine thorny ox's heart, and
a Surinam land snail
- 106 A fine compass pecten
- 107 A paper nautilus from the *Mediterranean*, *fine and rare*
- 108 A fine purple spondylus from *Cyprus*
- 109 A beautiful pink alatus from the coast of *Guinea*, a me-
lon, 2 silk brocades, and 5 more
- 110 A large Medusa's head limpet, from the coast of *Barbary*;
an oriental pecten enveloped with a curious sponge, and
a round circularly fluted cockle
- 111 The great bellied thorny woodcock, *very rare*
- 112 The purple and white rayed solen, an Iris ear, the painted
ear of the Cape, a scarce muricated trochus, and 2
more
- 113 A pecten with a group of vermiculi on it, *Florida*; 2 West
India ribband snails, 2 oriental dippers, and 4 others
- 114 Two fine and large specimens of the American argus
cowry

- 115 A ducal mantle, *rare*, and 2 large spiral buccina
- 116 A concha anatifera, and various echini, balani, vermiculi, &c.
- 117 Two telescopes, a scarce murex, and 7 more
- 118 A fine brocade, a strawberry cockle, and 2 others
- 119 Twenty-one beautiful shells
- 120 An admiral of the night, 2 fine brocades, 2 uncoated Red Sea trochi, 2 beautiful olives from the *Spanish Main*, and 2 green knobbed West India periwinkles
- 121 A scarce knobbed snail from *China*, an uncommon land snail, 2 bishops mitres, and a fine volute
- 122 A netted cowry, a bronze, 4 other limpets, and 3 more

Fifteenth Day's Sale, *Wednesday, April 21.*

SHELLS, CORALS, FOSSILS, PETREFACTIONS, &c.

LOT

- 1 A Box containing various crystals, lead ores, and other minerals
- 2 Ditto with mundics, spars, &c.
- 3 Ditto of Egyptian pebbles
- 4 Ditto of various large shells
- 5 Iron ore, *Domersfeld, Norway*; ditto with crystals, *Casco Bay, near Boston*; ditto from the *Forest of Dean*; ditto from *Kincardineshire*, and 5 others
- 6 Copper ore with crystals, *Cornwall*; ditto with spar, and a fine marcasite, *Staffordshire*; lead ore, *Durham*; regulus of antimony, and 3 more
- 7 A piped coralloid, *Derbyshire*; a mass of corals and other marine remains, *Dudley*; a pecten, *Bath*; and 1 more
- 8 Copper ore with spar and marcasites, *Staffordshire*; hæmatites iron ore, from *Smakalders in Hesserland*; a calamine, and 4 more
- 9 Nine various minerals
- 10 Four ditto
- 11 A fine echinus cordatus filled with chalk, another filled with flint, and an echinus galeatus from a chalk pit in *Kent*; a muricated buccinum, *Hants*; a nautilus, and 5 other petrefactions
- 12 An oriental pecten overgrown with sponge, 2 murices, a toad, and 6 more
- 13 A fine pecten from *Providence*, and 2 large young cowries

- 14 A pecten from *Florida*, one from *Scotland*, and 5 more
- 15 A scarce patella, 2 ears, 2 oriental bellied olives, 2 alatae, and 6 others
- 16 A great variety of bivalves, &c.
- 17 Two purple mouth alatae, an helmet, and 2 Mediterranean tuns
- 18 Two burnt mouth cowries, a spectre, an oriental banded tun, and 2 more
- 19 A fine marcasite, *Staffordshire*; a group of large double pointed spars, and 2 other fine groups, *Derby*
- 20 A piece of limestone with fragments of encrini (a species of star fish) in and on the surface thereof, *Derbyshire*
- 21 Seven various minerals
- 22 A nautilus and a coralloid, *Derbyshire*; a muscle in stone, and a mass of turbinated shells, *Vienna*; and a large buccinum, *Hordwell Cliffs, Hants*
- 23 Part of a septarium with marcasites, *Sheepy*; a plated fluor, and 3 other groups of minerals, *Derbyshire*
- 24 Purple cubic fluors, and 3 other large and fine groups of minerals, from *Derbyshire*
- 25 Fragments of large bivalve shells in flint, *Surry*; a cray fish, *Sheepy*; and 2 more petrefactions
- 26 A large specimen of the *Derbyshire entrochi* marble
- 27 Two fine bull's mouths, and a large uncoated trochus
- 28 A large and fine millepora alcicornis with curious adhesions, from the *West Indies*
- 29 Ditto, *very fine*
- 30 A capital specimen of petrified wood, part of the trunk of a tree, near two feet in length
- 31 A very large stalagmites and a group of spars, *Derbyshire*
- 32 A curious astroites with fragments of starry fish on it, from the same county
- 33 A very large topaz crystal from *Scotland*
- 34 A curious specimen of the lithostrotion of *Lhwyd*, *very rare*
- 35 A large specimen of limestone, with remains of encrini in and on the surface, from *Derbyshire*
- 36 Two small bishop's mitres, 2 harps, and 3 more
- 37 A variety of echini and spines of ditto, as well petrified as recent, *some of them rare*
- 38 Two fine banded snails, a sugar loaf, a rare pecten from *Alexandria*, another from the coast of *Guinea*, and 4 others
- 39 Two music, a rare volute, 2 oriental olives, and 4 more
- 40 A large Roman lamp, 2 other helices, vermiculi in wood, ditto on a crab, and 3 more

- 41 A fine purple mouth olive, a painted cockle, 2 burnt mouth cowries, and 4 others
- 42 Two Iris snails from *New Zealand*, and 13 more
- 43 A fine compass pecten
- 44 Two fools cap limpets, several buccina (some with their native colours finely preserved) olives, purpuræ, and other antediluvian shells, from *France*
- 45 Thirteen various shells
- 46 Six ditto
- 47 A fine slab of the harlequin marble from *Kent*, polished
- 48 Fine lead ore with white cubic fluors on the surface, very brilliant, 2 singular iron ores, a hammites, a beautiful copper ore, and 3 more
- 49 An ammonites, *Whitby*; a section of another, polished; 2 echini, a club spine of an echinus, a pecten and a vermiculus in chalk, *Kent*; a buccinum, *Sheepy*; 3 pholades, and 3 other petrefactions
- 50 A fine marcasite, *Staffordshire*; a group of crystals, some with spiculæ of iron on them, *Bristol*; 2 other groups, *Derbyshire*; a stalactites, *Scotland*; and a curious selemnites
- 51 Eight beautiful agates, pebbles, &c. polished
- 52 A fish's palate in lime stone, *Bath*; a crab from *China*, ditto and a large shark's tooth, *Sheepy*; a curious anomia, *Derbyshire*; and a singular coral, *Staffordshire*
- 53 A serpentine stone and 5 marbles, polished
- 54 Seven curious fossils
- 55 Thirty three beautiful polished mocoa stones
- 56 Twenty two curious small shells
- 57 Various bivalves and multivalves
- 58 Two bloody mouth alatae, a pecten, and 7 more
- 59 Fifteen various small shells
- 60 Two waved emerald snails, *Van Diemen's Land*; a muscle, *Falkland's Island*; a group of ditto from the *Cape*, a glazed buccinum, and 4 more
- 61 Various petrefactions, and 2 recent echini
- 62 A vice admiral, a tent limpet, a faded music, a thorny toad, and 5 more
- 63 Two French horns, a margaritifera, a partridge tun, and 4 others
- 64 An ear from *Barbary*, ditto from *Guinea*, and 7 patellæ
- 65 Eighteen various shells
- 66 Two fine conchs, from the *West Indies*
- 67 A fine large ammonites, from a chalk pit in *Surry*
- 68 A keratophyton with several fungitæ on their native rock, and a fine honeycomb sponge
- 69 A beautiful astroites, and a coralline formed on the back of a large mother o'pearl shell, from the *East Indies*
- 70 Two

- 70 Two stalactites, and 2 other curious spars
- 71 A fine large group of crystals with plated fluors, curious iron spars and marcasites, from the *Hartz*
- 72 A fine group of cauk balls (which appears to have been naturally cracked, and the interstices since filled up with spar) the surface finely frosted over with grain marcasites, from *Staffordshire*; and a fine mass of red plated fluors on grey cauk, with minute amethystine cubic fluors and marcasites on the surface, *Derbyshire*
- 73 Two curious sponges
- 74 A large chalcedony with a crystalized crust, and a singular porphyry, *both polished*
- 75 Two curious madrepores
- 76 A fine group of figured lead ore, cubic fluors, and cock-pyritæ, from *Derbyshire*
- 77 A large group of sole oysters in sponge, from the *East Indies*
- 78 An African melon
- 79 A fine specimen of an extreme rare muricated coral, from the *East Indies*
- 80 A large piece of silver ore with a crystalized cavity, in which is some fine white native hair silver, from *Saxony*
- 81 A fine mass of turbinated and other shells in chert, from *France*
- 82 A large slab of beautiful agate with its counterpart, *both polished*, from the *Palatinate*
- 83 A rare species of the madrepora agaracites, from the *West Indies*
- 84 A fish in slate, from *Papenheim*; a fine crab, *Sheepy*; and a rare kind of cockscomb oyster, from *Germany*
- 85 A fine brainstone, a fungus on its rock, and a millepora
- 86 A marcasite beautifully coloured, *Staffordshire*; a curious hæmatites iron ore, *Germany*; and a fine group of 24-sided spars on lime stone, from *Derbyshire*
- 87 An iron stone nodule split in two, having on each side fine impressions of ferns, frosted with marcasites, from *Colnbrook Dale, Shropshire*; and part of a large chambered nautilus with its pearly shell finely preserved, from *Sheepy Island*
- 88 A group of crystals impregnated with iron ore and spars, and ocre in the base, *Derbyshire*; a double pointed spar with marcasites in the inside, *Staffordshire*; a fine crystalized nodule on flint, *France*, and a spar, *Bath*
- 89 A fine specimen of jaspified wood, *with a large knot in it, very rare*, from *Coberg*; and a branched flint-nodule, with fragments of an echinus mamillaris and its spines, from *Kent*
- 90 A brilliant specimen of plated fluors frosted with crystals and marcasites, from the *Hartz*; a group of spars with inter-

internal marcasites, *Staffordshire*; and a singularly figured pyrites

- 91 Two polished fluors from *Durham*, and a ditto chalcedony with a crystalized crust, *Germany*
- 92 A group of opaque yellow cubic fluors, *very rare, Derbyshire*; and a curious group of crystals and marcasites, *Cornwall*
- 93 A fine ostrich's egg

Curious S H E L L S, &c.

- 104 A devil's claw, with the claws not perfectly formed, from *Madagascar*
- 105 The long knobbed or greater oriental helmet in a young state, and a fine oriental tun
- 106 A variety of the swifts breeches, *very rare*
- 107 A large and fine West India ribband snail, a ditto garnet limpet, 2 bezoar helmets, a singular leopard cowry, and a yellow tyger
- 108 A rare white murex, and a scarce variety of the zebra trochus
- 109 A fine section of the Ethiopian crown, *rare*
- 110 A large fool's cap cockle, having its epidermis, *exceeding fine*
- 111 A tun from *Sicily*; and a fine large Iris ear, *New Zealand*
- 112 A fine specimen of the flea bitten, and 2 bastard flambeau volutes, 2 beautiful olives, from the *Spanish Main*, 2 gondolas, and 2 more
- 113 A painted cockle, 2 moors, a purple mouth and another zebra snail, 2 powters, and a pink alatus
- 114 A fine purple spondylus, with a fungus on it, from the *Mediterranean*

- 15 Two black tygers, a fine orange pecten, a ditto bronze limpet, and 2 scarce alatae
- 116 A large and fine buccinum, from *Sicily*, *very rare*
- 117 A harp, a spotted tun, and a New Zealand periwinkle curiously dissected
- 118 A group of two oriental spondyli, a fine painted cockle, and a beautiful yellow egg cockle
- 119 An exceeding fine map cowry, and the large Guinea cowry, *both rare*
- 120 A rare spider, an echinus, a chesnut murex, and 5 more
- 121 Two crowned figs, 2 duck's feet, 2 of the lesser papal crown, 2 banded frogs, and 5 others no less curious
- 122 Two cockchafers, 2 waved midas's ear snails, a carrier, 2 European ventletraps, and 7 more equally rare
- 123 A Prince of Orange's flag, 2 thorny woodcocks, 2 Iris snails, and a cinder shell, *all fine*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box containing a variety of ores, minerals and petrefactions
- 2 Ditto
- 3 Two fine conchs
- 4 A variety of shells
- 5 Ditto
- 6 Two ears, 4 cowries, and 3 more
- 7 An echinus galeatus, in flint, a cast of another, a fine echinus cordatus, and a pecten, all from *Kent*; part of a large alatus, from *Hordwell Cliffs*, a cray fish, and 2 more
- 8 A fine helmet, and a trumpet
- 9 Five fine groups of minerals, an American iron ore, and a Cornish crystal
- 10 A large pecten, 2 spiral buccina, and 3 more
- 11 A slab of the Derbyshire entrochi marble
- 12 A large mundic, a ludus helmontii, a hollow crystalized pebble, and a singular group of crystals
- 13 Natural black glass from a volcano in *New Zealand*, iron ore, *Lonsfiet in Sudermania*, and 9 others
- 14 Ten various marbles

15 An

- 15 An ammonites, cut in two and polished with its impression from *Whitby*; 2 pectens, and a belemnites imbedded in chalk, another fine pecten, and a Sheepy crab
- 16 A septarium, from *Tynemouth*, fine red crystals, *Bristol*, and 5 more
- 17 A fine group of crystals with lead ore, *Durham*; ditto with marcasites, from the *Hartz*; antimony ore, *Cornwall*, and 2 more
- 18 Four fine groups of minerals, from *Staffordshire* and *Derbyshire*
- 19 A great variety of agates, pebbles, mocoas, carnelians, onyxes, &c. most of them polished
- 20 A painted cockle, 2 flea bitten volutes, 2 pied fluted hoofs, a chambered limpet, and 3 other rarities
- 21 Three scarce echini ovarii, an echinus mamillaris, and various other echini, several large purple and other spines of ditto
- 22 Nine fine shells
- 23 A section of a scarce dipper, 4 olives, 2 strawberries, and 8 more
- 24 Two beads, a scarce muricated periwinkle, a white gondola, 2 fleece buccina, and 5 others
- 25 A conic bronze limpet, from the *Streights of Magelhanes*; 2 beauty ditto, from the *Cape of Good Hope*; the white duck's bill, *New Holland*; the brown and white starred shield, *New Amsterdam*; and a chambered limpet, *Virginia*
- 26 A medusas head limpet, *Barbary*; 2 small poached eggs, 2 beautiful olives, and 8 others
- 27 Two musics, a West India margaritifera, and 7 more
- 28 A great variety of opercula, or doors of snails, buccina, and other univalve shells
- 29 Two oriental ribband snails, and 7 more
- 30 A very large and fine comb keratophyton, rare
- 31 A singular specimen of the millepora alcicornis, from the *West Indies*
- 32 Another variety of ditto, from ditto
- 33 A fine madrepora agaracites, from ditto
- 34 A curious land tortoise, from *North America*
- 35 A fine branched sponge, from the *Gulph of Florida*, and a yellow Venus's fan
- 36 A large bear's paw cockle, from the *East Indies*
- 37 A capital group of cubic fluors with lead ore intermixed, the surface sprinkled with grey 12-sided spars, from *Derbyshire*
- 38 The long knobbed oriental helmet
- 39 Two fine West India corals

- 40 A group of crystals sprinkled with brown iron spar and marcasites, and a mass of rare plaited fluors with marcasites on the surface, both from the *Hartz*
- 41 A fine madrepora danæ cornis, from the *East Indies*
- 42 A fine specimen of red coral in its native state on a piece of rock, from the Coast of *Sicily*
- 43 A group of large crystals of the short kind
- 44 A fine specimen of wire sponge
- 45 A group of large pointed spars, covered with another kind of spars, from an old iron mine long since neglected to be worked, *Staffordshire*
- 46 An exceeding fine impression of a fish, the scales gilded with pyrites, in black slate, from *Isleben in Germany*
- 47 A very large and fine chalcedony, with a crystalized crust, from *Germany, polished*
- 48 A large group of white cubic fluors, lead ore in large figures or crystals and marcasites, from *Derbyshire*
- 49 A fine slab of the harlequin marble, *Kent*
- 50 A large group of cubic fluors, having a great number of clear straw coloured double pointed spars of 18 sides on the surface, from *Derbyshire*
- 51 A fine manganese crystalized in needles, from the *Island Elbe*
- 52 A curious vermiculus on an echinus galeatus, from a chalk pit in *Kent*; and a very uncommon echinites, from *Baden Durlach*
- 53 A very curious septarium, composed of an iron stone, with crystal septæ, from the *Bishoprick of Durham*, slit and polished, and forms a most pleasing specimen, not unaptly resembling the plan of a town
- 54 A fine slab of the pietra ruinata, or ruin slate, from *Florence*
- 55 A beautiful small brainstone, and a group of sole oysters in sponge
- 56 A camp olive, 2 fallow deer, 2 nutmegs, and 4 more
- 57 Thirteen various shells
- 58 Nine ditto
- 59 Part of a pediculus marinus in stone, *Dudley*; a spider, and the back of another crab, *Sheepy*; gills of a fish, ditto; a spined pecten, and 4 other petrefactions in chalk, *Kent*
- 60 Two netted cowries, a small purple spondylus, 2 patellæ, and 4 more
- 61 A scarce patella, an oriental cockle, and 6 others
- 62 A scarlet admiral, a gold brocade, a radiated mask, a false Guinea admiral, a young leopard cowry, and 4 more, all fine

- 63 Thirty-one beautiful antediluvian shells, &c. some with their native colours finely preserved, from *France*
- 64 Two toads, 2 screws, 2 young cowries, 2 African bird's egg ditto, 2 telescopes, and 4 more
- 65 A large octogon slab of the serpentine stone, from *Scotland*; and 4 various marbles
- 66 Fifty-two polished oriental mocoas and carnelions
- 67 Eight beautiful minerals, from *Derbyshire* and *Staffordshire*
- 68 A fine mass of small anomia, corals, &c. from *Dudley*; a small nautilus, with its pearly shell, a pyritical nautilites, and 2 crabs, *Sheepy*; impression of a pediculus in fuller's earth, 2 echini ovarii in chalk, and 2 more
- 69 A singular micaceous stone, an amber spar, and 6 other fossils
- 70 An uncommon plated fluor, *Derbyshire*; 2 beautiful marcasites, *Staffordshire*; a group of red crystals, *Bristol*; lead ore, *Durham*; and asbestos, *Scotland*
- 71 A cockscomb pyrites, a ditto marcasite, a looking glass lead ore, and 2 more, *Derbyshire*; fibrose white lead ore, *Scotland*, and 1 more
- 72 A rare smaragdine quartz, an Egyptian pebble, an oriental mocoa, and 2 other stones, *polished*

Rarities from the New discovered Islands in the South Seas.

- 73 A piece of Otaheite cloth, made of the inner bark of a tree, from its use called the cloth tree
- 74 Ditto, *different*
- 75 Ditto
- 76 A piece of the similar kind of cloth, made by the natives of *New Amsterdam*
- 77 Ditto
- 78 A curious basket made of the fibres of a plant and ornamented with shell beads, from *Anamokka*
- 79 Another, from *New Amsterdam*
- 80 A bowl made of an uncommon large cocoa nut, hung in a sling made of plaited cordage, from *ditto*
- 81 A war club, from *ditto*
- 82 A basket made of a sort of cane dyed black, and ornamented with singular figures formed with neat plaited cordage, from *Anamokka*
- 83 Another from the same Island, *differently figured*
- 84 A walking staff and a singular paddle from *Tanna*
- 85 A bow and arrow from *Terra del Fuego*
- 86 A lance from *New Zealand*

- 87 A lance from *New Amsterdam*
 88 Ditto
 89 A New Zealand cloak
 90 A comb from *New Amsterdam*, the head of an adze made of a hard green stone, *New Zealand*; an Otaheitean cup made of a cowry shell, and 6 fish hooks
 91 A variety of neatly plaited and twisted cordage from the several islands, and 2 specimens of filky flax from *New Zealand*
 92 A wooden stool from *Otaheite*, used by the natives as a pillow, and another differently shaped, from *New Amsterdam*
 93 A mat with a fringed border, *Anamokka*
 94 A kind of ornament made of long plantain leaves died red, from the same island
 95 A decoy used in fishing at *New Amsterdam*, and a large fish hook made of mother o'pearl, bone and tortoiseshell, from *ditto*
 96 A war club, curiously carved, from *ditto*

Curious S H E L L S, &c.

- 97 A large and fine spotted melon
 98 An uncommon large moor, *very fine*
 99 A chambered nautilus, uncoated and dissected to shew the interior structure
 100 A bull's eye snail of the first magnitude, and a rare green muscle
 101 A leopard cowry, and a large West India argus *ditto*, both uncommonly deformed
 102 A large and fine reverse fig from *Florida*
 103 A blackamoor's lips alatus, a small bishop's mitre, 2 pimple cowries, a pair of chain volutes, 2 rare white African volutes, and 9 others
 104 The purple mouth zebra land snail from *Guinea*, *very fine and rare*
 105 A fine compass pecten
 106 The lesser *ditto*, and 2 fine brunette volutes, *rare*
 107 A green fluted dentalium, a curled and 2 other vermiculi, and three groups of *ditto*
 108 A large dark coloured flea bitten volute, and a scarce micaricated periwinkle, both from the *East Indies*
 109 A grimace, a mainsail, a fine oriental pecten, and a green and pearly periwinkle, *partly uncoated*
 110 A fine purple spondylus, from *Alexandria*
 111 A fine Iris ear, from *New Zealand*, *uncoated*

- 112 Two mottled shield limpets and 2 olives from *ditto*, a waved Midas's ear, and 15 others
- 113 Two netted cowries, *rare*, and 4 more
- 114 *The true yellow tyger volute, extremely rare*
- 115 A small ducal mantle, the hand limpet, 2 pullies, 2 weaver's shuttles, and 7 others
- 116 Two New Zealand beaded periwinkles, a rayed mask patella, *Falkland's Island*; a young specimen of the large African melon, a gondola, and a fine orange pecten
- 117 A young spindle, 2 spiral buccina, 2 scarce black trochi, and 4 other oriental shells, and 2 Iris snails, *New Zealand*
- 118 A fine sea mushroom
- 119 A scarce mitre buccinum, 2 fine volutes, and the bloody mouth periwinkle of the *Mediterranean*
- 120 Nine curious shells, *different*

Seventeenth Day's Sale, *Friday, April 23.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **N**INE large specimens of minerals
- 2 Fifteen ditto
- 3 Various univalve shells
- 4 A West India purpura, a fine clouded buccinum, 2 poached eggs, a devil, and 5 more
- 5 Nine various shells
- 6 A muscle from *Barbary*, and 1 more
- 7 A rare white oriental alatus, and 2 helmets
- 8 A Surinam toad cowry, a fig, and 7 others
- 9 A septarium, *Scotland*; a fine mundic, *Staffordshire*; a fine calamine, and a group of Derbyshire minerals
- 10 Copper ore and amarcasite, *Staffordshire*; and 4 more
- 11 A large and fine group of stalagmitæ, or moss spars, on lime stone, *Derbyshire*; a rough jasper, 2 large flinty ætitæ, an osteocolla, and 1 more
- 12 Nine various iron ores
- 13 Twenty curious shells
- 14 Five patellæ, *different*, an oriental pecten overgrown with sponge, and three more
- 15 The white duck's bill patella and an ear shell, from *New Holland*; a pecten from the *Bay of Lisbon*; the muscle limpet,

- limpet, *Falkland's Island*; the black limpet, *St. Ascension*; the mottled shield ditto, *New Zealand*; and a concha veneris, *Jamaica*, all rare
- 16 A snake, a knobbed water scoop, and 7 more
 - 17 Sundry beautiful corals and corallines
 - 18 Two zigzag cowries, from *Patna*; 2 beech wood volutes, the cream thick cockle, a painted powder, 2 scarce helmets, and 5 more
 - 19 The quaker snail, 2 pimpled and 2 other cowries, 2 of the lesser Iris snails from *New Zealand*, and 5 more
 - 20 Two bloody mouth alatae, and 10 more
 - 21 A solen from *Plymouth*, a pecten, *Scotland*, and 5 others
 - 22 A harp, a music, 2 freckled, a carnelian, and 2 galaxy cowries, and 8 more
 - 23 A small paper nautilus, a scarce pecten, a concha veneris, a cat's tongue, and 8 others
 - 24 A gypsum striatum, a selenites, and 10 other fossils
 - 25 Five curious Italian marbles
 - 26 Two oriental mocoas, a pudding stone, a German agate, and a polished fluor
 - 27 A group of crystals, *Durham*; a copper ore, a fine selenites, and 6 more
 - 28 A crystalized flint, *Kent*; a group of cubic fluors, 2 crystals, and 4 more
 - 29 A pecten, an echinus ovarius, a spine of an echinus mamillaris, a group of cockscorn oysters, a belemnites, an anomia, and 4 other petrefactions
 - 30 A large clamp, from *Madagascar*
 - 31 A fine slab of black marble with white fungus corals imbedded in it, from *Durham*, polished
 - 32 Ditto of the harlequin marble, *Kent*, polished
 - 33 A grotesque group of large double pointed spars, from *Derbyshire*
 - 34 A polished amethystine fluor, from *Derbyshire*; and a large specimen of rich iron ore
 - 35 A fine crystal and iron stone septarium, *Durham*; and a group of large spars saturated and incrustated with marcasites, *Staffordshire*
 - 36 A large and fine specimen of the true oriental onyx
 - 37 A large bone beaten out of the cliffs of the sea, near *Sutton Hall*, the seat of *Thomas Pearson, Esq*; near *Mannington* in *Suffolk*; from *Dr. Woodward's* collection
 - 38 A group of large spars, with spars of another kind formed on their surface, from an old iron mine in *Staffordshire*, and 2 large and fine groups of fluors, &c. *Derbyshire*

- 46 Two emerald snails, *New Zealand*; 2 dippers, a scarce olive, and 8 others
- 47 Two birds egg cowries, 2 mulberries, and 5 more
- 48 Thirteen fine shells
- 49 Fifteen ditto
- 50 Two yellow knobbed oriental figs, and 11 more
- 51 Two harps, a painted ear of the Cape, an uncommon snail, and 5 others
- 52 A variety of pectens of the most beautiful colours
- 53 Two yellow mouth alatae, a music, 2 of the lesser Surinam toad, 2 galaxy cowries, and 6 more
- 54 Complete or detached cubic fluors, from *Buxton* in *Derbyshire*, commonly called Buxton dice, 2 cauk balls from *ditto*, and various marcasites, crystals, &c.
- 55 Five fine Italian marbles
- 56 An iron stone nodule, slit in two, having the top part of the branch of a plant of the pine kind imbedded in it, from *Colnbrook Dale*; a pediculus marinus imbedded in stone, *Dudley*; part of the head of a small fish, *Sheepy*; and 5 fine univalve antediluvian shells, from *France*
- 57 Twelve curious minerals, chiefly from *Derbyshire*
- 58 Lead ore, *Scotland*; a selenites, and 5 more
- 59 Eight various ores and minerals
- 60 Thirty-three beautiful polished oriental mocoa stones
- 61 A Cornish crystal, a marcasite, *Staffordshire*, and a radiated lead ore, and 2 fine groups of spars and fluors, one with blend, *Derbyshire*
- 62 A beautiful specimen of the madrepora digitata, from the *East Indies*
- 63 A very large group of spars, from *Derbyshire*
- 64 A large bear's paw cockle, from the *East Indies*

- 65 A group of cubic fluors with spars, &c. and a large polished amethystine fluor, *Derbyshire*
- 66 A large group of crystals, from *Durham*
- 67 A fine mass of cubic fluor, crystalized black zinc ore, and cockscomb marcasites beautifully intermixed with lead ore in the base, *Derbyshire*; and a group of large spars covered with another kind of spar, *Staffordshire*
- 68 A singular mass of cubic fluors, *Durham*; and a fine stalactites, *Derbyshire*
- 69 A fine madrepora muricata with adhesions of curious coralline, from the *West Indies*
- 70 A crystalized mass with shirl, *Cornwall*; a fine stella septarium, *Sheepy*; and one more
- 71 A fine group of amethystine cubic fluors, frosted with small white crystals, with 14-sided lead ore intermixed, from *Durham*; and a fine group of spars, *Derbyshire*
- 72 A large and fine mushroom coral, from the *East Indies*
- 73 A curious plaited fluor sprinkled with marcasites, from the *Hartz*; and a fine group of amethystine cubic fluors, *Durham*
- 74 An elegant group of cubic fluors, with minute marcasites in the inside, the surface frosted with small white 24-sided spars, *Derbyshire*; and a fine specimen of molybdæna, from *Cumberland*
- 75 A fine piped coralloid in limestone, *Derbyshire*
- 76 Micæ with garnets, from the *Torrymuir, Scotland*; crystals on a fluor, *Cumberland*; a coloured marcasite, *Staffordshire*; and a rare brown stalactites
- 77 A mass of cauk, spar, lead ore and curious iron ore, with singularly formed spars, having a trigonal top on the surface, from an old iron mine, *Staffordshire*; and a fine group of cubic fluors with figured lead ore and marcasites, *Derbyshire*
- 78 A large and fine bubbled or waxen colamine, from a mine near *Castleton* in *Derbyshire*; and a fine group of brilliant 24 sided spars on lime stone, from the same county
- 79 A group of cubic fluors, with plaited iron ore intermixed and *pix montanum*, or mountain pitch on the surface, a very uncommon specimen
- 80 A round slab (cut from part of the branch of a tree) of petrified wood with pyrites in the centre, a fine slab of jaspified wood, from *Coberg*; and a small nautilus, from *Sheepy*
- 81 A fine specimen of ruby silver ore, with lead ore, plaited fluors, and marcasite intermixed on a mine stone, from the *Hartz*
- 82 A beautiful jasper, from *Siberia*, a ditto Egyptian pebble, and a singular pebble, *Hertfordshire*, all polished

- 83 An exceeding fine specimen of green marble with veins of white silky amianth, from the Island of *Anglesey*; a brilliant group of broad pointed 24-sided spars of the first water on a group of cubic fluors with crystalized zinc ore in the base, and a beautiful mass of minute cubic fluors, with small white plaited cauk balls intermixed, from *Derbyshire*, all rare
- 84 Native copper, from *Cornwall*; a group of double pointed 6-sided spars, and a group of cubic fluors with singular cauk balls, and lead ore intermixed, *Derbyshire*; and another uncommon specimen
- 85 A section of a large ammonites, finely exhibiting the con-
camerations, some of which are filled with stone, others open and lined with beautiful spars and crystals, from *France*
- 86 Looking glass lead ore, *Derbyshire*; a group of cubic fluors saturated with minute marcasites, with lead ore intermixed, the surfaces sprinkled with a singular kind of spar, and a group of cockscomb marcasites on lead ore and other minerals, and a fine plaited fluor, &c. from the same county
- 87 Two fine branched starred coralloids in lime stone, *Derbysh.*
- 88 Iron ore, *Forest of Dean*; the pyramidal part of a large yellow spar of a singular shape, and 2 fine groups of spars and fluors, *Derbyshire*

- 2 A young seal, and an allegator
- 3 A shark's jaw, another jaw of a fish, a young alligator, a remora, part of the jaw of a sea lion, a file fish, a small tortoise, and part of the vertebra of a shark
- 4 A rib of a sea cow, a tortoise's skull, 3 fish, a shark's jaw, and a piece of shagreen
- 5 A very large rat, from *North America*; a guana, a pair of stag's horns, a pair of hart's horns, vertebræ of a snake, and sundry others
- 6 A large porcupine fish, the back of a tortoise, ditto of a king crab, 2 fins of sharks, and a saw of a saw fish
- 7 Leg and foot of a large elk, a guana, skull of a large quadruped, part of the back of an alligator, and the tail of a rhinoceros
- 8 A porcupine fish, a tortoise, the back of another, paws of a seal, and a large king crab
- 9 Two fins, the tail, and part of the skin of the back of a large shark, the skull of an uncommon fish, the back of a ray fish, a tortoise, and the saw of a saw-fish
- 10 A shark's jaw, a small porcupine fish, a ditto lantern-fish, a sea devil, a file fish, a young shark, the tail of a dolphin, and 3 more
- 11 A sword of the sword fish, a saw of a saw-fish, socket of the eye, tympanum of the ear, patella of the vertebra, and tail of the whale and a shark's jaw
- 12 Head, feet, and a pinion bone of an albatros, beak of the hydrocorax, and ditto of a pelican
- 13 A large penis ceti

V E G E T A B L E S.

- 14 An uncommon pod, a specimen of the cotton tree, 4 calabashes, *different*, an ear of Indian wheat, ditto of the Guinea maize, and a piece of the mangrove tree

L 2

15 A

- 15 A cocoa nut, displayed, 4 calabashes, an ear of Guinea maize, ditto of Indian wheat, a piece of sugar cane, and part of another uncommon plant
- 16 Singular leaf of a plant naturally shaped like a fan, and (with a little addition of art) used as such by the Chinese
- 17 Another, very large
- 18 Various seeds, nuts, cones, and other parts of vegetables
- 19 Ditto
- 20 Ditto

SHELLS, CORALS, FOSSILS, &c.

- 21 A box of minerals, &c.
- 22 Ditto
- 23 Two fine conchs
- 24 Six curious minerals
- 25 Five ditto, and a specimen of shirl
- 26 An ore of copper, and 5 groups of minerals
- 27 Black crystalized zinc ore with cubic fluors and spar crystals, from *Bristol*, and 4 more
- 28 A scarce patella, 2 other limpets, 2 nutmeg cowries, and 3 more
- 29 A large American fig, and the great African ear shell
- 30 A plough, 2 harps, a large Barbary muscle, and a cowry
- 31 A devil's claw, and a bull's mouth
- 32 Two surinam toads, a scarce ark, 2 trumpets, 2 triangular wilks, and one more
- 33 Two Iris ears, a large bull's eye snail, and 2 purple mouth alatae
- 34 A small clamp, a rayed mask limpet, and 7 others
- 35 A spider, a snake, a trochus, and 6 more
- 36 Black crystalized blend with cubic fluors, and 3 other groups of minerals, *Derbyshire*; a plaited fluor with marcasites, *Hartz*; a tin ore, *Cornwall*, and 2 more
- 37 Four fine Italian marbles, *polished*
- 38 A figured iron ore, 2 lead ores, and 7 more
- 39 Palate of a fish, *Bath*; ditto, and a fishes tooth, *Stonsfield*; an echinus clypeatus, *Gloucestershire*; a rare echinus cordatus, *Surry*; a shark's tooth, *Malta*; 2 *Derbyshire* anomiae, and 3 more
- 40 Fifty-one polished cocoa stones
- 41 Two copper ores with blue efflorescence, from *Staffordshire*; a fine crystalized lead ore, *Durham*; a gypsum striatum, and 4 more
- 42 Fourteen various jaspers, &c. *some polished*

- 43 A scarlet admiral, 4 curious helmets, 2 scarce black trochi,
and 2 wild musics
- 44 A small clamp, a muricated fig, and 6 more
- 45 Two emeralds, and 2 beaded snails, from *New Zealand*;
2 scarce helmets, a rare young cowry, and 2 more
- 46 Two musics, 2 Iris snails, 2 harps, and 7 others
- 47 A lyon rampant, 2 yellow mouth neritæ, from *New Cale-*
donia, and 10 more
- 48 A beautiful painted cockle, a scarce yellow pecten, a com-
mon English muscle, *polished*, 2 scarce land snails, and
3 more
- 49 Two spotted tuns, 2 mulberries, 2 Isabella cowries, and
7 others
- 50 Two echini clypeati, from *Oxfordshire*; 5 recent echini
ovarui, a pancake echinus without holes, another with
5 holes, another with 6 holes, various minute English
echini, and sundry antediluvian and recent spines of
echini
- 51 Two of the lesser tower of Babel, 2 caterpillars, and 9 more
- 52 A large specimen of a rare kind of oriental coral
- 53 A large slab of marble filled with fragments of encrini,
from *Derbyshire*, *polished*
- 54 A West India coral with adhesions of oysters, &c.
- 55 A large group of yellow spars with lead ore, from *Derby-*
shire
- 56 Two large and fine conchs, from the *West Indies*
- 57 Part of a large branch of a tree of the pine kind, *very rare*
- 58 A large and curious septarium, from the shores near *Tyne-*
mouth
- 59 A large grinder tooth of an elephant
- 60 One valve of the great Virginian oyster, and a fine devil's
claw
- 61 A large piece of lime stone with gryphitæ oysters, anomia, *&c.*
pecten and other marine remains imbedded therein,
from *Somersetshire*
- 62 A fine starred branched coral, from *Bahama*, *rare*
- 63 An exceeding fine group of fungitæ, *very rare*, from *Stafford-*
shire
- 64 Half of a crySTALLINE septarium from *Durham*, *polished*, and a
fine group of cockscomb pyritæ, *Derbyshire*
- 65 An exceeding fine group of plated fluors, marcasites, crystals,
lead ore, and brown iron spar, from the *Hartz*; and a
large and fine group of crystalized zinc ore with cubic
fluors, spars, &c. from *Derbyshire*
- 66 A group of large fungitæ coral, with fragments of encrini
in limestone, *Derbyshire*; a curious and rare specimen
- 67 A very large piece of lime stone filled with large and small
fragments of encrini, many of which lye on the surface
almost

- almost detached from the mass, and is a most capital specimen, from *Derbyshire*
- 68 A fine group of plaited cauk balls, spars and copper ore, sprinkled with coloured marcasites, on lime stone, *Staffordshire*; and a group of white cubic fluors with roses of black crystalized zinc ore and marcasites intermixed, frosted with brilliant spars, *Derbyshire*
- 69 A singular group of spars with single amethystine cubic fluors on the surface, a group of dark coloured cubic fluors with a few double pointed spars on the surface, and a group of brilliant spars, &c. all from *Derbysh.*
- 70 A fine specimen of finger coral, and another of the red piped coral
- 71 A curious group of minerals, *Derbyshire*; a manganese, *Devonshire*; and a group of complete red crystals imbedded in cauk, *Staffordshire*
- 72 A rare marcasite on the surface of a group of crystals, a curious group of nummular spars, and a fine Bristol iron ore with complete crystals
- 73 A beautiful group of figured lead ore with amethystine and white cubic fluors and marcasites intermixed on the surface, a group of singular spars, and another of dark purple cubic fluors with a stalagmitical spar on the surface, all from *Derbyshire*, and rare
- 74 Two other rare and fine groups of spars and fluors, &c. from the same county; and a group of amethystine cubic fluors with lead ore, *Durham*
- 75 A fine specimen of brush iron ore, from the *Forest of Dean*; and a curious group of pointed spars covered with another kind of spar, from *Staffordshire*
- 76 *Madrepora muricata* from the *East Indies*, and a fine keratophyton on its native rock, *Sicily*
- 77 Amethysts with an agate crust, from the *Palatinate*; and a slab, part of a group of cubic fluors, from *Derbyshire*, both polished
- 78 A fine ammonites, *Whitby*; a very large anomia with a multarticulate hinge, and a fine nautilus, from *Derbysh.*
- 79 A large oval slab of rare oriental porphyry, and a beautiful Hertfordshire pebble, both polished
- 80 The snail fungus coral from *New Holland*, rare
- 81 Deep purple and yellow cubic fluors, the latter tinged with purple, on a highly phosphorescent gritty stone, from the side of a hill near *Castleton* in *Derbyshire*; and group of short crystals with brown iron spars on the surface, from the *Hartz*
- 82 A large slab of a rare kind of porphyry, from the shores near *Tynemouth*; and a beautiful German agate, both polished

- 83 A group of singular spars and minute cockscomb marcasites, from *Derbyshire*; an uncommon crystallization on a coralloid, *ditto*; and a fine copper ore with beautiful green efflorescence
- 84 Yellow cauk with thread veined lead ore, from *Derbyshire*, polished; green asbestos, from *Sweden*; and a curious hæmatites iron ore on a plaited fluor, *Scotland*
- 85 Crystals impregnated with iron, among a group of spars, on a calcareous stone with yellow ochre in the cavities of the base, *rare*, from *Derbyshire*; an uncommon plated spar, from *Durham*; and a group of cauk balls and spars tinged blue, the surface frosted with coloured marcasites, *Staffordshire*
- 86 A fine sparry incrustation, and two stalactites
- 87 Two European ventletraps, an ear snail, a rare cockle, 2 litui, and 10 others
- 88 The ballustrade periwinkle, *New Zealand*; a scarce tellen, *Florida*; 2 brown admirals, 8 cowries, 2 vermiculi, and 7 more
- 89 A crumpled limpet, a scarce olive, 2 purple cowries, and 9 others
- 90 Two Midas's ear snails, a French horn, 2 helmets, the black pope's crown, and 3 other rare shells
- 91 Five beautiful and rare olives, a devil, 2 scarce helmets, and a rare land snail
- 92 The brown purple mouth powder, 2 scarce oriental black trochi, and 12 more
- 93 Two yellow mouth alatae, 2 painted powders, 2 snakes, and 7 others
- 94 Two carrier trochi, 2 fool's cap limpets, various buccina, some with remains of their original colours, snails, purpuræ, oysters, and other antediluvian shells, from *France*
- 95 Thirteen fine shells
- 96 A beautiful stalactites, and 3 curious marbles, from *Italy*, polished
- 97 An ammonites from *Wilt*; a crab, *Sheepy*; a spined pecten, a belemnites, and an echinus ovarius in chalk, and 3 other petrefactions
- 98 Twenty-one beautiful polished mocoa stones
- 99 A large ditto, and 3 others, polished
- 100 Red crystals on iron stone, *Bristol*; asbestos, *Scotland*; amber spar, and 8 other minerals
- 101 A group of cubic fluors from *Durham*, ditto from *Derbyshire*, a curious stalagmites on lime stone, and a group of marcasites, fluors, and blend, from *ditto*
- 102 A selenites rhomboidales, *Oxfordshire*; dendritæ on flint, *Norfolk*; and 12 other minerals

- 103 A scarce variety of the zebra trochus, *uncommonly large*
- 104 A Mediterranean tun, and a large and fine West India argus cowry
- 105 Two fine occidental helmets
- 106 The great furbelowed murex, *very scarce*
- 107 Two large and fine specimens of the greater oriental spiral buccinum
- 108 Two fine beech wood volutes, a singularly coloured harp, a painted cockle, and 2 alatae, all from the *East Indies*
- 109 A clouded fig from *Florida*, a large and fine snipe, and a large black spiral buccinum, from the *East Indies*
- 110 Two Lyons rampant and 2 other scarce volutes, from *ditto*; a chequered ear, from *New Zealand*; 2 beautiful trochi, from the *Red Sea*; and 2 fine olives, from the *Spanish Main*
- 111 A purple oriental pecten and a Guinea admiral, *very rare*, a small yellow tyger, 2 West India zebra snails, and 4 more
- 112 A fine scorpion from the *East Indies*, *very rare*
- 113 A garnet limpet from the *Cape of Good Hope*, a pecten enveloped in a curious sponge, 2 orange snails, and 3 other oriental shells
- 114 A zebra snail from the *Cape of Good Hope*, 2 fine oriental screws, and a large bronze limpet
- 115 A purple snail, 2 prince of Orange's flags, 2 ermines, 2 white dippers, and 12 other rare small shells
- 116 A zebra trochus from *New Holland*, *exquisitely fine*; a royal mantle, *East Indies*; a pink mouth poached egg, from *New Amsterdam*; and a beautiful banded helix, *all very rare*
- 117 Two flea bitten volutes, a fine dolphin, 2 bishop's mitres, and a yellow banded helix, all from the *East Indies*, *and rare*
- 118 A carrier with adhesions of corals and shells, from *Barbadoes*; a print harp from the *Coast of Guinea*; and a fine cinder shell, from *Batavia*, *all rare*
- 119 The lesser compass pecten, *very rare*
- 120 Two scarlet mouth olives, *East Indies*; and a large and fine gold brocade from *New Holland*, *all rare*
- 121 A muricated periwinkle, a tortoiseshell limpet, 2 brown olives, and 5 other scarce shells

Nineteenth

Nineteenth Day's Sale, *Monday, April 26.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Purple spondylus, a spotted tun, a wrinkled ear, and a cowry
- 2 A snake, a Barbary muscle, a Dutch bonnet, and a tun
- 3 Two large and fine bull's mouth helmets
- 4 A muricated periwinkle and an Iris ear, from *New Zealand*
- 5 Two shoulders of mutton, and 2 large leopard cowries
- 6 A knobbed American fig, and 2 spiders
- 7 Two large red-sea trochi, a wild music, and 2 more
- 8 A clouded oriental tun, a pecten from *Florida*, a section of a banded cowry, a clouded American fig, and 2 more
- 9 A poached egg, 2 purple mouth alatae, 2 harps, and a Surinam toad
- 10 An African melon, and a devil's claw
- 11 Two fine conchs
- 12 Two magpyes, and 2 zebra trochi
- 13 Various corals and corallines
- 14 A book of sea weeds
- 15 A fine ostrich's egg
- 16 Two lions in shell work
- 17 A large group of small cockscomb marcasites, ditto of rare 6-sided spars, and 4 others
- 18 A group of yellow crystals on iron stone, *Bristol*; and 4 other fine groups of marcasites, *Derbyshire*
- 19 Stellated iron ore, *Scotland*; a granate, *Cornwall*; and a rich marcasite, *Sweden*; and 7 more
- 20 Five fine groups of cubic fluors, spars, and other minerals, *Derbyshire*
- 21 Various mundics, spars, ores, &c.
- 22 Nineteen shells of various species
- 23 A fine compass pecten
- 24 Two snakes, 2 magpyes, 2 fallow deer, and 3 more
- 25 Twenty-four various shells
- 26 Various recent and antediluvian echini and spines of ditto
- 27 Two bird's egg and 4 other cowries, 2 thorny woodcocks, and 18 more
- 28 A spectre, a gold brocade, 2 bleeding teeth snails, 2 spotted tuns, and 8 more

- 29 Fifteen various shells
- 30 Thirteen ditto
- 31 Lead ore with cockscomb marcasites, ditto with cubic fluors, looking glass ditto on kebble, coloured lead ore with blend, a fine group of brilliant spars on cubic fluors and zinc ore, and 2 more, *Derbyshire*; and a marcasite, *Staffordshire*
- 32 Eight various marbles
- 33 Beautifully coloured lead ore, and looking glass lead ore, *Derbyshire*; a copper ore, a marcasite, and a group of crystals, *Cornwall*; and 2 fine groups of crystals, *Durham* and *Bristol*
- 34 A grey plaited fluor, cockscomb pyritæ, and 3 other curious groups of minerals from *Derbyshire*, a copper ore, and 2 more
- 35 Thirty-one polished mocha stones
- 36 Asbestos, *Scotland*; amethystine cubic fluors, *Durham*, and 4 more
- 37 Eleven curious small minerals
- 38 Part of a fish in clay, from *Sheepy*; an orthoceratites, 3 echini, part of an echinus mamillaris, an oyster, and an anomia in chalk, and 5 other petrefactions
- 39 Two oriental agates, 4 German ditto, and an Egyptian pebble
- 40 A fine purple Venus's fan, and a curious branched ditto, both from the *West Indies*
- 41 An exceeding fine and large specimen of the West India muricated coral
- 42 An oriental and an occidental helmet
- 43 A fine branch of the red coral, from *Sicily*
- 44 A very fine brainstone
- 45 A large and fine specimen of the piped red coral
- 46 Ditto of the millepora alcicornis, from the *West Indies*
- 47 Ditto of the madrepora punctata, from *ditto*
- 48 A large and fine group of straw-coloured 24-sided spars, from *Derbyshire*
- 49 A specimen of the broad muricated coral, from the *West Indies*; and a curious branched sponge, from *Florida*
- 50 A large piece of coral slate, split in two, having on each side curious impressions of vegetables, among them part of a branch of the pine kind, *very beautiful*, from *Northumberland*
- 51 A large mass of yellow cauk, yellow cubic fluors and lead ore, from *Derbyshire*
- 52 A fine specimen of red coral in its native state, with curious adhesions of fungi, anomia, vermiculi, &c. from *Sicily*
- 53 A curious sparry incrustation, from a quarry in *Oxfordshire*

- 54 A group of cauk balls, &c. the surface covered with marcasites, from *Staffordshire*; and a large selenites, from *Sheepy*
- 55 A large group of cubic fluors with crystalized zinc and lead intermixed, on a mass of cauk with lead ore, &c. in the base, and ditto with spars and marcasites, from *Derbyshire*
- 56 A group of amethystine cubic fluors on an iron stone, *Durham*, and ditto with large spars intermixed with marcasites, *Staffordshire*
- 57 A flat specimen of muricated coral from the *East Indies*, and a singular muricated coral from the *West Indies*
- 58 Skeleton of a fish with dendritæ in yellow slate, from *Sulzenhofen*, near *Papenheim* in *Germany*; and a fine piped coralloid in lime stone, from *Derbyshire*
- 59 Cubic fluors, crystalized and zinc ores, cockscomb marcasites, finely grouped together, and forming a most beautiful specimen, from *Derbyshire*
- 60 A long thin lamina of yellow slate, with a line running along the middle, from whence, on each side, proceed beautiful and singular dendritæ, from *Sulzenhofen*
- 61 A fine section of a fragment of the tail of an encrinus, with various smaller fragments of the like kind, in a slab of *Derbyshire* marble, and a rare honeycomb coralloid, *Staffordshire*

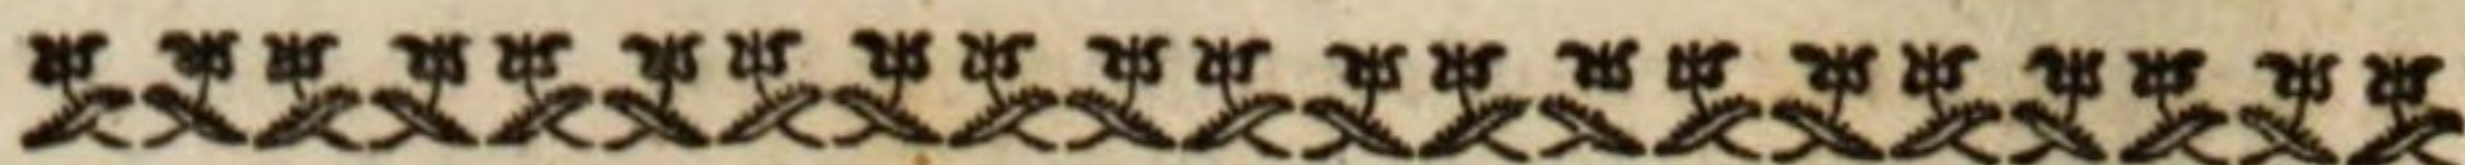

ANIMALS and VEGETABLES in Spirits.

- 62 The guiddaw snake and another beautiful snake, from *Surinam*
- 63 An asp and 2 snakes, in 3 bottles
- 64 A very fine and large American bull frog
- 65 A fine lizard and a snake, 2 bottles
- 66 A fine scincus, *very rare*
- 67 Two fine snakes and a lizard, in 3 bottles
- 68 Two curious lizards and a snake, ditto
- 69 A foetus of a pig, 2 lizards, a cashew apple, and an asp, in 5 bottles
- 70 A beautiful snake, 2 whale's lice, and 2 lizards, in 4 bottles
- 71 A foetus of a sheep, and various reptiles and insects, in 6 bottles
- 72 An oriental scorpion, an hippocampus, a pinna marina, several conchæ anatiferae, a mole cricket, and 2 centipedes, in 7 bottles

CURIOUS SHELLS and CRUSTACEA.

- 73 A very large and fine zebra snail, from *Guinea*
- 74 A large and fine reverse fig, from *North America*
- 75 A beautiful specimen of the great oriental green and pearly snail, *finely carved and polished*
- 76 A turnep or heavy buccinum, *rare*, and 2 fine bull's mouths
- 77 The peacock helmet, *very rare*, from the *East Indies*
- 78 A fine and large hebraica, from *Madagascar*
- 79 A paper nautilus of the *Mediterranean*, *rare*, and a fine Iris ear from *New Zealand*
- 80 Two fine music, 2 thorny woodcocks, *different*, and 5 more
- 81 A large and fine oriental clouded tun, *rare*
- 82 The spider's web volute, a very large prince of Orange's flag, a gold mouth snail, a camp cockle, and a yellow helix with brown and white bands, all from the *East Indies*, *fine and rare*
- 83 Two fine purple mouth zebra snails, (one with its epidermis) 2 netted cowries of *Otaheite*, a black tyger, and an uncoated snail
- 84 An exceeding fine red spondylus, from *Martinique*, *rare*
- 85 The Arabian camp cockle from *Amboyna*, and a fine cockcomb oyster from *Acapulca*
- 86 The brown oriental paper nautilus, *very rare*, and a small oriental chambered nautilus
- 87 A scarce oriental painted cockle, a rare cockle from the *Straits of Magellan*, and a group of vermiculi on a muscle
- 88 The great oriental crane, *very rare*
- 89 A fine banded tun with the rare circumstance of a double lip, from the *East Indies*
- 90 A very fine painted cockle from the *East Indies*; a purple furbelowed oyster adhering to a piece of coral, from *Antigua*; and a fine young bronze limpet, from *Falkland's Island*
- 91 The studded ark from the *East Indies*, *rare*
- 92 A scarlet ducal mantle from the *West Indies*, *rare*
- 93 A beautiful young specimen of the great oriental helmet, and 2 fine alphabets
- *93 Two towers of Babel, a rare flea bitten volute, and 11 more
- 94 A very large endive shell, the muricated parts finely curled, from the *East Indies*
- 95 A large and fine compass pecten
- 96 The pear limpet, from the *Cape*, *rare*; a radiated mask ditto, *Falk-*

- Falkland's Island*; 2 ditto from the *West Indies*, and 4 curious snails
- 97 A large and fine Venus's ear from *Amboyna*, 2 fine bishop's mitres, a black tyger, a scarce helmet, and a large lyon rampant
- 98 A Medusa's head limpet, a beauty limpet, 2 scarce green trochi, an helix, and 4 more
- 99 A ventletrap, 2 European ditto, 2 notched snails, *New Zealand*, and 8 others
- 100 Two harps, a scarce brindled snake, and a wild music
- 101 A fine West India echinus mamillaris with its spines, *rare*
- 102 Two scarce ear snails, 2 banded olives, and 8 more
- 103 The wide mouth glass dipper, *very rare*, 3 other dippers, 2 *New Zealand* olives, and 17 other small rarities
- 104 A fine rake cockle, *rare*
- 105 A Guinea admiral and an oriental volute, *both very rare*
- 106 Two silk brocades, *different*, a scarce buccinum, 2 Lima helmets, and 4 other oriental shells
- 107 Six rare patellæ, a purple rayed solen, and 2 ear shells
- 108 The white studded ark, *East Indies*, *very rare*
- 109 A scarlet pecten, from *Guinea*; a dentalium, from the *East Indies*; another from *Minorca*; a purple fissurated worm, and 5 other scarce shells
- 110 Two rare knobbed snails, 2 ditto volutes, 2 netted cowries, and 3 more
- 111 Thirty-four curious small shells
- 112 A very scarce oriental music
- 113 Two oriental dippers, 2 zigzag cowries, 2 prince of Orange's flags, and 6 other rarities
- 114 A crumpled limpet, 3 scarce cockles, 2 small bishop's mitres, and 6 more
- 115 A ribband snail, from *New Amsterdam*; 2 purple mouth olives, a pear limpet, and 9 more scarce shells
- 116 A beautiful small ducal mantle, an anomia striata, a satchel cockle, a very small purple spondylus, a fine yellow pecten, and 7 other rare shells
- 117 A poison buccinum, 2 scarce alatae, and 8 other uncommon testacea
- 118 A small spondylus, 2 beautiful yellow trochi, a rare brocade, an admiral of the night, all from the *East Indies*; 2 pagoda trochi, from *New Holland*; and 2 olives from the *Spanish Main*
- 119 A box containing a variety of small shells, sorted in cards
- 120 Ditto
- 121 Ditto

Twentieth Day's Sale, *Tuesday, April 27.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and other fossils
- 2 Ditto of rough agates
- 3 Ditto with mocha and agate knife and fork handles, &c.
- 4 Four echini and casts of ditto, 2 buccina, *Hants*; and 5 other petrefactions
- 5 A large group of spars, &c. ditto of stalagmitæ, and 4 more
- 6 A hammites with spars in the cavity, 2 fine marcasites, and 2 more
- 7 A large ear from the *Cape of Good Hope*; a Mediterranean trumpet, and a large bull's mouth helmet
- 8 A purple spondylus, 2 Surinam toads, and 2 more
- 9 A large scollop, 2 magpyes, and 2 ears
- 10 A plough, a spider, and 2 more
- 11 Two muricated figs, and 2 leopard cowries
- 12 A furbelowed clamp, and an Iris ear
- 13 Two Red Sea trochi, a yellow tulip tellen, a garnet limpet, and 5 more
- 14 Two shoulders of mutton, 2 harps, 2 telescopes, 2 tent limpets, and 2 more
- 15 An oyster with ovæ of the large English wilk adhering to it, 6 patellæ, and 5 others
- 16 A trumpet, 2 partridge tuns, 2 scarce limpets, and 2 more
- 17 Various corals and corallines
- 18 A devil's claw
- 19 The comb, the forked, and two other keratophytæ
- 20 A purple Venus's fan, and a branched yellow ditto
- 21 A large specimen of West India coral
- 22 The skull of a very large land tortoise
- 23 A large oriental buccinum, and an occidental helmet of an uncommon magnitude
- 24 A large and fine group of cubic fluors with lead ore, and 12 fided spars, *Derbyshire*
- 25 A specimen of East India coral, and one of West India ditto
- 26 A large mass of bivalve and other shells, in stone
- 27 Four fine keratophytæ, from the *Mediterranean*
- 28 Four ditto
- 29 Four fine sea weeds, from the *Cape of Good Hope*

- 30 A book of English sea weeds
- 31 Ditto
- 32 Five curious sponges, *different*
- 33 Five ditto
- 34 A large slab of porphyry, and ditto of jasper, *both rare, polished*
- 35 A group of purple cubic fluors intermixed with spars, another curious group of minerals, from *Derbyshire*; and a mass of crystals with marcasites from the *Hartz*
- 36 Velvet green efflorescence of copper, with yellow ochre, and spar, from *Voightland*; cockscomb pyritæ, purple cubic fluors, and another fine mineral group, from *Derbyshire*
- 37 A beautiful chalcedony with a crystalized crust, from *Germany*; and a slab of rare porphyry, *both polished*
- 38 Three fine groups of cubic fluors, with crystalized blend, curious figured lead ore, spars, &c. intermixed, from *Derbyshire*
- 39 Yellow crystals on iron stone, *Bristol*; a group of white cubic fluors, with a 6-sided spar on the surface, and one more, *Derbyshire*; and a beautiful marcasite, *Staffordshire*
- 40 A black slate, *with the impression of a lizard, very rare*, from *Davila's* collection, and a fishes head in slate, *Papenheim*
- 41 A rare porphyry, and 4 other curious stones, *polished*
- 42 Two scarce black trochi, 2 fine bleeding teeth snails, a scarce bivalve, and 6 more
- 43 Thirteen various shells
- 44 Sundry corals and corallines
- 45 Two West India ribband snails, 2 banded olives, 2 rare dippers, 2 pimple cowries, 2 camel cowries, and 15 others
- 46 Two fine oriental screws, a pecten covered with sponge, and 2 more
- 47 Eighteen various shells
- 48 A toad, an ass's ear, 2 beaded figs, 2 large dippers, and 3 more
- 49 Seventeen shells of different species
- 50 Stalagmitæ on lime stone, and a large group of spars and fluors, from *Derbyshire*
- 51 A fine septarium or ludus helmontii, from *Sheepy*; and a curious group of spars and fluors, *Derbyshire*
- 52 A fine West India coral, and a curious English millepora
- 53 A group of large spars and cauk balls, with marcasites, from *Staffordshire*; and a group of large double pointed spars, *Derbyshire*
- 54 A curious mass of fungitæ in lime stone, and another fine coralloid, from *Derbyshire*
- 55 A large and fine group of cubic fluors, lead ore, spars, marcasites, &c. from the same County

- 56 A curious large pyrites, a group of radiated crystals, on a black iron stone, from *Casco Bay*, near *Boston*; a diced lead ore intermixed with marcasite, *Derbyshire*; and a group of cubic fluors and lead ore, *ditto*
- 57 Rich tin ore intermixed with shirl and copper green, from *Cornwall*, and 3 curious groups of spars and other minerals, from *Derbyshire*
- 58 A fine crystalized flint, *Kent*; and 2 fine groups of minerals, from *Derbyshire*
- 59 A curious astroites from the *West Indies*, and another with large stars from the *East Indies*
- 60 A fine copper ore with velvet green efflorescence in the cavities, from *Germany*; a large group of double pointed spars, and another fine group from *Derbyshire*
- 61 A fine large specimen of cockscomb pyrites with yellow cauk and lead ore in the base, and a ditto of cubic fluors and lead ore, the surface nearly covered with cockscomb marcasites from *Derbyshire*
- 62 A mass of rich lead ore with small cubic fluors and cockscomb marcasites on the surface, and another fine group from *Derbyshire*
- 63 A mass of yellow cauk with yellow cubic fluors and black crystalized blend, a group of large double pointed spars, and another fine group of minerals, from the same county
- 64 A curious botroid vitrification, and a fine specimen of the glass of cobalt
- 65 Copper ore, *Thuringia*; a singular mass of crystals from the *Hartz*; crystals from *Bristol*, and a plaited fluor, *Derbyshire*
- 66 A fine crystalized zinc ore with spars and marcasites, a rugged specimen of lead ore with a crust of yellow cauk, and another group, *Derbyshire*, and a fine shirl from *Cornwall*
- 67 A large and fine selenites from *Oxfordshire*, split in two, a group of cubic fluors with diced lead partly decomposed, and a singular hollow stalactites from *Derbyshire*
- 68 A group of small purple cubic fluors, *Derbyshire*; ditto of 3 echinated pyrites, *Sussex*, and 2 more
- 69 Curious stellated iron ore from *Scotland*, a rich specimen of tin ore from *Cornwall*, and a rare group of plaited cauk balls with spars and marcasites, *Staffordshire*
- 70 Two curious astroites, and a specimen of finger coral
- 71 Part of a septarium with vermiculi, and a neat impression of a buccinum in it, from *Sheepy*; a looking glass lead ore, *Derbyshire*; and a singular plaited fluor with marcasites, from the *Hartz*

SHELLS, CORALS, FOSSILS, &c.

- 82 A fine yellow Venus's fan from the *West Indies*
- 83 A very curious *lusus naturæ*, part of a branch of a tree
- 84 A number of flinty pebbles amassed together in iron ore, and a large specimen of petrified moss
- 85 Two brainstones, and an astroites
- 86 A very large specimen of mundic from *Staffordshire*
- 87 A group of large spars with ditto, from the same county; and a group of large double pointed spars from *Derbyshire*
- 88 Three large groups of spars and other minerals, from *Derbyshire*
- 89 A fine comb keratophyton from the *Gulph of Florida*, and a beautiful sea feather from *Dominica*
- 90 A branched sponge, 2 fine keratophytæ, and a piece of mangrove with oysters
- 91 Three curious land tortoises, *different*
- 92 Seven beautiful keratophytæ, *different*, one adhering to an oyster
- 93 A rare green and yellow botroid spar, and a fine blue mundic, from *Eaton Mine, Staffordshire*; a curious iron ore on a plaited fluor, and a stalactites with flos ferri, *Scotland*; and a small but elegant group of crystals, from *Cornwall*
- 94 Part of a pebble crystal with curious internal appearances and swirl, from the *Brazils, polished*; beautiful green and blue efflorescence of copper on spar, from *Eaton Mine*; fine blue crystals of copper on spar, *Thuringia*; a stalactites, *Scotland*; and a singular foreign crystallization

- 95 A group of spars with internal marcasites, *Eaton*; ditto of straw coloured and white double pointed spars, and another group, *Derbyshire*; and a fine mass of amethystine cubic fluors, *Durham*
- 96 Beautiful coloured marcasites on spar, *Eaton*; a fine pisolithus, from *Carlsbad* in *Bohemia*; and a fine felenites, *Oxfordshire*
- 97 A curious green foliated millepora, from *Sicily*; a rare snail fungus marinus, from *New Holland*; a fine red piped coral, from *Madagascar*; and a marine fungus from the *West Indies*
- 98 Crystals with zinc ore, *Cumberland*; a fine group of spars and marcasites, *Eaton*; and 2 more from *Derbyshire* and *Durham*
- 99 Two large and fine German agates, *polished*
- 100 A fine specimen of native copper, a group of crystals on tin ore, and a fine marcasite, from *Cornwall*; and a group of singular spars with fine glossy black crystalized zinc ore, *Derbyshire*
- 101 Eight beautiful Italian marbles, *polished*
- 102 Ditto
- 103 Ditto
- 104 Ditto
- 105 A beautiful mundic, from *Eaton*; a curious lead ore and a group of brilliant spars, *Derbyshire*; a singular cavernous crystal, *Hungary*; and part of a septarium with marcasites, *Sheepy*
- 106 A fine specimen of amethyst, from the *Palatinate*; a large pebble crystal, from *Ceylon*; and a fine bloodstone, *all polished*
- 107 Five curious minerals
- 108 An echinus ovarius, an echinus cordatus, part of an echinus mamillaris with some of its spines, and 2 fine pectens from the *Chalk Pits* in *Kent*
- 109 A piece of yellow cauk with complete crystals imbedded in it, *Staffordshire*; and three curious groups of fluors, spars and marcasites, *Derbyshire*
- 110 Six curious specimens of coral
- 111 A fine bull's mouth and another helmet
- 112 A very fine and large Swiss breeches, from the *East Indies*, *rare*
- 113 Two harps, a large garnet limpet, a scarce melon, and 5 more
- 114 A rare volute, 2 brunetted ditto, a cinder shell, a mottled bronze limpet, and 4 more
- 115 A large and fine nutmeg cowry, a spotted Bezoar and a studded helmet, and a fine yellow tyger

- 116 A large and fine false admiral, a beautiful Iris ear with a blue coat, a fine Surinam toad, and a curious wild music, *all rare*
- 117 Two oriental butterfly's wings, 2 carnations, and 24 other beautiful and rare valves of pectens
- 118 A zebra trochus, 2 poached eggs, a pink alatus, and two oriental ribband snails, *all fine*
- 119 An imperial crown, 2 pink mouth poached egg cowries, a radiated mask, a garnet, and 2 other patellæ, and two trochi, *all fine*
- 120 A large and fine ducal mantle pecten, from the *West Indies*
- 121 An Iris ear from *New Zealand*, and an oriental plough, *both fine*
- 122 Two large bishops mitres, 2 burnt mouth cowries, and 2 other fine shells
- 123 A banded ammonia snail, 2 fine olives, 2 orange snails, and 7 other curious shells
- 124 A large fleur de lis echinus from *Barbadoes*, and a fine muscle from *Barbary*

Twenty-first Day's Sale, *Wednesday, April 28.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and other fossils
- 2 Ditto
- 3 Ditto
- 4 Forty-nine specimens of English lead ores, each contained in a small screw box, labelled
- 5 Eleven various minerals
- 6 Lead ore with botroid pyrites, *Germany*; lead ore with crystals, *Durham*, and 9 more
- 7 Rich iron ore with crystals, *Bristol*; crystals and spars intermixed, *Derbyshire*; copper ore, *Cornwall*
- 8 Nine various petrefactions from *Germany*
- 9 Seven ditto, from *ditto* and *Switzerland*
- 10 Nine various minerals
- 11 Ditto
- 12 Two bull's mouths, and a large oriental purpura
- 13 Two zebra trochi, a snake, and 2 cowries
- 14 A red sea trochus, 2 small bull's mouths, and 2 Surinam toads

- 15 Twelve shells, *various*
- 16 A Mediterranean tun, and a spider
- 17 A fine Iris ear, and a purple spondylus
- 18 Twenty shells of different species
- 19 Two yellow tygers, 2 staircases, and 4 more
- 20 A large gold mouth, 2 black mouth ass's ears, and 5 others
- 21 A large scollop, an ear, and 4 more
- 22 Two partridge tuns, an Iris ear, and 3 more
- 23 A scarce oyster from *Anamaboo*
- 24 Seven various corals
- 25 A large and fine muricated coral, from the *West Indies*
- 26 A very large king crab, from *North America*
- 27 A large and fine brown keratophyton, and a Venus's fan
- 28 Two large oriental purpuræ
- 29 A curious red keratophyton from the *East Indies*
- 30 An oriental and an occidental helmet
- 31 A large incrustation on moss
- 32 Two fine conchs
- 33 A fine oriental muricated coral
- 34 A large chambered nautilus with the pearl finely preserved,
from *Sheepy*
- 35 Two rare keratophytæ
- 36 Two fine West India corals
- 37 A most curious petrified piped coral, *foreign*
- 38 A large piece of coral slate with impressions of a variety of
vegetables, from *Lancashire*
- 39 A rare branched coral, petrified, from *Westmorland*
- 40 A large group of cubic fluors, nummular 12-sided spars,
crystalized blend and lead ore, *Derbyshire*, and a fine
group of crystals, *Bristol*
- 41 A fine group of crystals on a mass of amethystine cubic
fluors, *Cumberland*; and a group of large spars and mar-
casites, *Eaton*
- 42 A large chambered nautilus cut in two, from *Wilts*
- 43 A large and curious bubbled flint of brown and purple co-
lours, *very rare*, from *Kent*
- 44 Peacock copper ore with blend and quartz, from *Welgoodluck*
Mine in Cornwall; and a singular flint with white crys-
talizations
- 45 A large specimen of marcasitical copper ore with quartz in-
termixed, from *Welvirgin Mine, Cornwall*; and a group
of cubic fluors with lead ore of a curious figure, from
Derbyshire
- 46 Part of a large fishes head, from *Sheepy*; and a vertebra of
an uncommon large fish, from *Gloucestershire*
- 47 Rich blistered copper ore of the most beautiful colours, *very*
rare, and a fine coloured botroid marcasite, from *Corn-*
wall;

- wall*; and brilliant 24-sided spars of a pale straw colour on a calcareous stone, *Derbyshire*
 48 A flat specimen of slate with impressions of unknown vegetables, from *Lancashire*; and a group of vermiculi in wood, *Foreign*
 49 Very large and fine tin grains with crystals on a rich tin ore, *Cornwall*; and a fine group of spars sprinkled with cockscomb marcasites, *Derbyshire*
 50 A fine millepora alcicornis, from *Dominica*; and a fine astroites
 51 Sparry incrustation with the impressions of leaves, *Germany*; lead ore with crystals, *Cumberland*; and a Cornish marcasite
 52 Black dendritæ on a white flint, forming a beautiful landscape with a wood and a bridge, *Norfolk*; blistered copper ore, rich in colour, *Cornwall*; and a group of fine pointed spars powdered with marcasites, *Derbyshire*, all rare
 53 Three curious lusus naturæ in flint, one representing a shoulder of mutton with a skewer [a spine of an echinus mamillaris] stuck in it, another a leg of mutton, and the third a mastiff dog couchant, from *Kent*
 54 A radiated pyrites in flint, *Kent*; stalactites, *Devonshire*; fine small 24-sided spars, and a group of lead ore, cockscomb marcasites, &c. *Derbyshire*
 55 The bust of a human figure in flint, with the counter part, and a bird in flint, 2 very curious lusus naturæ
 56 Pale straw coloured 24-sided spars with broad ends, on a group of small cubic fluors with crystalized zinc ore intermixed, from *Derbyshire*; white spathose lead ore, *Scotland*; and marcasites with spar and limestone, *Bath*
 57 Fine crystalized zinc ore, *Derbyshire*; lead ore, *Scotland*, and 2 more
 58 A large pinna marina, *Sicily*
 59 Three fine groups of spars, fluors, lead ore, &c. *Derbyshire*
 60 A fine oriental long knobbed helmet, and a devil's claw
 61 A large group of cauk balls, and spar covered with mundic, from *Edon*; and a large crystalized flint
 62 Millepora alcicornis, *Dominica*; and a fine astroites
 63 Impression of a cornu ammonis in lime stone frosted with spars and marcasites, *Bath*; and a mass of belemnitæ, ammonitæ, bivalve shells, and other marine remains
 64 A group of 6-sided spars, one of 12-sided spars, and one of 24-sided spars, *Derbyshire*; and a copper ore, *Cornwall*
 65 A fine piped coralloid, *Westmorland*; a nautilus, *Sheepy*; and a small

- a small nodule of flint with an echinus mamillaris, imbedded in it, from *Kent*
- 66 Three fine corals
- 67 A fine May blossom coral, from the *Mediterranean*
- 68 A millepora alcicornis formed on an old keratophyton, *Dominica*; a piped sponge in the form of a hand, *Florida*; and a keratophyton on its rock, *Sicily*
- 69 A very curious branched sponge on its native rock, to which also a scarlet spondylus is adhering, from *Dominica*
- 70 Three fine groups of spars, &c. from *Derbyshire*; and a fine group of red crystals in iron stone, *Bristol*
- 71 A mass of anomia planæ et striatæ, from *Oxfordshire*; a fine branched coralloid, from *Westmorland*; and an iron stone with fine impressions of ferns
- 72 A rare fluor, a copper ore, *Cornwall*; a curious iron ore, *Bristol*; and a fine group of white 24-sided spars with broad ends, *Derbyshire*
- 73 A fine large oriental green and pearly snail
- 74 A skeleton of a fish (a kind of plaice) in an iron stone, from *Westmorland*, very rare
- 75 A hollow pyrites, with a group of pointed spars in the cavity, a curious group of crystals, spars and marcasites, from the *Hartz*, and 1 more
- 76 A fine cray fish from *Sheepy*, and an echinus galeatus imbedded in flint, *Kent*
- 77 Part of a large ammonites with its impression, both finely frosted with spars and marcasites from the *Blue Lodge Quarry*, near *Bath*
- 78 A fine crystalized flint with its counterpart, *Kent*; a marcasite, *Cornwall*; and 1 more
- 79 A long hollow flint nodule with a long piece in the cavity disunited, except in the middle, and is a very singular lusus naturæ, from *Kent*; and a fine specimen of serpentine stone, *Germany*
- 80 A piece of antediluvian wood filled with vermiculi, and a cray fish in clay, *Sheepy*; and an echinus galeatus, *Kent*
- 81 Great part of a rare echinus mamillaris, part of another with several of its spines, and a fine echinus cordatus, from the *Chalk Pits* of *Kent*
- 82 A piece of flint having a branched cavity finely crystalized, *Kent*; fine crystalized blend with spars, *Derbyshire*; a rich specimen of cross grained lead ore, from *Freyberg*; and crystals intermixed with curious plaited cauk and iron ore, from *Bath*
- 83 Garnets in quarts, very rare; 2 fine fluors, *Derbyshire*; and a jasper from *Saxony*, all polished

- 84 Lead ore, *Scotland*; ditto with cubic fluors and cockscomb marcasites, a crystalized zinc ore, and a group of spars, *Derbyshire*
- 85 Cast of a trochus shell in limestone, *Bath*; a curious vegetable impression in coal slate, *Lancashire*; and a very large and fine shark's tooth, *Malta*
- 86 Tin ore intermixed with marcasites, from *Welbutsen Mine, Cornwall*; 2 fine groups of spars (one white with internal marcasites) from *Derbyshire*; and a crystalized flint, *Norfolk*
- 87 A pecten, and an echinus cordatus from the *Chalk Pits* of *Kent*; a belemnites, and a cast of a trochus, *Oxfordshire*
- 88 A sparry incrustation with impressions of leaves, *Germany*; marcasites, *Bath*, and 2 more
- 89 A fine comb keratophyton from the *Gulph of Florida*, and a West India coral
- 90 A large and fine antediluvian elephant's tooth
- 91 A large chambered nautilus from *Sheepy Island*, and an ammonites, *Germany*
- 92 Two curious vegetable impressions in coal slate, from *Lancashire*
- 93 Part of a large petrified fish, from *Sheepy*
- 94 A curious wasp's nest from *Cayenne*, affixed by the insects to the extremity of the branch of a tree, in order to preserve them from the monkies
- 95 A very large bearded lizard, *rare*

Rarities from the New-discovered Islands in the South Seas.

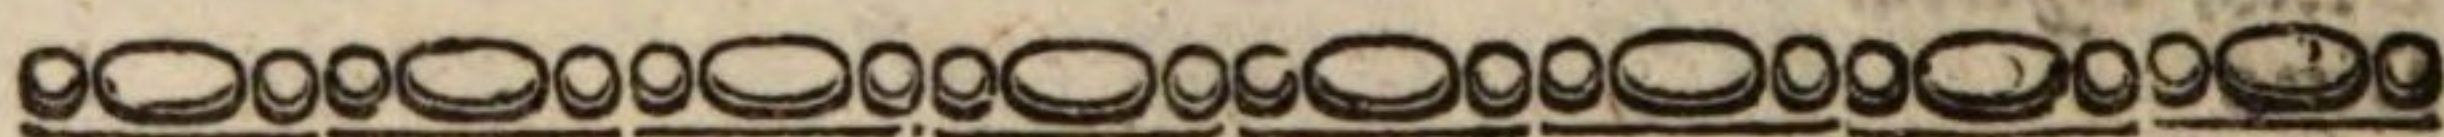

- 96 A piece of cloth made of the bark of a tree, from *Otabeite*
- 97 Ditto, *different*
- 98 Ditto
- *98 Ditto from *New Amsterdam*
- 99 Ditto
- 100 A piece of matting from the same island
- 101 Ditto with a fringed border, from *ditto*
- 102 A war club from *Anamokka*
- 103 A battle axe, *ditto*
- 104 A stool from *New Amsterdam*, used as a pillow, and another from *Otabeite*

Curious

- 105 A comb and various trinkets and ornaments, from *Anamokka*
- 106 A matted belt from *New Zealand*; and a belt made of cocoa nut fibres, from *New Amsterdam*
- 107 A decoy, and 2 fish hooks, from *New Amsterdam*; 3 fish hooks, *N. Zealand*, and 3 ditto, *Otabeite*
- 108 Various specimens of cordage, flax, &c. from several Islands

Curious SHELLS, &c.

- 109 A very large ear shell, from *Van Diemen's Land, New Holland*, rare
- 110 A large and fine tun from *Sicily*
- 111 The long melon, from the *Coast of Guinea*
- 112 A fine spotted tun, from *China*; and a large muricated periwinkle, from *New Zealand*
- 113 A rare kind of zebra snail, from the *East Indies*
- 114 A glazed buccinum, 2 painted ears, from the *Cape of Good Hope*, one valve of a black hammer oyster, and 2 *New Zealand* buccina
- 115 A large and fine Iris ear, from *New Zealand*
- 116 A beautiful scarlet pinna, from *Providence*, very rare
- 117 Two fine dolphins, from *China*; and a large shagreen periwinkle, from *New Zealand*, uncoated, both rare
- 118 A black solen, taken out of the stomach of a cod fish, at *Newfoundland*, very rare
- 119 A ventletrap, 2 striped helmets, a muscle limpet, from the *Straits of Magellan*, 2 butterfly wing pectens, *Minorca*; 2 notched snails, *New Zealand*, and 2 more
- 120 A large partridge tun, and an Iris ear

Twenty-second Day's Sale, Thursday, April 29.

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 A Box of Scotch scollops
- 2 Ditto of barnacles
- 3 Ditto of grotto shells
- 4 A marcasite, *Cornwall*; 2 ditto, *Staffordshire*, and 5 more
- 5 An oyster from *Hedley*, an ammonites, and 4 more
- 6 Thirteen various petrefactions

7 Seven

- 7 Seven various fossils
- 8 Impressions of ferns and other vegetables in coal slate, a mass of singular anomia, and 6 other petrefactions
- 9 Two zebra trochi, and 2 leopard cowries
- 10 An ear, 2 partridge tuns, and 6 more
- 11 Two spiders, and 3 more
- 12 Ten various shells
- 13 Six different corals, and a branched sponge
- 14 A trumpet, and a muricated fig
- 15 Two magpyes, and 2 bull's mouths
- 16 A large bear's paw
- 17 Eight various minerals
- 18 Nine ditto
- 19 Iron ore from the *Forest of Dean*, and 5 more
- 20 An echinus clypeatus, *Hedington*; an echinus cordatus, *Kent*; an ammonites, *Whitby*; a fish's tooth in slate, *Stunsfeld*, and 3 more
- 21 Six beautiful agates and other curious stones, *polished*
- 22 Several Buxton dice, sundry crystals, marcasites, iron ore, blend, and other fossils
- 23 Two Iris snails, *New Zealand*; 2 brocades, 2 wild music, and 9 more
- 24 Two rare dippers, 2 quaker snails, a little argus, and 19 more
- 25 A Scotch pecten with barnacles, 2 gold brocades, 2 carrots, 2 alphabets, and 7 others
- 26 Two yellow grimaces, 2 dice volutes, 2 chequered figs, 2 mulberries, and an ear
- 27 Two cinder shells, and 10 more
- 28 Two spotted tuns, 2 granate snails, 2 studded buccina, and 11 more
- 29 Two large oriental purpura, and 7 more
- 30 Two staircases, a scarce trochus, and 8 more
- 31 A large and fine keratophyton, *Dominica*; and a fine purple Venus's fan, *West Indies*
- 32 A very large muricated coral, *West Indies*
- 33 A curious and rare keratophyton on its native rock
- 34 A large and fine petrified fish's head, *Sheepy Island, Kent*
- 35 Another, equally fine
- 36 A yellow Venus's fan, and a West India coral
- 37 A fine group of spars, marcasites, and lead ore, *Derbyshire*; ditto of spars, *ditto*; and ditto of crystals on spars, *Bristol*
- 38 A curious stalactitical marcasite on a group of crystals, *Britany in France*
- 39 A large and fine orthoceratites, or strait nautilus, in limestone, *Westmorland*
- 40 A West India conch with a beautiful pink mouth

- 41 Brown spathose iron ore with veins of quartz intermixed,
Bensdorff on the Rhine
- 42 Peacock copper ore intermixed with a curious spar on
lime stone, a large specimen, *Rhine, very rare*
- 43 Two fine specimens of the millepora alcicornis, with neck-
lace corallines and branched sponges adhering to them,
Dominica
- 44 Section of a large chambered nautilus, finely shewing the
concamerations and siphunculus, some of the chambers
are lined with spars and marcasites, *Bath*
- 45 A branched flint nodule with part of a very rare echinus ma-
millaris, and 2 of its spines imbedded on the surface,
Kent
- 46 A piece of flint with part of an echinus mamillaris of the
same species with the preceding, and 6 of its spines
imbedded on the surface, *a most curious specimen, ditto*
- 47 A most curious impression of an unknown vegetable in a
coal slate, *ditto*
- 48 A curious jointed coral on a madrepora, *Dominica*; and a
fine millepora agaracites, *Sicily*
- 49 A most curious astroites with prominent stars, *Maastricht*
- 50 A large specimen of cobalt with beautiful red efflorescence,
Germany
- 51 A beautiful coral, *Dominica*; and a fine echinus ovarius
with its spines
- 52 A cavernous mine stone with crystals, and beautiful spiculæ
of white lead ore in the cavities, *Saxony*
- 53 A curious specimen of antimony, *France*; and a group of
crystals with marcasites, *Switzerland*
- 54 A fine group of columnar crystals from a tin mine in *Corn-
wall*, marcasites of a singular colour with spars in lime-
stone, *Bath*; and a rich specimen of copper ore
- 55 Two most beautiful and rare specimens, one of coloured
blistered copper ore with plaited marcasites, *Cornwall*;
the other of white cubic fluors with topaz coloured
24-sided spars on the surface, *Derbyshire*
- 56 Garnets in their native bed of micæ, thro' which runs a
vein of quartz, *very rare, Norway*; a fine group of
cubic marcasites, *Cornwall*; and a group of brilliant
white 24-sided spars, *Derbyshire*
- 57 A large and beautiful red and white chalcedony with a cry-
stalized crust, *Germany*
- 58 A fine specimen of native copper in quartz, *Cornwall*; and
a crystalized iron ore with spar, *Island Elva in the
Mediterranean*
- 59 Two fine bull's mouth helmets
- 60 A very scarce variety of the clamps, *New Caledonia*

- 61 A fine group of eleven purple furbelowed oysters on a madre-pore, *Dominica*
- 62 A mine stone with curious figured lead ore and straw coloured 30-sided spars, and zinc ore in large crystals with double pointed spars on a group of cubic fluors, *Derbyshire*, very rare, and a fine marcasite, *Bath*
- 63 Impression of a rare cuneus in free stone, *Portland*; and a fine valve of a pecten with other marine remains in chert, *Switzerland*
- 64 A large specimen of the oriental red jointed coral with several curious madrepores adhering, *East Indies*
- 65 A scarce variety of the muricated coral, and a millepora, *West Indies*
- 66 A group of large columnar crystals with rich coloured marcasites on the surface, *Cornwall*, a very fine specimen
- 67 A large petrified elephant's tooth, *Stamford* in *Lincolnshire*, very rare
- 68 Iron ore with singular stalactitical figures in the cavities, *Germany*; a group of uncommon spars, *Wales*; and a group of cubic fluors frosted with marcasites, *Derbyshire*
- 69 A group of pointed spars incrustated with a stalagmitical spar, a group of cubic fluors and spars, *Derbyshire*; and another with large spars covered with mundic, *Staffordshire*
- 70 A large and fine shoulder of mutton oyster, *Shotover Hill*, *Oxfordshire*
- 71 Great part of an echinus mamillaris with one of its spines imbedded in chalk, an echinus pileatus, and a pecten imbedded in flint, *Kent*
- 72 A curious mass of singular shaped double pointed spars, incrustated with a white calcareous matter, with cubic fluors, cauk and vitriol in the base, and a group of uncommon spars, *Derbyshire*
- 73 Fine black dendritæ in a white flint with its counter part, *Norfolk*, rare
- 74 A fine astroites with prominent stars, and curious corallines adhering, *Maestricht*
- 75 Rare stalactitical hæmatites with minute crystals on the surface on lime stone, from the *Lime Pits*, near *Bristol*; and a fine group of spars and cubic fluors, *Derbyshire*
- 76 A beautiful mass of figured lead ore, cubic fluors and cockscomb marcasites, *Derbyshire*; a group of cubic fluors with crystalized lead and zinc ore intermixed, *ditto*; and a group of large columnar crystals with interior marcasites, and lesser crystals and marcasites on the sides, *Cornwall*
- 77 A fine petrified crab, *Sheepy*; an echinus cordatus, and a large and fine spined pecten in chalk, *Kent*

- 78 Two fine groups of cubic fluors with lead ore, marcasites, &c. *Derbyshire*, a curious foreign lead ore, and a singular pyrites
- 79 Four fine groups of minerals
- 80 Five ditto
- 81 A fine striped jasper, *Saxony*; a fine Hertfordshire pebble, a chalcedony, and an amethyst, *all polished*
- 82 A fine astroites, and a curious brainstone

I N S E C T S.

S H E L L S, F O S S I L S, &c.

- 93 A thorny woodcock, 2 alphabets, a flambeau, and 5 more
- 94 Two horse's hoof snails, 2 gold brocades, and 9 others
- 95 Sixteen pair of beautiful cowries and olives
- 96 A large radiated mask limpet, *Falkland's Island*; a cinder shell, and 7 more
- 97 Two spotted tuns, an Iris ear, and 4 more
- 98 An afs's ear, a bastard ditto, a glazed buccinum, and 110 others
- 99 A crumpled pecten, an oriental pecten, and 6 more
- 100 Antimony, *Cornwall*; crystalized green lead ore, *Scotland*, and 14 more
- 101 Six various marbles, and an agate, *polished*
- 102 A curious figured lead ore, and another, *Derbyshire*; a cast of a cunæus frosted with marcasites and spars, *Derbyshire*; a fine mundic, *Eaton*, and 2 more
- 103 Fourteen curious petrefactions
- 104 An exceeding fine Mediterranean trumpet
- 105 Two black oriental trochi, a fine harp, and 6 more
- 106 Twenty-three valves of beautiful pectens
- 107 A tortoiseshell limpet, *China*; a beautiful pink harp, *Guinea*; a tuberculated paper nautilus, and a fine staircase, *all rare*
- 108 An Iris ear, 2 fine nutmeg cowries, and a clamp
- 109 *The crowned melon, very rare*

- 110 A purple spondylus, and a fine oriental clouded tun
- 111 A fine large ear shell, *Van Dieman's Land*, very rare
- 112 An extreme scarce buccinum, *New Zealand*
- 113 Two chevaux de frize purpuræ, rare
- 114 Four rare snails, a snipe, a Swiss breeches, and 2 more
- 115 A fine thorny snipe, *Bay of Gibraltar*
- 116 A scarce oriental buccinum, a triangular wilk, and 3 more
- 117 A rare chequered cockle, *New Caledonia*; and an imperial crown
- 118 Two studded buccina, 2 scarce volutes, and 11 more
- 119 Two Venus's ears, a bloody mouth alatus, 2 rare buccina, and a beautiful specimen of the great oriental green snail in a young state
- 120 A pullet's egg, a crumpled and 3 other pectens, a rare tellen, *Florida*, and 2 more
- 121 A rare snipe, 2 purpuræ, and 3 other oriental shells
- 122 A fine spondylus, *East Indies*, very rare
- 123 Three fine complete butterfly's wing pectens, *Minorca*; an anomia straita, a purple solen, and 6 more
- 124 An orange striped helmet, 2 music, 2 scarce alatae, and 4 more

Twenty-third Day's Sale, *Friday, April 30.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and petrefactions
- 2 Ditto
- 3 A vertebra of a very large fish, *Gloucestershire*; 2 oysters, *Oxfordshire*; 2 echini galeati filled with flint, and 3 other petrefactions
- 4 A thin hollow mass of cubic fluors sprinkled with spars, and a group of 12-sided spars on cubic fluors, *Derbyshire*; 2 fine marcasites, *Staffordshire*; and a crystal, *Cornwall*
- 5 Six beautiful coloured marcasites, *Staffordshire*
- 6 A singular pyrites, *Suffex*; a geodes, *Northamptonshire*; a copper ore, a lead ore, and 5 more
- 7 Copper ore, *Scotland*; iron ore with crystals, *Bristol*; amethystine cubic fluors, *Durham*, and 6 more
- 8 Lead ore, *Durham*; a crystalized flint, and 5 other fossils
- 9 Four

- 41 Brown spathose iron ore with veins of quartz intermixed,
Bensdorff on the Rhine
- 42 Peacock copper ore intermixed with a curious spar on
lime stone, a large specimen, *Rhine, very rare*
- 43 Two fine specimens of the millepora alcicornis, with neck-
lace corallines and branched sponges adhering to them,
Dominica
- 44 Section of a large chambered nautilus, finely shewing the
concamerations and siphunculus, some of the chambers
are lined with spars and marcasites, *Bath*
- 45 A branched flint nodule with part of a very rare echinus ma-
millaris, and 2 of its spines imbedded on the surface,
Kent
- 46 A piece of flint with part of an echinus mamillaris of the
same species with the preceding, and 6 of its spines
imbedded on the surface, *a most curious specimen, ditto*
- 47 A most curious impression of an unknown vegetable in a
coal slate, *ditto*
- 48 A curious jointed coral on a madrepora, *Dominica*; and a
fine millepora agaracites, *Sicily*
- 49 A most curious astroites with prominent stars, *Maastricht*
- 50 A large specimen of cobalt with beautiful red efflorescence,
Germany
- 51 A beautiful coral, *Dominica*; and a fine echinus ovarius
with its spines
- 52 A cavernous mine stone with crystals, and beautiful spiculæ
of white lead ore in the cavities, *Saxony*
- 53 A curious specimen of antimony, *France*; and a group of
crystals with marcasites, *Switzerland*
- 54 A fine group of columnar crystals from a tin mine in *Corn-
wall*, marcasites of a singular colour with spars in lime-
stone, *Bath*; and a rich specimen of copper ore
- 55 Two most beautiful and rare specimens, one of coloured
blistered copper ore with plaited marcasites, *Cornwall*;
the other of white cubic fluors with topaz coloured
24-sided spars on the surface, *Derbyshire*
- 56 Garnets in their native bed of micæ, thro' which runs a
vein of quartz, *very rare, Norway*; a fine group of
cubic marcasites, *Cornwall*; and a group of brilliant
white 24-sided spars, *Derbyshire*
- 57 A large and beautiful red and white chalcedony with a cry-
stalized crust, *Germany*
- 58 A fine specimen of native copper in quartz, *Cornwall*; and
a crystalized iron ore with spar, *Island Elva in the
Mediterranean*
- 59 Two fine bull's mouth helmets
- 60 A very scarce variety of the clamps, *New Caledonia*

- 61 A fine group of eleven purple furbelowed oysters on a madre-
pore, *Dominica*
- 62 A mine stone with curious figured lead ore and straw co-
loured 30-sided spars, and zinc ore in large crystals with
double pointed spars on a group of cubic fluors, *Der-*
byshire, *very rare*, and a fine marcasite, *Bath*
- 63 Impression of a rare cuneus in free stone, *Portland*; and a
fine valve of a pecten with other marine remains in chert,
Switzerland
- 64 A large specimen of the oriental red jointed coral with fe-
veral curious madrepores adhering, *East Indies*
- 65 A scarce variety of the muricated coral, and a millepora,
West Indies
- 66 A group of large columnar crystals with rich coloured mar-
casites on the surface, *Cornwall*, *a very fine specimen*
- 67 A large petrified elephant's tooth, *Stamford* in *Lincolnshire*, *very*
rare
- 68 Iron ore with singular stalactitical figures in the cavities,
Germany; a group of uncommon spars, *Wales*; and a
group of cubic fluors frosted with marcasites, *Derbyshire*
- 69 A group of pointed spars incrustated with a stalagmitical
spar, a group of cubic fluors and spars, *Derbyshire*; and
another with large spars covered with mundic, *Staf-*
fordshire
- 70 A large and fine shoulder of mutton oyster, *Shotover Hill*,
Oxfordshire
- 71 Great part of an echinus mamillaris with one of its spines
imbedded in chalk, an echinus pileatus, and a pecten
imbedded in flint, *Kent*
- 72 A curious mass of singular shaped double pointed spars, in-
crustated with a white calcareous matter, with cubic
fluors, cauk and vitriol in the base, and a group of un-
common spars, *Derbyshire*
- 73 Fine black dendritæ in a white flint with its counter part,
Norfolk, *rare*
- 74 A fine astroites with prominent stars, and curious corallines
adhering, *Maastricht*
- 75 Rare stalactitical hæmatites with minute crystals on the
surface on lime stone, from the *Lime Pits*, near *Bristol*;
and a fine group of spars and cubic fluors, *Derbyshire*
- 76 A beautiful mass of figured lead ore, cubic fluors and
cockscorn marcasites, *Derbyshire*; a group of cubic
fluors with crystalized lead and zinc ore intermixed,
ditto; and a group of large columnar crystals with in-
terior marcasites, and lesser crystals and marcasites on
the sides, *Cornwall*
- 77 A fine petrified crab, *Sheepy*; an echinus cordatus, and a
large and fine spined pecten in chalk, *Kent*

- 78 Two fine groups of cubic fluors with lead ore, marcasites, &c. *Derbyshire*, a curious foreign lead ore, and a singular pyrites
- 79 Four fine groups of minerals
- 80 Five ditto
- 81 A fine striped jasper, *Saxony*; a fine Hertfordshire pebble, a chalcedony, and an amethyst, *all polished*
- 82 A fine astroites, and a curious brainstone

S H E L L S, F O S S I L S, &c.

- 93 A thorny woodcock, 2 alphabets, a flambeau, and 5 more
- 94 Two horse's hoof snails, 2 gold brocades, and 9 others
- 95 Sixteen pair of beautiful cowries and olives
- 96 A large radiated mask limpet, *Falkland's Island*; a cinder shell, and 7 more
- 97 Two spotted tuns, an Iris ear, and 4 more
- 98 An afs's ear, a bastard ditto, a glazed buccinum, and 110 others
- 99 A crumpled pecten, an oriental pecten, and 6 more
- 100 Antimony, *Cornwall*; crystalized green lead ore, *Scotland*, and 14 more
- 101 Six various marbles, and an agate, *polished*
- 102 A curious figured lead ore, and another, *Derbyshire*; a cast of a cunæus frosted with marcasites and spars, *Derbyshire*; a fine mundic, *Edon*, and 2 more
- 103 Fourteen curious petrifications
- 104 An exceeding fine Mediterranean trumpet
- 105 Two black oriental trochi, a fine harp, and 6 more
- 106 Twenty-three valves of beautiful pectens
- 107 A tortoiseshell limpet, *China*; a beautiful pink harp, *Guinea*; a tuberculated paper nautilus, and a fine staircase, *all rare*
- 108 An Iris ear, 2 fine nutmeg cowries, and a clamp
- 109 The crowned melon, *very rare*

- 110 A purple spondylus, and a fine oriental clouded tun
- 111 A fine large ear shell, *Van Dieman's Land*, very rare
- 112 An extreme scarce buccinum, *New Zealand*
- 113 Two chevaux de frize purpuræ, rare
- 114 Four rare snails, a snipe, a Swiss breeches, and 2 more
- 115 A fine thorny snipe, *Bay of Gibraltar*
- 116 A scarce oriental buccinum, a triangular wilk, and 3 more
- 117 A rare chequered cockle, *New Caledonia*; and an imperial crown
- 118 Two studded buccina, 2 scarce volutes, and 11 more
- 119 Two Venus's ears, a bloody mouth alatus, 2 rare buccina, and a beautiful specimen of the great oriental green snail in a young state
- 120 A pullet's egg, a crumpled and 3 other pectens, a rare tellen, *Florida*, and 2 more
- 121 A rare snipe, 2 purpuræ, and 3 other oriental shells
- 122 A fine spondylus, *East Indies*, very rare
- 123 Three fine complete butterfly's wing pectens, *Minorca*; an anomia straita, a purple solen, and 6 more
- 124 An orange striped helmet, 2 music, 2 scarce alatae, and 4 more

Twenty-third Day's Sale, *Friday, April 30.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of minerals and petrefactions
- 2 **A** Ditto
- 3 A vertebra of a very large fish, *Gloucestershire*; 2 oysters, *Oxfordshire*; 2 echini galeati filled with flint, and 3 other petrefactions
- 4 A thin hollow mass of cubic fluors sprinkled with spars, and a group of 12-sided spars on cubic fluors, *Derbyshire*; 2 fine marcasites, *Staffordshire*; and a crystal, *Cornwall*
- 5 Six beautiful coloured marcasites, *Staffordshire*
- 6 A singular pyrites, *Suffex*; a geodes, *Northamptonshire*; a copper ore, a lead ore, and 5 more
- 7 Copper ore, *Scotland*; iron ore with crystals, *Bristol*; amethystine cubic fluors, *Durham*, and 6 more
- 8 Lead ore, *Durham*; a crystalized flint, and 5 other fossils
- 9 Four

- 9 Four various corals
- 10 A partridge tun, 2 ears, and 6 more
- 11 Two purple mouth alatae, and 2 snakes
- 12 A Barbary muscle, 2 harps, and 3 more
- 13 A knobbed fig, 2 painted ears, and 6 more
- 14 A furbelowed clamp
- 15 Two spiders, an alatus, and a Surinam toad
- 16 Two leopard cowries, a solen, a spoon made of a spotted melon, and 2 more
- 17 A purple spondylus, and a New Zealand periwinkle
- 18 Twenty-three shells, various
- 19 Two bull's mouth helmets, 2 spiders, and 2 fine argus cowries
- 20 A remarkable large claw of a lobster, and an ostrich's egg
- 21 A large muricated West India coral
- 22 A purple Venus's fan, with curious adhesions, and a millepora
- 23 A large and fine purple sea feather on its native rock, *Dominica*
- 24 Another curious keratophyton with a swallow pearl shell adhering on its rock, *ditto*
- 25 A fine Mediterranean coral
- 26 Two large oriental purpuræ
- 27 A rare oyler, *Anamabco*
- 28 A white stone perforated by pholades, with a brown keratophyton, and 3 astroitæ adhering to it, *Dominica*
- 29 A fine group of large and small columnar crystals, the surface tinged yellow, with copper and marcasites in the base, *Cornwall*
- 30 A group of white cubic fluors with internal marcasites, on a lime stone having entrochi and other marine remains imbedded in it, with lead ore and spars intermixed with the fluors, *Derbyshire*; a curious group of spars, *ditto*; part of a large crystal with botroid marcasites on the surface, *Cornwall*; and a fine mundic, *Edon*
- 31 A fine millepora alcicornis with necklace coralline and other adhesions, *Dominica*
- 32 A calcareous iron stone with a thin crust of a singular iron ore on the surface having upon it double pointed red crystals, thro' which the iron ore is visible, a most curious and rare specimen, from the neighbourhood of *Bristol*
- 33 A fine mushroom coral, *East Indies*; and a beautiful white keratophyton on its native rock, *Sicily*
- 34 An echinus ovarius with its spines, a fine millepora agaracites, and a curious piped sponge
- 35 A fine specimen of red porphyry, *Italy*; and a very large and singular Egyptian pebble

- 36 An exceeding fine group of pink tulip balani, most of them having their opercula or teeth, from the *Coasts of Sicily*
- 37 Another, equally fine having also adhesions of oysters, &c. *ditto*
- 38 Ore containing gold and silver with marcasite and blend in quartz, and black horn, slate or shiver, *Goldestaal in Schwartzbourg*
- 39 A chambered nautilus, with its pearly shell, being happily broke, it finely exhibits the concamerations and siphunculus, which are incrustated with yellow waxen spar, *Sheepy Island, Kent*
- 40 A large and exceeding fine butter print coral, *East Indies, very rare*
- 41 A very curious and rare agaric sponge, *Dominica*
- 42 An orthoceratites in lime stone, *Westmorland*; an anomia plana in flint, the two valves fortunately separated and discovering the inside of the shell and the interior structure, finely crystalized, *Kent*; a cast of a trochus, *Bath*; and a mass of minute ammonitæ, *Brussels*
- 43 A fine Hampstead pebble, a beautiful jaspachates, *Germany*; and a rare brown cauk, *Derbyshire, all polished*
- 44 A beautiful chalcedony with crystalized crust, *Germany*; a singular Egyptian pebble, and a fine Derbyshire fluor, *polished*
- 45 A most beautiful jasper, *Siberia, very rare*, a fine red English jasper, an eyed chalcedony intermixed with crystals, *Germany*; and a curious jaspachates, *ditto, all polished*
- 46 Four small but choice groups of fossils, viz. amethystine cubic fluors with white spars on the surface, on a figured lead ore, brilliant clear white 24-sided spars, one of them double pointed, on cubic fluors, lead ore and crystalized blend and white spars of the same kind on cubic fluors with lead ore, *Derbyshire*; and columnar crystals with marcasites, *Cornwall*
- 47 Three ditto, viz. cinnabar with spar, *Hungary*; manganese with spar, *Ilmenau in Thuringia*; and white striated spathose lead ore
- 48 Five ditto, viz. green and yellow grain marcasites on white cauk balls, *Eaton*; crystalized lead and zinc ore, amethystine cubic fluors with lead ore, rare spars on lime stone and marcasite, and white 24-sided ditto on crystalized blend and cubic fluors, *Derbyshire*; and a flint with minute white crystals, *Kent*
- 49 Part of a septarium with waxen spar septæ, sprinkled with marcasites, and a fine stella septarium, *Sheepy*; selenites romboidalis, *France*; a fine chalcedony or bubbled flint, *Norfolk*; and brown columnar crystals nearly united in one, *Bohemia*

- 50 Part of an ammonites with fine marcasites and spar in the chambers, *Bath*; a group of white cubic fluors with minute grains of marcasite within them, *Derbyshire*; a fine crytallized zinc ore with brilliant spars on the surface, *ditto*; a piece of a fine waxen spar septæ, *Sheepy*; and a green lead ore
- 51 A large cockle in flint, *Kent*, unique
- 52 Four beautiful polished stones, viz. 2 pebbles, *Hertfordshire*; an agate, and a jasper, *Saxony*
- 53 The major part of a rare echinus mamillaris, part of another with several fragments of spines in chalk, and a pecten, from the *Chalk Pits of Kent*; a pediculus, *Dudley*; and a section of an ammonites, *Whitby*, polished
- 54 A beautiful astroites with prominent stars, *Maestricht*
- 55 Brown and white iron spars, with iron ore, *Forest of Dean*; a large columnar crystal with marcasites, *Cornwall*; a botroid specimen of green copper ore, and a fine hæmatites
- 56 Part of a large cube of amethystine fluor, with white crystals and spar on the surface, *Durbam*; yellow copper ore with quartz, *Turgolar Mine, Cornwall*; and marcasites with iron spar, *Bath*
- 57 Spar from *Devonshire*, figured lead ore with rare 6-sided spars and cubic fluors, a group of crystals, and a rare foreign marcasite
- 58 A slab of amethysts, *Saxony*, polished; and a beautiful and rare marcasite in white cauk, *Eaton*
- 59 A small brainstone and a fungus coral, *West Indies*; a green millepora agaracites, a madrepora, and one more, *Sicily*, and a curious astroites
- 60 A beautiful chalcedony, and a rare green striped jasper, polished

ANIMALS in SPIRITS.

- 61 A foetus of a seal, *Hudson's Bay*
- 62 Two snakes, in 2 bottles
- 63 A very large and fine snake, *Surinam*
- 64 Two curious snakes, and a foetus of a shark, in 3 bottles
- 65 A frog fish, *Surinam*; and a rare mottled lizard, 2 bottles
- 66 A scincus, and a curious snake, 2 bottles
- 67 An amphisbæna, and 2 lizards, 3 ditto
- 68 Two snakes, a file fish, and a lizard, 4 ditto
- 69 Three lizards, different, and a remora, 4 ditto
- 70 A globe fish and a sole, *North America*, and 3 lizards, 5 ditto
- 71 Head and foot of a land tortoise, 2 lizards, &c. 5 ditto
- 72 A

- 72 A soldier crab, a cashew apple in the bottle it grew in, a concha anatifera, 2 centipedes, and 7 more, 6 bottles

SHELLS, CORALS, FOSSILS, &c.

- 73 A variety of curious opercula of snails, buccina, and other shells
 74 Two scarlet admirals, and 9 more
 75 Thirteen pair of beautiful cowries and olives
 76 Eleven patellæ of different species
 77 Twenty-six beautiful olives and cowries, in pairs
 78 Two magpyes, a snake, 2 pectens, and 3 more
 79 A triangular wilk, a gold brocade, and 7 more

- 90 An oriental coral, and an occidental ditto
 91 A fine large chambered nautilus
 92 A fine Mediterranean coral
 93 Two West India corals
 94 A rare foreign crystalization, and a fine cobalt with blue and green efflorescence, *Saalfeld*
 95 A thin lamina of yellow slate with beautiful dendrites on the surface, *Papenheim*
 N. B. The fifth verse of the first chapter of Genesis is curiously done in relieve on the slate above the dendritæ.
 96 A rare branched madrepora, and a fine agaric coral
 97 Three fine echini ovarii, one with its spines
 98 A thin specimen of coal slate with impressions of unknown vegetables on both sides, *Lancashire*
 99 A fine ammonites, *Germany*, cut in two, and polished

- 100 Rich black hæmatites iron ore, *Germany*, and a curious group of small columnar crystals with fine tin grains, marcasites, and a cupreous matter intermixed, on a mine stone containing tin ore, from a tin Mine called the *Pink*, near *Redruth*, *Cornwall*
- 101 A group of three cockscomb oysters and a pecten, *very rare*, *Suabia*; and a mass of large and small fragments of encrini, *Derbyshire*
- 102 A very rare land tortoise, and a curious piped sponge
- 103 The thick mushroom coral, *very rare*
- 104 Curious stalactical iron ore, some parts finely coloured, on a rich iron stone, *foreign*; a very large rhomboidal felenites, *Oxfordshire*; and a rich copper ore, *Thuringia*
- 105 A white flint with beautiful black dentritæ on the surface, *Norfolk*
- 106 Rare topaz coloured spars with large grains of black zinc ore, cubic fluors, &c. intermixed on a calcareous stone, and a fine group of spars and amethystine fluors, *Derbyshire*
- 107 A curious madrepora, *East Indies*; and another with adhesions of pink balani, *Sicily*
- 108 An exceeding fine astroites, the interstices of which are filled with chert, a part of it shews the original appearances, *Gloucestershire*
- 109 A rare limpet, *Island of St. Thomas*; a long snail, *Surinam*; and a fine scorpion, *East Indies*
- 110 A large and fine Iris ear, *New Zealand*
- 111 A unicorn, *Cape Horn*; a carved magpye, an Amerian muscle with an oyster adhering, an helmet, and a tun
- 112 Two fine bull's mouths, and a Red Sea trochus, *uncoated*
- 113 A ribbed snake in fine preservation, *New Holland*; a beautiful cowry, *Otaheite*; and a rare muricated periwinkle, *Dominica*
- 114 Nine fine oriental shells, and 2 tulip tellens
- 115 Two fine spindles
- 116 A group of sole oysters in sponge, a snake, 2 Mediterranean melons, and 5 more
- 117 Two crumpled pectens, a scarce oriental buccinum, and 11 more
- 118 Two flea bitten volutes, a scarce land snail, and 5 more
- 119 A tuberculated paper nautilus, *Cape of Good Hope*; and a wrinkled ditto, *Mediterranean*
- 120 An ammonia snail, a snipe, a nerites, a mitre, and a trochus, *all rare*
- 121 Two scarce brocades, 2 ditto helmets, and 6 more
- 122 *The imperial sun*, *Clouday Bay* in *Cook's Straits*, *New Zealand*, *very rare*

- 123 Two camp olives, 2 poached eggs, 2 telescopes, and
3 spiral buccina
- 124 An hebraica, *New Holland*; and a fine mole cowry, *both*
rare
- 125 Thirteen curious shells
- 126 Two gold mouth snails, a fine grimace, a lesser alphabet,
2 lettered cockles, and 5 more
- 127 A cat's tongue tellen, a fine flea bitten volute, a rare tro-
chus, and 5 others
- 128 Twenty-one curious small shells, *some of them rare*
- 129 Two neritæ, *Ascension Island*; 2 staircases, an uncommon
alatus, a rare volute, and 7 other curious shells
- 130 A dolphin, a beautiful specimen of the great oriental
green snail in a young state, and 6 others equally
curious

Twenty-fourth Day's Sale, *Saturday, May 1.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Box of grotto spars, &c.
- 2 **A** Ditto
- 3 A box of rough crystals
- 4 A group of selenites, and 4 more
- 5 Seven various iron ores
- 6 Five ditto, and lead and iron ore intermixed, *Derbyshire*
- 7 An ochreous ferruginous tube, *Shotover Hill, Oxfordshire*;
iron ore, *Forest of Dean*; and mundic in spar, *Eaton*
- 8 Various geodæ and other iron ores
- 9 Five various iron ores, and a stalagmites
- 10 Ten lead, iron, and tin ores, &c.
- 11 A large group of spars, cubic fluors and lead ore, *Derbyshire*,
a copper ore, and 4 more
- 12 A group of crystals, *Hartæ*; an *Eaton* marcasite, a pyrites,
and 3 more
- 13 Tin ore, *Cornwall*, and 8 more
- 14 Pebble crystals, *Brazils*; 4 beautiful groups of spars, fluors,
lead ore, &c. *Derbyshire*; a fine *Eaton* mundic crystal,
Cumberland; ditto *Bristol*, and one more
- 15 A Cornish tin ore, 3 fine marcasites, *Eaton*; 2 singular dark
purple cubic fluors, *Derbyshire*, and 3 more
- 16 A Bezoar and another helmet, 2 scarce patellæ, and 4 more

- 17 A West India trumpet, and a clamp
- 18 An oyster with adhesions of barnacles, 2 tuns, and 4 more
- 19 Three madrepores, 2 astroites, and a keratophyton
- 20 A devil, 2 Iris ears, a rare banded snail, and 3 more
- 21 Various small shells in cards
- 22 Ditto
- 23 A book of sea weeds
- 24 Ditto
- 25 Two large magpyes, and 2 fine bull's mouths
- 26 A telescope, sundry cowries, olives, snails, &c.
- 27 A purple spondylus, 2 cowries, and one more
- 28 Three oysters, a vertebra of a very large fish, a coralloid, and 4 other petrefactions
- 29 A fine large purple sea feather, *West Indies*
- 30 A large and fine *millepora alcicornis* with agaric coral and other adhesions, *West Indies*
- 31 A large West India muricated coral, beautifully white and fine
- 32 A very large and fine *madrepora danæ cornis*, *East Indies*
- 33 The shell of a large land tortoise
- 34 A very large bear's paw cockle, *East Indies*
- 35 A large and fine specimen of bacon spar, *Staffordshire*
- 36 A very large oriental purpura
- 37 A large and fine specimen of iron ore, *Forest of Dean*
- 38 A beautiful rose coloured madrepora virginia, *Providence*
- 39 A capital group of large brown columnar crystals, *Bohemia*,
rare
- 40 The great oriental spider shell, *rare*
- 41 A large group of columnar crystals, *Cornwall*
- 42 An exceeding fine group of cauk balls and spar on lime stone, with coloured grain marcasites, and a large double pointed spar having internal marcasites on the surface, *Eaton Copper Mine, Staffordshire*
- 43 A fine specimen of branched fungus coral, *East Indies*
- 44 A fine sea mushroom having 2 lesser ones adbering to the under side, very curious and rare
- 45 Part of a large ball with an agate crust, the inside lined with fine large amethyfts, *Palatinate*
- 46 A large and fine specimen of the tubularia purpurea, *East Indies*
- 47 A group of lead ore in large crystals with cubic fluors and marcasites intermixed, *Derbyshire*
- 48 A flesh coloured fluor, termed by the Derbyshire minors *kibble*, with veins of lead ore, from a lead mine near *Castleton in Derbyshire*
- 49 A fine stella septarium, *Sheepy*; a group of lead ores, fluors and marcasites, and a group of large double pointed spars, *Derbyshire*

- 50 A fine stellated iron ore, *Scotland*; and a polished specimen of lead ore, *Derbyshire*
- 51 A group of spars with roses of crystalized zinc ore, lead ore, &c. *Derbyshire*; and a fine marcasite, *Cornwall*
- 52 A bloody tooth nerites, a granate ditto, 2 scarce black trochi, and 12 other shells
- 53 A scarce muscle, *New Zealand*; 2 music, a carrot, and another volute, and an olive
- 54 A very small clamp, 2 zigzag cowries, a lettered cockle, a dipper, and 12 more
- 55 Two muricated figs, *Barbadoes*; 2 West India ribband snails, and 5 more
- 56 A small trumpet, a telescope, a garnet limpet, and 8 more
- 57 Twenty-seven beautiful cowries and olives
- 58 Two thorny woodcocks, a fine pecten, and 6 more
- 59 Two olives, *Musquito Shore*; a bull's eye snail, 2 small harps, and 13 others
- 60 Seven various fossils
- 61 Twenty-two onyxes, carnelians, pebbles, &c. and 16 small carnelian rings
- 62 Thirty-two polished mocoa stones
- 63 Crystalized tin ore, *Cornwall*
- 64 Coloured lead ore, and 4 more, *Derbyshire*; and a marcasite, *Staffordshire*
- 65 A pebble carnelian, *Falkland's Island*; 5 pebbles, a pudding stone, and one more

SHELLS, CORALS, FOSSILS, &c.

- 76 Two fine keratophytæ, one on its native rock, *Mediterranean*
- 77 Two fine conchs, *West Indies*
- 78 Two

- 78 Two different madrepores on one bed, *East Indies*, very curious
- 79 A group of singular crystals, *Cornwall*; and 2 others, *Derbyshire* and *Staffordshire*
- 80 A fine specimen of petrified pipe coral, *Staffordshire*; and an orthoceratites in lime stone
- 81 A large and fine group of cockscomb pyrites, rich in iron, *Derbyshire*
- 82 A fine crystalized lead ore with white cubic fluors, *Derbyshire*; a group of crystals, *Bristol*; ditto, *Durham*; and a curious spar
- 83 A curious astroites adhering to a large spondylus, a great rarity
- 84 A group of large amethystine cubic fluors, the surface entirely covered with dark crystals, the base iron ore, *Durham*; green lead ore, *Schopau*; and green efflorescence of copper with black cobalt and yellow ochre on iron ore, *Voightland*
- 85 A slab part of a septarium, *Durham*; part of a nodule of amethystine cubic fluors, *Derbyshire*; and a marble, *Italy*, all polished
- 86 A fine blue mundic, *Staffordshire*; and a group of spars and fluors, *Derbyshire*
- 87 Impression of a rare and curious plant in iron stone, *Northumberland*; and a large and fine antediluvian snail, *France*
- 88 A fine oyster, *Oxfordshire*; a section of a rare ammonites with spar and crystals in the chambers, *France*; and a fine piped coralloid, *Derbyshire*
- 89 An exceeding fine butter print coral, and a curious fungus coral, *East Indies*, both very rare
- 90 A fine and large specimen of manganese, *Island Elbe*
- 91 Rich tin ore with fine tin grains, *East Indies*, very rare
- 92 The cast of a large and rare buccinum in chert, the surface beautifully frosted with minute crystals, *France*; and an impression of a pediculus in lime stone, *Wales*, rare
- 93 A fine large specimen of asbestos, and a large rough topaz, *Scotland*; a curious group of crystalized lead ore, spar and fluors, *Derbyshire*; and a rare brilliant botroid marcasite, *Cornwall*
- 94 Red silver ore in a vein or mine stone, *Potosi*; taken in the Hermoine prize, very rare
- 95 Curious stellated iron ore, *Scotland*; a singular group of spars, fluors, lead ore and blend, *Derbyshire*; brush iron ore with curious spars intermixed and on the surface, *Forest of Dean*; and a group of nummular 12-sided spars on lime stone with fragments of encrini imbedded in it, *Derbyshire*

- 96 Pebble crystal, *Brazils*; a fine group of cubic fluors saturated with minute marcasites, with double internal cubes, and beautiful white 24-sided spars, very brilliant, and a group of large yellow cauk balls with dark purple cubic fluors intermixed, *Derbyshire*
- 97 A fine specimen of manganese, *Island Elbe*
- 98 A curious serpentine stone, *Malacca*; a large double pointed topaz spar, *Derbyshire*; and a group of cubic fluors with marcasites within and on the surface of them, *ditto*
- 99 Two fine mardepores, *very rare*
- 100 A large and fine muricated periwinkle, *New Zealand*; a large African volute, and a fine leopard cowry
- 101 A large and fine melon, *East Indies*
- 102 A knobbed American fig, a large smooth English wilk, and a fine triangular wilk
- 103 Two fine brunette volutes, a rayed mask limpet, *Falkland's Island*, a garnet limpet, and 6 more
- 104 A fine iris ear, and a shoulder of mutton alatus
- 105 Two magpyes, a devil, a painted cockle, a fun, 2 false Guinea admirals, and 2 Otaheite cowries
- 106 A very fine map, and another rare cowry
- 107 *A fine echinis mamillaris with its spines, Sicily*
- 108 Two oriental butterfly wings, and 11 other valves of beautiful pectens, *some of them rare*
- 109 A fine large purple mouth zebra snail, *Coast of Guinea*
- 110 A muricated green and purple periwinkle, a fine bull's mouth helmet, a trochus, *uncoated*, and one more
- 111 A fine compass pecten
- 112 A scarce variety of the zebra trochus, finely carved, and a fine long devil, *East Indies*
- 113 Two poached eggs, a silk brocade, a rare American buccinum, a zebra snail, *Cape*, and another with its epidermis, *Guinea*
- 114 A deformed fig, a ribband snail, a rare volute, and a harp, *East Indies*; a rare purpura, and a pink alatus, *Guinea*
- 115 A fine spider's web volute and an imperial crown, *both oriental and rare*
- 116 A fine oriental pecten, a brown limpet, and 2 more
- 117 Two bead snails, *New Zealand*, a snipe, and 7 more
- 118 Two alphabets, a fine purple furbelowed oyster on coral, a rare limpet, a rayed mask ditto, and a pecten
- 119 A chequered ear, *New Zealand*, 2 chesnuts, 2 volutes, and 4 more
- 120 A box containing a variety of curious small shells, assorted on cards

Twenty-fifth Day's Sale, Monday, May 3.

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 **A** Specimen of the muricated coral with long naked branches, *West Indies*, very rare, and a purple Venus's fan
- 2 A fine West India millepora coral
- 3 Part of the blade bone of a whale petrified, very rare, *Oxfordshire*
- 4 A large and fine septarium with crystal septæ, *Durham*
- 5 A large group of cubic fluors sprinkled with marcasites, and a curious lusus naturæ in a stalactites, *Derbyshire*
- 6 A very large boulder of rare oriental porphyry
- 7 A large and fine brainstone, *West Indies*
- 8 One valve of a very large pinna marina, *Sicily*
- 9 A very large ammonites, *Somersetshire*
- 10 The shell of a black land tortoise, uncommonly large, being near two feet long, very rare
- 11 A small American land tortoise, complete, on a stand
- 12 A large flat piece of limestone full of fragments of encrini, many of which are in relief on the surface, *Derbyshire*
- 13 Another variety of ditto, polished, and forming a most curious marble, from the same county
- 14 A specimen of the Durham marble with corals in it, and a fine Italian marble, both polished
- 15 A fine large group of cubic fluors, marcasites, crystalized blend, and very large double pointed spars, *Derbyshire*
- 16 Two very uncommon figured stones
- 17 Two ditto, *River Dove*, on the *Staffordshire* side
- 18 A large oriental mother o'pearl shell, with a rare astroites formed on the back, a very curious specimen
- 19 Seven curious bivalve shells
- 20 Thirty-five beautiful small cowries and olives
- 21 A triangular wilk, 2 thorny woodcocks, a hog's snout, and 6 more
- 22 A large flea bitten, 2 fine bleeding teeth, 2 West India ribbands, and 2 black tortoises
- 23 Two wild music, a harp, a black tyger, and 5 more
- 24 Thirty-one beautiful olives and cowries
- 25 Two luna helmets, 2 snakes, and 4 more
- 26 Twenty-four snails, buccina, helmets, murices, &c.
- 27 Lead

- 27 Lead ore with crystals, *Durham*; amethystine cubic fluors
ditto; a fine marcasite, *Edon*; and 2 more
- 28 Nine polished chalcedonies with crystalized crusts, *Germany*
- 29 Twenty oval polished sardachates, *Hungary*
- 30 Iron ore, *Rippelzau*; a group of cubic fluors with white caulk;
blend, marcasites, and lead ore, *Derbyshire*; 2 curious
lead ores, &c. *ditto*; a pyrites in flint, *Sussex*; and
3 more
- 31 Two Swedish iron ores, a group of white 12-sided spars,
Derbyshire; and 7 other curious minerals
- 32 Seven agates, pebbles, &c. *polished*
- 33 Nineteen curious shells
- 34 A brindled snake, a fine oriental ribband, and 5 more
- 35 A scarce oriental cockle, and 5 others
- 36 A compass pecten
- 37 Twenty-six ears, limpets, and valves of pectens
- 38 Twenty-eight various cowries and olives
- 39 A fine stalactites from the famous grotto in the *Hercinienne*
mountains in the *Hartz*, commonly called *Baurman's Hole*
- 40 A curious branched sponge, *Gulph of Florida*
- 41 A fine specimen of May-blossom coral, *Mediterranean*
- 42 A fine ostrich's egg, *Cape of Good Hope*
- 43 A madrepora agaracites, *West-Indies*
- 44 A very large and fine oriental trumpet
- 45 A fine West-India coral
- 46 A fine millepora digitata and a curious madrepore, *W. Indies*
- 47 A large and fine group of cubic fluors, with curious lead ore,
marcasites, &c. *Derbyshire*
- 48 A beautiful specimen of the rose-coloured madrepora Virgi-
nia, *Providence*
- 49 A curious septarium with crystalline septæ, in some parts
finely crystalized, *Durham*
- 50 A fine group of cubic fluors, spars, and lead ore, *Derbyshire*;
and a mass of cubic fluors frosted with singular double-
pointed spars and crystalized blend, from the same county
- 51 Various branches of red coral on their native rock, with ad-
hesions of oysters, &c. *Sicily*
- 52 A large specimen of rich lead ore finely crystalized with
cockscorn marcasites on the surface, and cubic fluors in
the base, *Derbyshire*
- 53 A capital specimen of botroid marcasites, very bright,
Cornwall
- 54 A most curious group of figured lead ore, white cubic fluors,
crystalized blend and cockscorn marcasites, *Derbyshire*
- 55 A beautiful orange-coloured keratophyton, *Gulph of Florida*,
very rare
- 56 A group of large double-pointed spars, *Derbyshire*
- 57 A fine astroites and a curious sponge

- 58 A mass of lead ore in large crystals, with cubic fluors and cockscomb marcasites, *Derbyshire*; a group of brilliant white 24-sided spars on cubic fluors, with lead ore in the base, *ditto*; and amethystine cubic fluors, *Durham*
- 59 A fine group of amethysts on white quartz, *Saxony*
- 60 A very uncommon marcasite finely coloured, a group of cubic fluors, lead ore, &c. *Derbyshire*; and a single spar, *ditto*
- 61 A large and fine specimen of heliotropium, or blood-stone, *East-Indies*, *polished*

ANIMALS in SPIRITS.

- 63 Ditto
- 64 Ditto
- 65 Ditto
- 66 Ditto and a fine lizard, in 3 bottles
- 67 Two lizards, 2 African spiders, and an uncommon fish, in 4 bottles
- 68 Two lice of the whale, a beautiful snake, a tobacco worm, 3 curious small fish, and 2 more, in 6 ditto
- 69 A double orange, *very rare*; and a fine cashew apple, in 2 ditto
- 70 A scorpion, *West-Indies*; a skeleton of a monkey's hand, 2 lice of the whale, and a curious snake, in 5 ditto

SHELLS, CORALS, FOSSILS, &c.

- 71 A porcupine fish
- 72 A fine branched Venus's fan, *West-Indies*
- 73 A very large double-pointed or complete spar, with several lesser ones on its sides, *Derbyshire*
- 74 A capital group of clear large topaz spars of 24 sides, rich in colour, from the same county
- 75 A very large group of amethystine cubic fluors, with lead ore, singularly figured, Bishopric of Durham
- 76 A flat piece of free-stone, 18 inch by 15, thick set with curiously figured cream-coloured stalactitæ, a most noble specimen, Allen's quarry, near Bath
- 77 A furbelowed clamp, *East Indies*
- 78 A group of large topaz spars, *Derbyshire*
- 79 A fine group of white crystals, *Durham*
- 80 Two keratophytæ, *different*, on their native beds, one of which is a magpye shell, and a purple sea feather, *ditto*
- 81 A large stellated branched coral, *very rare*

- 82 A rare spongy keratophyton, and a muricated coral, *West-Indies*; a very curious sponge with adhesions, *Sicily*
- 83 A beautiful specimen of the rose-coloured madrepora *Virginia, Gulph of Florida*
- 84 A fine group of cubic fluors, in which interior cubes are visible, with lead ore in large crystals intermixed, and marcasites on the surface, *Derbyshire*
- 85 Another similar group, *very fine, ditto*
- 86 A very fine muricated East India coral, the cells remarkably long, *very rare*
- 87 An uncommon lusus naturæ in a mince-pye star-fish, having six rays or fingers, whereas the usual number is but five
- 88 The impression of a cornu ammonis in a yellow slate, *very rare, Papenheim, Germany*
- 89 A large and exceeding fine snail fungus, *New Holland, extremely rare*
- 90 Large 14-sided crystals of lead ore, with crystalized zinc ore, and large white cubic fluors, sprinkled with marcasite, intermixed, *Derbyshire*, and a cockscomb pyrites, *ditto*
- 91 A group of white crystals, with nummular 12-sided spars on the surface, formed on a large amethystine cubic fluor, *Durham*; and a fine group of cockscomb pyrites with lead ore in the base, *Derbyshire*
- 92 The lace work brainstone, *East Indies, very rare*
- 93 The blue agatic coral, *ditto; extremely scarce*
- 94 A slab of fine amethysts and onyx, a German agate, and a singular Egyptian pebble, *polished*
- 95 A most beautiful Egyptian pebble, with its counterpart having the native crust
- 96 A curious German agate with amethystine and white veins, *very rare*
- 97 A slab of crystal with a red agate crust, and fine amethystine fortification agate in the centre, *very curious and rare, Palatinate*
- 98 A group of figured lead ore, with small amethystine cubic fluors on the surface, intermixed with large pale brown cubic fluors sprinkled with minute marcasites, *Derbyshire*; and a group of clear white columnar crystals, with minute ones on the sides, *Glacieres, Savoy*
- 99 A group of short crystals, having interior crystals sprinkled with minute balls of hæmatites iron ore, on a bed of chalcedony, *Bohemia*; and a very uncommon amber spar on a group of cubic fluors, *Derbyshire*
- 100 Native arboresecent silver in spar, *Norway*
- 101 Fine white lead ore in spiculæ, with green minute crystals of copper ore, forming a most beautiful specimen, *Germany*

- 102 An elegant group of small crystals, *Webb's Mine, Cornwall*;
and a specimen of native silver in spar, *Norway*
- 103 A flag of copper with hair copper curiously formed in a ca-
vity, *Germany*; an antimoniated lead ore, *Bohemia*;
and a small specimen of flos ferri, *Steinmarck, very rare*
- 104 A singular cavernous crystal with prismatic colours in it,
Hungary; a plaited fluor sprinkled with marcasites,
Hartz; blue and other coloured marcasites on spars,
Staffordshire; and a rich crystalized lead ore with cock-
comb marcasites on the surface, and cubic fluors and blend
intermixed, *Derbyshire*
- 105 A beautiful feather made of spun glass, *Turkey*
- 106 A fine zebra snail, a very large smooth wulk, and a clouded
buccinum
- 107 A red sea trochus finely dissected, and 2 large leopard
cowries
- 108 A very rare pecten, *Mediterranean*; a garnet limpet, and
3 more
- 109 The clouded Ethiopian crown, a young bull's mouth, and
a large and fine brindled snake, *all rare*
- 110 A fine bishop's mitre, and a sugar-loaf volute uncommonly
large, and a Mediterranean trumpet
- 111 A very rare buccinum, *Sicily*
- 112 The oriental furbelowed oyster, *very scarce*
- 113 Twenty three valves of beautiful pectens
- 114 A reverse fig, 2 fine flambeaux, and 2 camp cockles, *dis-*
ferent, all rare
- 115 A rare crane, 2 uncommon snails, and 5 more
- 116 A very fine echinus mamillaris, with large thick brown spines
banded with white, *East Indies*; extremely scarce
- 117 The oriental thorny snipe, *very rare*
- 118 A large and fine oriental spondylus, *rare*
- 119 An imperial crown, 2 dolphins, 2 suns, and 4 fine olives,
all rare
- 120 Two scarce oriental snails, a Medusa's head limpet, and
2 more

Twenty-sixth Day's Sale, *Tuesday, May 4.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 A Branched Venus's fan and a fine sea feather
- 2 A large and fine madrepora muricata, *West Indies*
- 3 A fine madrepora danae cornis, *East Indies*

4 A

- 4 A large and fine oriental buccinum
- 5 A very large group of cauk balls and spar frosted with coloured marcasites, *Eaton Mine in Staffordshire*
- 6 A large and curious mass of corals, anomia, pediculi, and other marine remains, *Dudley in Worcestershire*
- 7 A fine millepora alcicornis with curious adhesions of many hinged shells vermiculi, &c. *West Indies*
- 8 A large flat mass of lime stone, filled with fragments of encrini, many of which also rise above the surface, *Derbyshire*
- 9 A large ammonites, *Bath*
- 10 Fine coloured marcasites on a group of large spars, *Eaton Mine, Staffordshire*; a group of large columnar crystals one of which has an internal one, with a cupreous clay adhering, *Cornwall*; and a large single spar, *Derbyshire*
- 11 The oriental long knobbed helmet, and a fine bull's mouth
- 12 A large and capital specimen of fungus coral, *Derbyshire*
- 13 Two uncommon figured stones, *Staffordshire*, and another singular stone
- 14 Two echini pileati imbedded in flint, an echinus cordatus, and an echinus galeatus, from the *Chalk Pits of Kent*; part of a chambered nautilus, *Sheepy*; and an oyster, *Oxfordshire*
- 15 Three fine keratophytæ, red and yellow, and white on their native rock, *Sicily*
- 16 Thirty seven beautifully polished mocha stones
- 17 A shark's tooth, *Malta*; a curious snail, *Dudley*; an echinus pileatus, and an anomia imbedded in flint, *Kent*
- 18 Seven curious fossils
- 19 Marble, *Flanders*; ditto, *Saltzbourg*; ditto, *Portugal*; ditto *France*, and 2 more
- 20 A gryphites oyster, and a fish's tooth in slate, *Oxfordshire*; 2 groups of spines of echini in chalk, part of an echinus mamillaris in flint, and 2 echini from the *Chalk Pits of Kent*; an anomia, *Derbyshire*, and one more
- 21 Eleven polished chalcedonies with crystalized crusts, *Germany*
- 22 Nineteen beautiful valves of pectens, *some of them rare*
- 23 Two thorny figs, and 4 more
- 24 Seventeen fine shells
- 25 A muscle, *Barbary*, 2 figs, 2 harps, and 3 more
- 26 Two wild musics, and 10 more
- 27 Two ditto, and 11 more
- 28 A crystalized flint, *Kent*, and 8 other fossils
- 29 Red porphyry, *Italy*; blood stone, *East Indies*; yellow slate, *Papenheim*, and 2 other polished stones
- 30 Twenty-seven polished oriental mocha stones

- 31 A group of nummular 12-sided spars on a cubic fluor, 2 curious lead ores (one coloured) with cubic fluors, and a yellow 12-sided spar, *Derbyshire*, and a marcasite, *Staffordshire*
- 32 Stalactites with flos ferri, *Scotland*; amethystine cubic fluors, *Durham*, and 6 other fossils
- 33 A fish's palate, and 6 other petrefactions in chalk, *Kent*; an anomia and a belemnites in flint, *Norfolk*; a pediculus marinus, *Dudley*; a spider and another crab, *Sheepy*, and 6 other antediluvian remains
- 34 Two oriental screws, 2 spotted tuns, 2 scarlet admirals, and a rare black trochus
- 35 A scarce ark, 2 thorny toads, a young spindle, 2 ears, and 4 more
- 36 A rare limpet, 2 banded olives, a yellow mouth olive, and 15 more
- 37 Twenty-seven beautiful cowries and olives
- 38 Two Mediterranean purpura, 2 leopard spiral buccina, and 8 more
- 39 An ox's heart cockle, 2 pullies, and 4 more
- 40 Twenty fine shells
- 41 A rare muricated East India coral, and a West India millepora
- 42 Two fine conchs
- 43 A very rare species of brainstone, *East Indies*
- 44 A white helmet of the first magnitude, exceeding fine, *West Indies*
- 45 Its companion, equally fine
- 46 A fine group of crystals on lime stone, *Bristol*; and a group of cubic fluors frosted with marcasites, *Derbyshire*
- 47 A round flat specimen of the oriental madrepora muricata with short branches, *exceedingly perfect*
- 48 A group of large cubic fluors and crystalized blend, with small brilliant 24 sided spars on the surface, &c. *Derbyshire*
- 49 A curious group of spars, and another of cubic fluors frosted with marcasites, *ditto*
- 50 An exceeding fine group of cubic fluors with internal cubes and marcasites intermixed with crystalized blend, the surface frosted with brilliant white 24-sided spars, *ditto*
- 51 A group of spars and large plaited cauk balls with beautifully coloured grain marcasites on the surface, *Eaton Copper Mine, Staffordshire*
- 52 A fine group of large double pointed spars, *Derbyshire*
- 53 A very large selenites, the interior part finely branched, *Sheepy*

- 54 A large and fine amethystine reined fluor, *Derbyshire*, finely polished
- 55 A fine impression of a flying fish in yellow slate, with its counter part, *Sulenhofen*, near *Papenheim*, Germany, very rare
- 56 Fine straw coloured double pointed spars on lime stone, *Derbyshire*
- 57 Rich blistered copper ore, *Cornwall*; and a group of cubic fluors with complete 12-sided spars on the surface, *Derbyshire*
- 58 A fine clear piece of gum copal with a small blatta and other insects, 2 leaves and other bodies within it, very curious, and a specimen of amber with singular internal appearances, very rare

Curiosities from the new discovered Islands in the South Seas.

- 59 A piece of fine cloth made of the inner bark of a tree, *Otaheite*
- 60 Ditto, different
- 61 Ditto
- 62 A piece of cloth similar to the preceeding, but glazed and stained, *New Amsterdam*
- 63 Ditto, different
- 64 Ditto
- 65 A piece of matting, *New Amsterdam*
- 66 Ditto
- 67 An open-work ditto, ditto
- 68 Ditto
- 69 A curious tufted mat, ditto
- 70 Ditto
- 71 A piece of fine matting with a fringed border, ditto
- 72 Ditto
- 73 A piece of fine plantain leaf matting, ditto
- 74 A curious chequered mat, ditto
- 75 An *Otaheite* garment
- 76 A matted garment, *New Amsterdam*
- 77 A grass apron worn by the dancing girls at *Otaheite*, and a curious ornament made of cocoa nut fibres, formed into a variety of singular shapes, and decorated with shells, &c. *Anamokka*
- 78 An ahoo, or cloak, made of a fine silky flax, and wove by hand, *New Zealand*
- 79 Another
- 80 A belt made of cocoa nut fibres
- 81 Various ornaments and combs from several islands

- 82 Sundry fish hooks, *Otaheite, New Zealand, and New Amsterdam*
- 83 A bow and 4 arrows, *Otaheite*
- 84 A bow and 2 arrows, *New Amsterdam*
- 85 A patapatoo, or war bludgeon, made of bone, *New Zealand*
- 86 Another made of wood
- 87 Another made of stone
- 88 A war club, *New Amsterdam*
- 89 Ditto of fine hard wood of an unknown species, curiously carved
- 90 A very uncommon shaped club, made of the like wood, carved
- 91 A nasal flute, and a pair of mother o'pearl clappers, *Otaheite*
- 92 A paddle, *New Amsterdam*
- 93 Ditto, *New Zealand*
- 94 A matted basket, *New Amsterdam*
- 95 A curious basket made of cocoa nut fibres and beaded with shells, *Anamokka*
- 96 Ditto with wood, *ditto*
- 97 A singular quarter staff, *New Amsterdam*
- 98 A lance, *New Amsterdam*
- 99 Ditto, *New Zealand*
- 100 Ditto, *curiously carved, ditto*
- 101 A wooden stool used as a pillow, *Otaheite*, and another somewhat different, *New Amsterdam*

Curious S H E L L S.

- 102 A fine partridge tun, *South Seas*; and large trochus, *Red Sea, uncoated*
- 103 A large and fine yellow clamp, *extremely scarce*
- 104 A very large Persian robe, *East Indies*
- 105 A large and fine paper nautilus, *Mediterranean*
- 106 A large wrinkled ear, with a very large pearly substance formed in the inside, *very curious, Cape of Good Hope*
- 107 A luna helmet, a fine oriental spiral buccinum, and 3 more
- 108 The shagreen periwinkle, *New Zealand, very rare*, a chequered ear, *ditto*; a very large flea bitten volute, a fly spot volute, and a rare brocade
- 109 A very large oriental plough alatus, *rare*
- 110 The crowned melon, *East Indies, very rare*
- 111 Two fine valves of the butterfly wing pecten, *East Indies*; a complete ditto, *Minorca*; a crumpled pecten, and 6 other bivalves

- 112 *The clouded Ethiopian crown, New Holland, very rare*
- 113 *The large knobbed white crane, New Holland, extremely scarce*
- 114 A very large beech wood volute, and a large and fine imperial crown
- 115 A thin banded oriental dipper, *very scarce*, and a very small uncoated chambered nautilus
- 116 A very large papal crown, *finely coloured, rare*
- 117 *An extreme scarce buccinum, East Indies*
- 118 Sixteen valves of beautiful and rare pectens
- 119 A large map cowry, and a fine atlas ditto, *both rare*
- 120 Two fine spindles
- 121 A white rasp pecten, 5 other beautiful pectens, and a cockle
- 122 A fine thorny Venus's heart, *very rare*
- 123 A beautiful small paper nautilus, *Minorca*; and a ditto Persian crown, *both rare*
- 124 A scarce oriental zebra long snail, an African ditto with its epidermis, and a fine alphabet

Twenty-seventh Day's Sale, *Wednesday, May 5.*

Animals and Parts of ditto.

LOT

- 1 **A** Fine sturgeon fish, *North America*
- 2 **A** ditto guerre fish, *ditto*
- 3 A large and fine alligator
- 4 The backs of 2 large turtles
- 5 The skull of a turtle of an extraordinary size
- 6 A very large saw of a saw-fish
- 7 Jaws of an hippopotamus, *Africa*
- 8 A very large and fine horn of a rhinoceros, *Cape of Good Hope*
- 9 The jaws of a very large shark with singular teeth
- 10 A large *penis ceti*

- 15 A small elephant's tusk
- 16 The wolf fish
- 17 A large saw of a saw-fish

SHELLS, CORALS, FOSSILS, &c.

- 18 A large and fine group of the yellow Venus's fan, *West Indies*
- 19 The light or swimming brainstone, *East Indies*, very rare
- 20 A fine specimen of the isis doctoma, or jointed coral, *East Indies*, rare
- 21 A curious branched sponge, *Gulph of Florida*
- 22 A very fine and large astroites, *West Indies*
- 23 Two curious land tortoises
- 24 Eight fine agates, pebbles, &c. polished
- 25 Ten various marbles, polished
- 26 A smooth pecten, *Bath*; parts of 2 fishes, and the vertebra of a fish, *Sheepy*; and 2 other petrefactions
- 27 Tin grains, *Cornwall*; green and blue copper ore, *Eaton*; and 12 other curious fossils
- 28 Thirty-four oriental mocoa stones, polished
- 29 Three specimens of blue and other coloured marcasites, *Eaton*; crystals with spar, *Bristol*; crystalized tin ore, *Cornwall*; and 8 other curious fossils
- 30 A caterpillar, 2 bleeding teeth snails, a carrot volute, and 11 others
- 31 Two magpyes, a pearly snail, and 5 others
- 32 A silk brocade, 2 camp olives, a New Zealand periwinkle, with 3 scarlet worms adhering, and 7 more
- 33 A group of sole oysters in sponge, a cockle, *Falkland's Island*; a large brunette volute, and 2 cowries
- 34 A fine slab of harlequin marble, *Kent*
- 35 A crystalized flint, and 11 other curious fossils
- 36 Forty-four polished mocoa stones
- 37 Cubic fluors imbedded in a cauk ball, *Buxton*, and 6 other fossils
- 38 Fourteen curious petrefactions
- 39 Ten fine shells
- 40 Twenty-four cowries and olives
- 41 Two dice volutes, and 16 more
- 42 Two blackberries, and 16 more
- 43 Two harps, 2 scarce helmets, 2 poached eggs, and 3 more
- 44 A large mass of cubic fluors with lead ore intermixed, the surface frosted with small white 24-sided spars, *Derbyshire*
- 45 A similar mass, very fine, ditto
- 46 A fine astroites, *West Indies*
- 47 A purple sea feather, another keratophyton on its rock, and a beautiful white ditto, *Sicily*

- 48 A herring-bone coralline on a green-edged muscle, *New Zealand*; and a curious piped sponge
- 49 A fine millepora coral with a small astroites, and a curious coralline adhering, *West Indies*
- 50 A group of large cubic fluors sprinkled with small cockcomb marcasites, *Derbyshire*
- 51 A group of singular dark purple cubic fluors, and another curious group, *ditto*
- 52 Various corals, anomia, &c. in lime-stone, and another fine coralloid, *ditto*
- 53 Diced lead among cubic fluors, and a group of curious purple cubic fluors, *ditto*
- 54 A group of double-pointed spars with lead ore, *ditto*; and a fine marcasite, *Staffordshire*
- 55 A mass of small brown and white crystals, with 14-sided crystals of lead ore intermixed on an iron stone, *Durham*
- 56 A fine mushroom coral, with two small ones on the under side, *very curious and rare, East Indies*
- 57 A group of amethystine cubic fluors, *Durham*; and another fine group, *Derbyshire*
- 58 Impression of a fish, with many of its silvery scales, in black slate, *very fine, Isleben, Germany*
- 59 A fine crystalized lead ore with cubic fluors, and a group of straw-coloured 24-sided spars, *Derbyshire*; and a curious and rare crystalization
- 60 An exceeding fine section of the oriental chambered nautilus
- 61 A large and curious group of lead ore in large crystals, with cubic fluors and cockscorn marcasites, *Derbyshire*
- 62 Fine amethystine cubic fluors, *Durham*; a group of crystals with marcasites, and a fine *Staffordshire* mundic
- 63 Large cubic lead ore in white spar, *Wales*; a fine crystalized tin ore, and a curious group of crystals on spar
- 64 Green porphyry, *Italy*; and a large red-veined agate, *Germany*; *both polished*
- 65 A small iron stone nodule split in two, having a fine long-leaved fern imbedded in it, *very rare, Coalbrook Dale*
- 66 A very scarce oriental fungus coral
- 67 A beautiful pudding-stone, *Hertfordshire*; and a fine German agate, *polished*
- 68 A fine pecten in chalk; the two valves in the same situation as when opened by the animal, *Kent*; a hat anomia, hollow, and having some loose matter within, *Derbyshire*; a curious astroites, *Gloucestershire*; and a fine jaspified wood, *Coberg*; *the two last polished*
- 69 Deep red crystals on iron-stone, *Bristol*; white crystals with nummular 12-sided spars on the surface; blue marcasites, *Staffordshire*; fine crystalized lead ore with cockscorn marcasites, and a curious plated cauk, *Derbyshire*

- 70 A fluted cuneus, Germany; very fine and rare
- 71 A very uncommon fluted cuneus, supposed to be English
- 72 A petrefied tortoise's skull, Sheepy Island, Kent; extremely scarce
- 73 Fine lead ore in large figures or crystals, with cubic fluors and marcasites intermixed; a brilliant group of clear 24-sided spars, with, &c. and a group of cubic fluors saturated with minute marcasites, with cubic marcasites intermixed, all from Derbyshire

I N S E C T S.

- 74 A variety of beautiful moths, butterflies, and other insects
- 75 Ditto
- 76 Ditto
- 77 Ditto
- 78 Ditto
- 79 Ditto

SHELLS, CORALS, FOSSILS, &c.

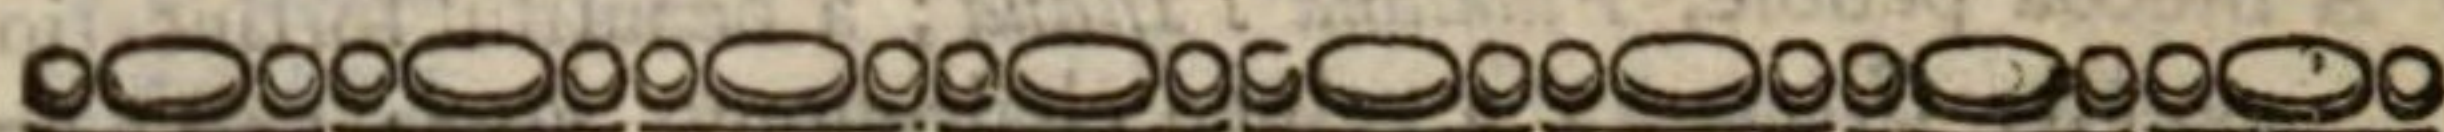

- *76 An oval box with radii round it, formed of clear crystal
- *77 A beautiful German agate snuff-box
- *78 An engraved crystal box mounted in silver
- *79 A group of rare marcasites, with grain marcasites on spar, Eton Mine, Staffordshire; and an exceeding fine crystallized lead ore with cockscomb marcasites on the surface, Derbyshire
- *80 Crystallized ruby silver ore in a vein-stone from Potosi, taken in the Hermione prize, very rare
- *81 An elegant group of grain marcasites, of blue, green, yellow, and purple colours, finely blended on a mass of cauk balls and spars, from a rich copper Mine the property of his Grace the Duke of Devonshire, near Eton in Staffordshire.—This specimen was got out some years since, on the first discovery of this beautiful fossil, at which time only these rich samples were to be had, and which are now become very scarce
- *82 A very uncommon cavernous crystallization, on a flint, France
- *83 A very rich specimen of native copper, with fine ruby and malachites copper ore intermixed, Schuyler's Mine, near New York
- 84 Brush iron ore with glistering crystallizations, Forest of Dean; columnar 24-sided spars on cubic fluors, with crystallized blend,

- blend, *Derbyshire*; and a large spar, covered with another kind of spar, *Staffordshire*
- 85 Solid marcasite, of the most beautiful colours, in cauk; got some years since out of *Eaton Mine, Staffordshire*; a group of curious spars, plaited fluors and marcasites, *Hartz*; and a mass of grey plaited fluors, with amethystine cubic fluors intermixed; the surface powdered with minute marcasites on a red cauk, with marcasite in the base, *Derbyshire*
- 86 A beautiful pudding-stone, *Hertfordshire*; an Egyptian pebble, a fine German fortification agate, and a round specimen of amethystine fluor, *Derbyshire*; all polished
- 87 A mocha pebble, *Falkland's Island*; a beautiful fortification agate, *Germany*; a veined chalcedony, *ditto*; and a fine Egyptian pebble, polished
- 88 A soft nephritic stone, *Malacca*; a fine oriental onyx, an eyed chalcedony with crystal, *Germany*; and an amethystine fluor, *Derbyshire*; polished
- 89 A yellow pudding-stone, *Herts*; a fine Egyptian pebble, a rare Sicilian jasper, and a Scotch agate, polished
- 90 A fine stalactitical hæmatites iron ore, and a curious flos ferri, *Steurmarck*; and a group of cockscomb marcasites, lead ore, &c. *Derbyshire*
- 91 A cray-fish finely incrustated with a yellow calcareous substance, from a petrifying spring in *Saxony*, very rare
- 92 Another, incrustated with a brown calcareous substance, from a like spring in *Bohemia*, also rare
- 93 A curious snail fungus coral, *New Holland*, extremely scarce
- 94 Fine white spiculæ of spathose lead ore in a black iron stone, *Germany*; and a rich specimen of white spathose lead ore, *Scotland*; both very rare
- 95 Foliated micæ with wolfram, from a tin Mine near *Zinwaldia*, in *Saxony*, very rare

CURIOUS SHELLS, &c.

- 96 The piped ridge cockle, *Coast of Guinea*, extremely scarce
- 97 An exceeding fine Iris ear of the first magnitude, *New Zealand*
- 98 A very large and fine Ethiopian crown, *Amboyna*, very rare
- 99 An extreme scarce umbilicated snail, *New Zealand*
- 100 A white spindle, very uncommon
- 101 The clouded Ethiopian crown, very rare
- 102 A very large and fine scarlet and white spondylus, *Martinico*, very rare
- 103 An exceeding fine echinus mamillaris, with its spines complete, *West Indies*
- 104 An extreme scarce oriental music

- 105 Two very fine spindles
- 106 A zebra trochus in the utmost perfection, *New Holland*; a very scarce radiated satchel cockle, and a rare oriental banded snail
- 107 The furbelowed murex, *very rare*
- 108 The deep notched cockscomb oyster of the *East Indies*, with a lesser one on it, *very rare*
- 109 A very fine carrier trochus loaded with stones, *Barbadoes*
- 110 Two butterfly's winged pectens, and a brindled ditto, *Minorca*; 2 valves of the oriental butterfly's wing, and other pectens

Twenty-eighth Day's Sale, *Thursday, May 6.*

ANIMALS, and Parts of ditto.

LOT

- 1 **A** Large saw of a saw-fish
- 2 **A** A saw-fish with its saw, complete, *West Indies*
- 3 The blue or long-finned shark
- 4 A sea unicorn's horn, *rare*
- 5 Jaws of the walrus
- 6 Ditto
- 7 The electrical eel, *South America*
- 8 The snap tortoise, and two other land tortoises, *New York*
- 9 An elephant's trunk, *Coast of Guinea*
- 10 A penguin, *Falkland's Island*
- 11 A duck, *Hudson's Bay*, and an ostrich's egg
- 12 The speckled loon, *Newfoundland*; and a noddy bird
- 13 Various skulls of quadrupeds
- 14 The upper jaw-bone of a very young whalebone whale, *Greenland*
- 15 The skin of an ant bear, *South America*

SHELLS, CORALS, FOSSILS, &c.

- 16 A singular cavernous crystal, and 11 curious ores and minerals
- 17 A crystalized blend, yellow crystals, and 10 more
- 18 A fine group of white cubic fluors with internal marcasites and lead ore, 6 blue and other marcasites, and 8 more
- 19 Two groups of fragments of echini mamillares with some of their spines, and an echinus ovarius in chalk, *Kent*; several impressions of pediculi trilobi in lime-stone, *Wales*; a crab, *Sheepy*; and a smooth pecten, *Bath*
- 20 Two fine oriental agates, and 5 other polished stones
- 21 Fourteen various fossils
- 22 Sundry curious corals and corallines
- 23 **A**

- 23 A fine tulip cockle, with a beautiful pink, yellow, and purple inside, and 7 other oriental shells
- 24 Two ass's ears, a devil, 2 figs, 2 blackmoor's lips, and 6 more
- 25 Two dippers, 2 butter firkins, and 9 more
- 26 A fine spined pecten, an echinus ovarius, and part of an echinus mamillaris, with some of its spines imbedded in chalk, *Essex*
- 27 Two of the great oriental green snail in a young state, 2 chequered figs, and 6 more
- 28 A vertebra of a fish, *Shotover-hill, Oxfordshire*; a gryphites, and 7 more
- 29 Part of a large globose mass or pea of yellow cauk, with a crust of lead ore, *Derbyshire*; 6 specimens of native copper, *Cornwall*; a group of crystals, *Hartz*; and 8 more
- 30 Ten curious fossils
- 31 Eight various jaspers, *some of them rare*
- 32 A flat oyster, *Shotover-hill*; the gills and other parts of a fish's head, *Sheepy*; a mass of chain coral, fungitæ, anomia, and other marine remains, *Dudley*; and 3 other petrifications
- 33 Two West-India volutes, a limpet, *New Zealand*; and 12 more
- 34 Thirteen oriental shells, *some of them rare*
- 35 Ten ditto, and 2 limpets
- 36 Two studded cowries, 2 scarce buccina, 2 yellow grimaces, 2 dice volutes, and 7 more
- 37 Two long-tailed mainsails, and 7 more
- 38 Two wild musics, 2 staircases, and 7 others
- 39 A purple sea feather, and a ditto Venus's fan
- 40 A fine madrepora muricata, *West Indies*, of its native colour
- 41 Ditto, bleached
- 42 A trumpet, *South Seas*, *very perfect*
- 43 A large slab of the *Derbyshire entrochi* marble, *polished*
- 44 A section of a large ammonites, *finely exhibiting the concamerations, from the neighbourhood of Bath, polished*
- 45 Jaspified wood, part of the trunk of a large tree, with the bark, *Antigua*
- 46 A large mass of petrified corals, fragments of encrini, an ammonites, and other marine remains, *Germany*; *very curious*
- 47 A large square slab of marble with ammonitæ imbedded therein, *Coberg*; *polished*
- 48 Half of a fish, with the vertebræ, fins and scales, very entire, 19 inches in length, with pyrites and clay, *Sheepy Island, Kent*
- 49 A very large piece of coal slate, with curious impressions of unknown vegetables, *Lancashire*

- 50 A large specimen of grey slate, with fine bright cubic marcasites imbedded therein, supposed from *Cumberland*
- 51 One valve of a very large dark purple pinna marina, *Otaheite*; of which the natives of that island make fish-hooks, and other necessities
- 52 A capital group of straw coloured double-pointed 24-sided spars, on lime-stone, from a Lead Mine in *Derbyshire*
- 53 A fine coloured oriental trumpet

Curiosities from the new discovered Islands in the South Seas.

- 54 A piece of cloth made of the inner bark of a tree, *Otaheite*
- 55 Ditto
- 56 Ditto, different, *New Amsterdam*
- 57 Ditto
- 58 A piece of matting, ditto
- 59 Ditto fine, with a fringed border, ditto
- 60 A piece of fine matting made of the plantain leaf, ditto
- 61 A curious chequered mat, ditto
- 62 A war club, *New Caledonia*
- 63 Ditto, different, ditto
- 64 Ditto, with two points at the end
- 65 Ditto, with ditto, differently shaped
- 66 Ditto, with many points at the end
- 67 Ditto, made of part of a clamp strongly fastened to a handle of wood, the only one brought over
- 68 A hatchet headed with stone, *Otaheite*
- 69 Ditto, *New Zealand*
- 70 A bow and two arrows, *Otaheite*
- 71 Ditto, *New Amsterdam*
- 72 Ditto, *New Caledonia*
- 73 The handle of a fly-flap, ornamented with the figure of an idol, *Otaheite*
- 74 A lance, *New Zealand*
- 75 Ditto, *New Amsterdam*
- 76 A curious beaded basket, ditto
- 77 A matted basket, and a ditto pouch, ditto
- 78 An idol made of plaited cordage, *New Caledonia*
- 79 A fine halbert, made of wood, curiously carved and ornamented with feathers and dog's hair, *New Zealand*
- 80 An instrument made of wood, and used by the *Otaheitans* in making their cloth
- 81 A carving in wood, representing a lizard, *New Caledonia*
- 82 A fine taowmee, or breast-plate, *Otaheite*
- 83 A very curious breast-plate made of soft wood, and ornamented with the red tropical pea, *Easter Island*

- 84 A very uncommon staff of office, made of wood, ornamented with two faces, *Easter Island*, and is the only one brought over
- 85 Another made of black wood, ornamented with human hair, *New Caledonia*
- 86 A water bailer, or scoop, made of wood, carved to represent a face, the eyes of which are formed of the Iris ear shell, *New Zealand*
- 87 A New Zealand trumpet
- 88 An organ, *New Amsterdam*
- 89 A curious ornament made of the fibres of a plant, formed into a variety of singular figures, and decorated with shells, fishes teeth, &c.
- 90 Another, *different*
- 91 A curious head dress, *New Caledonia*
- 92 Ditto, *different*
- 93 An apron made of the fibres of the plantain leaf, the only dress worn by the girls of Otaheite in their dances
- 94 A singular paddle, *Easter Island*
- 95 Ditto, *different*
- 96 Ditto, *ditto*
- 97 A remarkable stool with 3 legs, *New Caledonia*
- 98 Ditto with 6 legs, *ditto*
- 99 Another, very curious, form'd with very little art from the root of a tree
- 100 A curious round beaded basket, *New Amsterdam*

C A B I N E T S, &c.

- 101 A deal nest of 30 drawers in two divisions, each drawer 17 inches by 16 inches and a half, and of various depths from one to four inches, on a stand, and painted red
- 102 A small neat walnut-tree cabinet with folding doors, containing ten drawers, adapted for marbles, agates, or small shells
- 103 A mahogany cabinet with folding doors, containing 28 cedar drawers of different sizes and depths, for shells

Twenty-ninth Day's Sale, *Friday, May 7.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 CAST of a trochus with dendritæ, *Oxfordshire*; a buccinates, *Garfington*; a pecten in flint, *Surry*, and five more
- 2 Eleven various ores and minerals, chiefly from *Derbyshire*
- 3 Complete small red crystals in a plaited yellow cauk, *Staffordshire*; red crystals, *Bristol*; crystalized zinc ore, *Derbyshire*; a plaited fluor, *ditto*; and a lead ore, *Durham*
- 4 A slab of pietra ruinata, framed; and a fine specimen of the landscape marble, *Bristol*
- 5 Two of the lesser alphabet volutes, 2 rare spiral buccina, 2 spotted helmets, 2 pine apples, and 6 more
- 6 An imperial crown, 2 other scarce volutes, and 3 more
- 7 Two painted powters, 2 rare snails, and 15 more
- 8 Seven shells, *various*
- 9 Eleven ditto
- 10 Two snails and an olive, *rare*, and 7 more
- 11 Two dice volutes, 2 notched snails, 2 scarce buccina, and 7 others
- 12 Thirteen various polished stones
- 13 Sundry specimens of native sulphur, arsenic, &c.
- 14 Sixteen various ores, spars, and other fossils
- 15 Two beautiful agates, pebbles and other stones, *polished*
- 16 An anomia in flint, *Norfolk*; an echinus pileatus and a pecten imbedded in flint, a pecten, *Thame*, and 2 other petrefactions
- 17 A loadstone, *Banna Isle* on the *Coast of Guinea*; a heavy plaited fluor containing lead with green efflorescence of copper on the surface, *Germany*, a geodes, a curious lead ore, and 2 more
- 18 A group of large cubic fluors with internal marcasites, &c. *very curious, Derbyshire*; 5 other curious groups of spars and fluors, *ditto*; and a cubic fluor, *Durham*
- 19 Fifteen curious specimens of asbesti and amianthi, *Grisons, Salizbourg*, and other parts

ANIMALS

ANIMALS and VEGETABLES in Spirits.

- 20 A large African snake, and an American snake, in 2 bottles
- 21 A remora, a frog fish, a lizard and a snake, in 4 ditto
- 22 A flying squirrel, an American fish, and a scincus, in 3 ditto
- 23 A frog fish, another fish, and an asp, in 3 ditto
- 24 A fine Surinam toad, *rare*
- 25 Three curious American fish, in 3 ditto
- 26 One ditto, a tobacco worm, a lizard, an asp, and 2 cashew apples, in 5 ditto
- 27 A scorpion, *West Indies*, 2 snakes, a cashew apple, and an eff, in 5 ditto
- 28 A small land tortoise, an American frog, several conchæ anatiferæ, and 3 more, in 6 ditto
- 29 Foetus of a pig, an American frog, 2 centipedes, and two more, in 6 bottles
- 31 Two large snakes, in 2 bottles
- 32 A rattle snake
- 33 A globe fish, another American fish, and a snake, in three bottles
- 34 A foetus of a shark, and 2 lizards, *different*, in 3 ditto
- 35 An uncommon sea worm, a cashew apple, and 2 fish, in 4 ditto
- 36 Three American lizards, *different*, in 3 ditto
- 37 A foetus of a quadruped, a lizard, and 2 more, in 4 ditto
- 38 A very uncommon anatomical subject
- 39 A hippocampus, a rare frog, and 2 more, in 4 bottles
- 40 A sea louse, the fish of a limpet, an American frog, and 2 more, in 6 bottles
- 41 A painted land tortoise, 2 scorpions, an American frog, 2 snakes eggs, and a centipedes, in 6 bottles
- 42 A small foetus of a quadruped, a scorpion, a lizard, an eff, and several others, in 6 bottles
- 43 A julus, a small foetus of a quadruped, several American fruits, and some conchæ anatiferæ, in 7 bottles
- 44 A remora, and 2 lizards, in 3 ditto
- 45 A small alligator, and a rare spotted American frog, in 2 ditto
- 46 A fine American tarantula, and a curious prawn, in 2 ditto

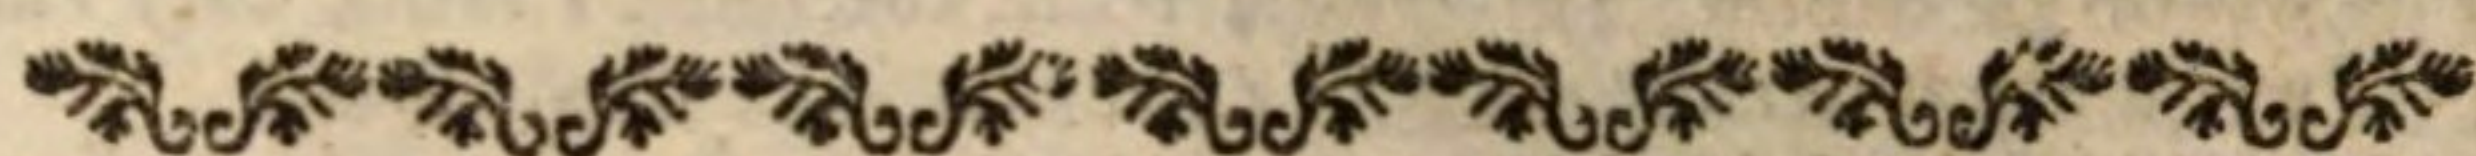

SHELLS, CORALS, FOSSILS, &c.

- 47 Jaspified wood, *Coberg*, *polished*, and a large angulated pecten in flint, *Kent*

- 48 An Egyptian pebble, another with a crystalized cavity, *very rare*, a fine oriental mocha, and a ditto onyx, *all polished*
- 49 Two flints with beautiful dendritæ, *Norfolk*; and an extraordinary *lusus naturæ* (a human portrait) in a flint, *Kent*
- 50 A most beautiful specimen of the peacock needle antimony ore, *Felso-bonia*, *very rare*
- 51 An exceeding fine group of 13 club spines of echini in chalk, *Kent*; and a fine cast of a cuneous frosted with marcasites and spars, *Bath*
- 52 A columnar crystal 2 inches in length saturated with tin, and having fine large tin grains on the sides, *Bohemia*, *very rare*
- 53 Transparent ruby silver ore with glass silver ore, and pyrites in quartz, *Annaberg in Saxony*, *very rare*
- 54 Crystal with crystalized shirl within in appearance like straws, *from the Brazils*, *very rare*
- 55 An exceeding fine filiquastrum or petrified palate of a fish, *from a Chalk Pit in Surry*, *rare*
- 56 Malachites copper ore, *Cornwall*; lead ore with caulk and spar, *polished*, *Derbyshire*; amber spar with a trigonal pointed end, ditto and a fine fortification agate, *Germany*
- 57 Beautiful topaz and white crystals, *very brilliant*, *Bristol*; crystalized zinc ore with small cubic fluors, *Derbyshire*; native copper in quartz, *Cornwall*; copper ore with singular crystalizations, *Germany*, and a fine specimen of Japan copper
- 58 A fine palate of a fish, an anomia striata, and a shark's tooth in chalk, *Kent*; a pediculus marinus rolled up, and another partly extended, *very rare*, *Dudley*; and a valve of a curious pecten in sand stone, *Maestricht*
- 59 Red crystals in iron stone, *Bristol*; a group of rare 6-sided spars, *Derbyshire*; a fine amber stalagmites, *ditto*; and a large columnar double pointed crystal with lesser crystals and marcasites on the sides, *Cornwall*
- 61 Rich crystalized tin ore, *Cornwall*; white 12-sided spars on a cubic fluor, *Derbyshire*; a yellow stalagmites, *ditto*; columnar crystals with green copper ore within, *Cornwall*; and a crystalized flint, *Kent*
- 62 A belemnites and three beautiful coralloids, *Maestricht*
- 63 A fine ore of antimony with rhombic spar, *Hungary*; and dendritical copper ore with spar, *Nosholden*
- 64 Garnet crystals on spar in a bed of lime stone, *Bristol*; a fine group of spars, &c. *Derbyshire*; and a large columnar crystal, *Switzerland*
- 65 Six specimens of sulphur and allum, *Dominica*
- 66 Ditto
- 67 Four ditto
- 68 Two ditto
- 69 A fine ostrich's egg, *Cape of Good Hope*

- 70 A book of beautiful sea weeds
- 71 Ditto
- 72 A box containing a variety of small shells in cards
- 73 Ditto
- 74 Ditto
- 75 A fine spotted melon, *China*
- 76 A beautiful spotted tun, *ditto*
- 77 A rare trochus, *New Caledonia, uncoated*
- 78 Two fine spindles
- 79 A chequered ear, *New Zealand, uncoated*, a hog's snout, and a scarce ark
- 80 Sundry curious corals and corallines
- 81 Two blackamoor's lips, 2 dice volutes, and 11 more
- 82 A gold mouth snail, a thorny woodcock, a mainail, and a staircase
- 83 A large and fine Iris ear shell, *N. Zealand, uncoated and polished*
- 84 Two oriental screws, a dissected trochus, a flea bitten volute, and 2 more
- 85 Nine fine shells
- 86 Two Iris snails and 2 beaded periwinkles, *New Zealand*, 2 gold mouth snails, 2 other scarce oriental snails, and a Red Sea trochus
- 87 Thirty valves of beautiful small pectens
- 88 A fine double thorny woodcock, and a fine cinder shell, *East Indies*
- 89 *An exceeding fine section of an umbilicated chamber nautilus, New Caledonia, extremely scarce*
- 90 Two large Midas's ear snails, from the same Island, *very rare*
- 91 Two wasp cowries, and 21 other curious small shells
- 92 Two orange striped helmets, a snipe, and 2 Persian music
- 93 Two frogs, a beaded fig, and 9 more
- 94 A large uncommon variety of the zebra trochus, and a West India helmet, *very large of the species*
- 95 *An extraordinary large and fine red ear, Cape Maria, Van Diemen, in New Holland, extremely scarce*
- 96 Two fine large spiders, and an Iris ear shell
- 97 *An oriental devil of the first magnitude, very fine*
- 98 Two very scarce trochi, *New Caledonia*
- 99 *The black hammer oyster, East Indies, rarissime*
- 100 A beautiful waved cowry, *Otakeite*; a large butterfirkin volute, and a fine Persian music, *all rare*
- 101 A spider, 2 oriental snails, and 1 more
- 102 A partridge tun, *South Seas*; a spotted tun, a sugar loaf volute with the epidermis, and a yellow devil
- 103 An orange brocade; 2 small purpura, and a beautiful trochus, *all oriental and very rare*
- 104 An exceeding fine and large moor, with its epidermis, *Coast of Guinea*

- 105 Two oriental butterfly's wings, and 27 other beautiful valves of pectens
- 106 A large girdle volute, 2 netted cowries, *Otaheite*; a fine dolphin, *East Indies*; a rock beaded periwinkle, and a large shagreen ditto, *New Zealand*
- 107 Two bishop's mitres, a scarce banded snail, a ditto buccinum, and 2 more
- 108 Two thorny snipes, 2 bird's egg cowries, and 8 more
- 109 Sundry corals, corallines, a curious sponge, &c.
- 110 Two fine conchs
- 111 A very fine May blossom coral, *Mediterranean*
- 112 *An extraordinary large spotted tun, New Caledonia, very rare*
- 113 *Its companion, equally fine*
- 114 A very large fern in a ferruginous stone, *Germany, very fine and rare*
- 115 A large and fine oriental chambered nautilus, on a pearly stand
- 116 A large concave group of spars, the hollow lined with small amethystine cubic fluors, a very curious specimen, *Derbyshire*
- 117 A large specimen of curious iron ore, intermixed with spar, *Bristol*
- 118 Two very large valves of the Otaheitean black pinna marina, *very scarce*
- 119 A fine West-India coral
- 120 Two fine keratophyta

Thirtieth Day's Sale, Saturday, May 8.

Rarities from the New-discovered Islands in the South Seas.

LOT

- 1 **A** Comb, and 2 necklaces, *New Amsterdam*; a cocoa nut bracelet, *New Caledonia*; and a pair of pearl ear drops, *Otaheite*
- 2 Ten various fish hooks, from several islands
- 3 A large casting net, the sinkers made of coral, the floats of a light spongy wood, *New Amsterdam*
- 4 A fan, *New Caledonia*
- 5 A stool used as a pillow at Otaheite, and another somewhat different, *New Amsterdam*
- 6 A fine New Zealand ahoo or cloak

- 7 A cap of state curiously formed of plaited cordage, mother o'pearl, tortoisshell and feathers, *New Caledonia*
- 8 A bow and 2 arrows, *New Amsterdam*
- 9 A groved bow and 2 arrows, *New Caledonia*
- 10 A fence for the eyes made of human hair, *Tanna*; and a singular feather ornament, *New Zealand*
- 11 An open work mat, *New Amsterdam*
- 12 A large deep wooden tray, *Otaheite*
- 13 A chequered matted basket, *New Amsterdam*
- 14 A beaded basket, *ditto*
- 15 A round wicker basket, *Otaheite*
- 16 A singular ornament made of the fibres of a plant worked into a variety of singular shapes, and decorated with shells and red feathers, *New Amsterdam*
- 17 Another, *ditto*
- 18 A basket made of the fibres of the cocoa nut curiously knotted together, *ditto*
- 19 A vessel made of a very large calabash with a wooden cover, and slung with plaited cordage, *ditto*
- 20 A curious oil dish, *ditto*
- 21 A singular instrument used in their dances at *New Amsterdam*
- 22 An ornament composed of shells, *ditto*
- 23 Ditto, *Terra del Fuego*
- 24 A singular paddle, *Tanna*
- 25 Another, *New Amsterdam*
- 26 A child's ditto, *ditto*
- 27 A club, *ditto*
- 28 A battle axe, *ditto*
- 29 A rude knotted club, *New Caledonia*
- 30 A lance, *New Zealand*
- 31 Ditto, *Anamokka*
- 32 A paddle, *New Caledonia*
- 33 Ditto, *ditto*
- 34 A lance case, *ditto*
- 35 A bow and 2 arrows, *Otaheite*
- 36 Ditto, *New Amsterdam*
- 37 Ditto, *New Caledonia*
- 38 A stool used as a pillow, *New Amsterdam*; and ditto, *Otaheite*
- 39 Two quivers, *New Amsterdam*
- 40 Another finely ornamented with figures, *ditto*
- 41 A walking staff, *Tanna*; and another, *Otaheite*
- 42 Two matted bags, *Otaheite*

SHELLS, CORALS, FOSSILS, &c.

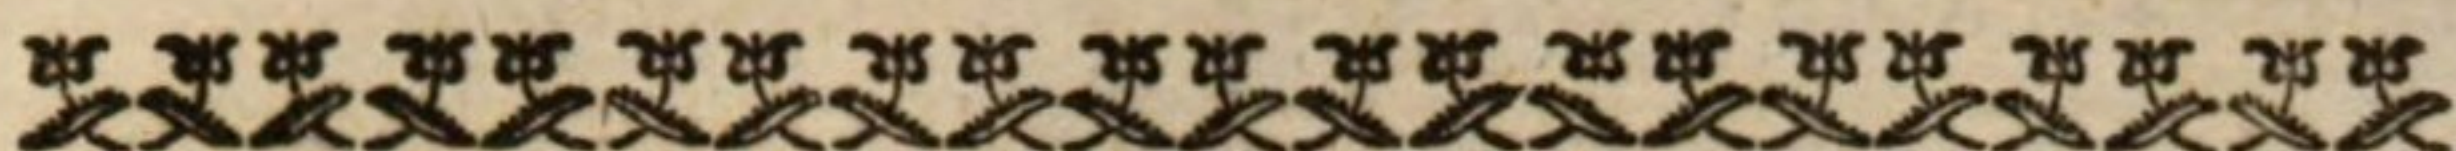

- 43 A trumpet, *South Seas*, and 2 bull's mouths
- 44 Four cowries, 2 alatae, and a buccinum
- 45 A specimen of jointed coral, and 3 other corals
- 46 A purple spondylus and a clamp
- 47 Two conchs
- 48 Sundry cowries, olives, volutes, buccina, &c.
- 49 Two tuns, 2 cowries and 1 more
- 50 Two ears, 2 camp olives, a telescope, and 4 more
- 51 Eight curious fossils
- 52 Nine ditto
- 53 Nine ditto
- 54 An oyfter, *Shotover Hill*; a mass of fragments of encrini, and a piped coralloid, *Derbyshire*, and 5 other petrefactions
- 55 A slab of petrified wood, *polished*, *Coberg*; an Egyptian pebble, and 3 jaspers
- 56 A fine specimen of native copper, *Cornwall*; asbestos, *Scotland*; a singular cavernous crystal, *Hungary*; a ferruginous sand stone, a green crystal, and 3 more
- 57 Two stellæ septariæ, *Sheepy*; three *Derbyshire* spars, &c. and 8 more
- 58 Cubic lead ore with diced fluors, ditto with marcasites and blend, and 1 more, *Derbyshire*; and 8 other fossils
- 59 Twelve polished chalcedonies with crystalized crusts, *Germany*
- 60 Five beautiful mundics and a curious crystal
- 61 Twelve various marbles, *polished*
- 62 Twenty-two polished stones, *various*
- 63 Thirty-one oriental mocha stones, *polished*
- 64 A devil's claw, 2 *Surinam* toads, a group of muscles, and 2 Iris snails
- 65 Sundry corals and corallines
- 66 A spectre, a magpye, a snake, and 6 more
- 67 A fine brainstone and a melon
- 68 A clamp, and 2 cowries
- 69 A very large and fine May blossom coral, with adhesions of oyfters, balani, &c.
- 70 Two fine conchs, *West Indies*
- 71 The shell of an oriental land tortoise, of extraordinary magnitude
- 72 The orange Venus's fan on its native rock, *Sicily*, and another keratophyton, on a stand
- 73 The great oriental spider, *very scarce*
- 74 A large and fine conch with a beautiful pink mouth, *West Indies*

- 75 A large group of cauk balls frosted with mundic, *Staffordshire*
- 76 An oriental clamp
- 77 A very large crytalized flint, with an echinus cordatus imbedded in it, *Kent*
- 78 A fine millepora coral and a very large echinus ovarius
- 79 A petrefied brainstone, extremely scarce, *Island of Antigua*
- 80 A flint broke in two and discovering a large cavity lined with minute brown and dark coloured complete crytals, very brilliant, *Kent*
- 81 A very rare astroites with large spars, *East Indies*; and a fine dwarf millepora alcicornis, *Dominica*
- 82 A most curious impresson of an ammonites finely frosted with marcasites in limestone, from the Neighbourhood of *Bath*
- 83 The tuberculated caput medusa star fish, *Brazil*, extremely scarce
- 84 A section of part of an orthoceritates or strait nautilus in marble, finely exhibiting the concamerations, *Oeland, a Swedish Island* in the *Baltic*, very rare
- 85 A fine specimen of brown plaited iron spar, *Germany*; and a curious group of crytals, *Bristol*
- 86 An exceeding fine specimen of liver cobalt, with beautiful purple efflorescence, *Saalfeld*
- 87 A very fine specimen of bismuth, *Saxony*, rare
- 88 A most curious sample of the gilded ruin iron ore
- 89 An astroites with large stars, and a curious fungus coral, both rare
- 90 An exceeding fine specimen of needle antimony, running through and intermixed with a selenitical spar, *Hungary*, extremely scarce
- 91 Part of the jaw of an uncommon species of fish, with the teeth imbedded in slate, *Stonsfield Quarry, Oxfordshire*, rare
- 92 White silver ore intermixed with curious spars, *Saxony*
- 93 A flint with the counter part having a cavity lined with brown complete crytals, and in the middle a crytalized stalactites, *Kent*; and a clear columnar crytal, *Glacieres* in *Switzerland*
- 94 Fine crytalized white lead ore in small spiculæ in the cavities of a brown stone, *Saxony*; a fine group of small columnar crytals, *Cornwall*; and a beautiful marcasite with quartz, ditto
- 95 A thin lamina of the yellow slate split in two, having on each side beautiful black dendrites, *Sulenpoten near Papenheim* in *Germany*
- 96 An exceeding fine spined pecten filled with chalk, *Kent*; and a curious fossil snail, *France*, both rare
- 97 A most beautiful group of amethyfts, *Hungary*, very rare

- 98 A flint with beautiful dendrites, *Norfolk*; and a slate with ditto, *Papenheim*
- 99 A very large specimen of stalactitical hæmatites iron ore, *Sauerlandt*
- 100 A rare species of brainstone, *East Indies*
- 101 A large and fine mushroom coral, *ditto*
- 102 A singular wasp's nest, *Cayenne*; opened on one side to shew the chambers and cells
- 103 A large and fine piece of fibrous spathose white lead ore, *Scotland, rare*
- 104 A fine copper ore with green efflorescence, in a mine stone, *Germany*; and a fine stalactitical iron ore, *Nassau Siegen*
- 105 A fine madrepora virginia, adhering to a Noah's ark shell, *West Indies*; and another curious coral
- 106 A large and exceeding fine jointed petrefied palate of a fish, similar to that of the sting ray, *Sheepy Island, Kent, unique*
- 107 A large white flint with beautiful black dendrites in it, *Norfolk*
- 108 A bastard flambeau, 2 New Zealand weed bead snails, and 7 more
- 109 Two fine star trochi and a marbled snail, *New Caledonia*; and 2 rock bead snails, *New Zealand, rare*
- 110 Two orange striped helmets, and a fine star limpet, *very rare*
- 111 A large and fine Venus's heart, *very rare*
- 112 An exceeding fine gold brocade, of extraordinary magnitude
- 113 A very rare placenta, called the Chinese window shell, from its being used by them instead of glass for their windows
- 114 Two large and fine spindles

C A B I N E T S.

- 115 A deal nest of 35 small drawers
- 116 Ditto of 15 drawers on a stand
- 117 Ditto
- 118 Ditto
- 119 A deal cabinet with 7 drawers, on a stand
- 120 A wainscot cabinet containing 11 drawers of various depths for shells or fossils
- 121 Ditto with folding doors on a stand, with 10 drawers of various depths
- 122 A wainscot chest of 5 drawers for large shells or fossils
- 123 A small cabinet with 6 drawers, and drawers within them, with a trunk top, inlaid with ivory and tortoiseshell
- 124 A rose wood nest of 5 drawers (with inner drawers) inlaid with ebony and tortoiseshell

Thirty-first Day's Sale, Monday, May 10.

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 Sundry curious corals and corallines
- 2 A muricated periwinkle, *New Zealand*; and a bull's mouth
- 3 Various univalve and bivalve shells
- 4 Three cowries and two more
- 5 A specimen of coral, and a large West India crab
- 6 An oyster with pyrites, *Shotover Hill*; and an ammonites
- 7 Various small shells, sorted in cards
- 8 A book of beautiful spread sea weeds
- 9 A spider, a heavy buccinum, a partridge tun, and an alatus
- 10 A large trochus, *Red Sea*; a snake, and 2 purple mouth alatae
- 11 A fine ostrich's egg
- 12 Fifteen beautiful polished stones
- 13 Fourteen various copper ores, *labelled*
- 14 Seven curious fossils
- 15 Ditto
- 16 Various corals and corallines

I N S E C T S.

- 17 A variety of beautiful moths, butterflies, and other insects
- 18 Ditto
- 19 Ditto
- 20 Ditto
- 21 Ditto
- 22 Ditto
- 23 Two beautiful papiliones and 2 fulgoræ, *Madras*; 15 papiliones, *Surinam*, and 3 more
- 24 A fine striped mantis, *Florida*, extremely scarce
- 25 Ditto
- 26 Ditto, and a gryllus, ditto
- 27 A very fine gryllus, ditto, rare
- 28 Ditto
- 29 The fulgora lanternaria, *Surinam*, extremely scarce
- 30 Two cineces, 2 dytisci, 4 cicindelæ, a cerambyx, and 4 other insects, *Madras*; 2 staphylini, *Virginia*; and 2 rare casidæ, *Surinam*

31 *A large and fine scarabæus hercules, Dominica*

SHELLS, CORALS, FOSSILS, &c.

- 32 A group of three spines of an echinus mamillaris, very complete, imbedded in chalk, *Kent*, and a fine chambered nautilus, *Sheepy Island*
- 33 A fine chalcedony or bubbled flint, *Kent*; and a curious group of cubic fluors (5 sides of a large one in the centre of which are visible) with a rose of crystalized zinc ore and some lead ore adjoining, the whole frosted with minute cockscomb marcasites, *Derbyshire*
- 34 A fine green shirl, *Rothshire* in *Scotland*, very rare; and a copper ore with a flesh coloured plaited fluor intermixed, *Scotland*
- 35 Crystalized white silver ore with marcasites, and white rhombic spars in the cavity of a silver and copper ore with spar intermixed, *St. Nicholas Mine* in *Alsatia*; copper ore and cobalt with spar and blue and red efflorescence, *Thuringia*, and a rich ore of antimony
- 36 Copper ore with iron ochre and topaz crystals, *Thuringia*; figured lead ore with marcasites on the surface, *Britany* in *France*; manganese, *Devonshire*, and crystals on lime stone, *Bristol*
- 37 A specimen of quartz, very much cracked, with rich native copper in the interstices, very rare, *Cornwall*
- 38 A very large and fine columnar crystal saturated with tin, with mica on the sides, from a *Tin Mine* in *Cornwall*
- 39 Malachites copper ore forming a crust over a mass of broken pieces of quartz, and a curious iron ore, *Westmennia* in *Sweden*, both rare
- 40 A most curious specimen of fibrous spathose iron ore, with crystals in the cavities of a ferruginous stone, *Hungary*, very rare
- 41 A most beautiful specimen of peacock needle antimony ore, finely coloured, *Felsobonia*
- 42 An exceeding fine echinus mamillaris, a little crusted, with several of its spines imbedded in chalk, *Essex*. This is the most rare of the three kinds usually found in the English chalk pits; a complete one was never seen.
- 43 The cucumber spined echinus mamillaris, complete, with four of its spines in a bed of chalk, *Kent*, very rare
- 44 Crystalized glass silver ore, which will cut with a knife like molten lead, very curious, and extremely scarce, *Johan Geor-genstadt* in *Saxony*
- 45 A singularly figured lead ore, beautifully coloured with zinc ore

- ore intermixed, and 3 curious groups of spars and fluors, *Derbyshire*
- 46 Brilliant crystals with iron within them, on a ferruginous crystalline stone, *Bristol*; 14-sided lead ores with blend intermixed, *Derbyshire*; and a fine group of white 12-sided spars on cubic fluors with zinc ore in the base, *ditto*
- 47 Part of a hollow nodule with an agate crust, the inside lined with beautiful dark coloured amethysts, *Palatinate*
- 48 Great part of the palate of a wolf fish, comprizing three rows of 9, 10 and 13 teeth, regularly placed in the jaw, imbedded in a stone slate, *Stonsfield Quarry*, very rare, and a curious coral, *Maestricht*
- 49 The body of a species of encrinus, composed of angulated plates, *non descript.* and very rare, from a *Chalk Pit* in *Surrey*; and 2 casts of trochi frosted with fine coloured marcasites and spars, from the neighbourhood of *Bath*
- 50 Beautiful spiculæ of fibrose white iron ore in the cavities of a ferruginous stone, *Hungary*, very rare
- 51 Very fine stellated green crystals of copper, in a ferruginous copper ore, *Hartz*; and a curious specimen of brush iron ore, *Germany*
- 52 A fine specimen of native cinnabar with native or virgin quicksilver on the surface, very rare, *Idria*
- 53 A choice sample of needle antimony ore, *Saxony*, rare
- 54 Crystallized white spathose iron ore, *Hungary*; and silver, copper, lead, and zinc ore with mazarine blue and other crystals, *Brandenburg*, both very rare
- 55 An exceeding fine specimen of the colliflower hæmatites iron ore, extremely scarce
- 56 An hebraica volute with a curious astroites formed on it, *New Holland*; and a fine millepora agaracites, *Sicily*
- 57 A curious branched fungus coral, *Dominica*; and a fine keratophyton, *Sicily*
- 58 A fine group of columnar crystals, some of them double pointed, with curious crystals of blend and marcasites intermixed, from a *Tin Mine* in *Cornwall*, very rare
- 59 A very uncommon petrefaction supposed of a coral, unknown whence, and a very fine echinus galeatus, *Maestricht*
- 60 A most beautiful veined agate, *Germany*
- 61 Another, exceeding fine
- 62 A very curious specimen of piped coral in a petrified state, *Westmorland*, rare
- 63 Plumose silver ore on a group of crystals, *Freyberg*
- 64 Brilliant white 24-sided spars on a group of cubic fluors with zinc ore intermixed, on a lime stone, *Derbyshire*, and a beautiful brocaded copper ore, *Altenkirck*

- 65 An exceeding fine foliated madrepora muricata, *East Indies, very rare*
 66 An Isis ochracea adhering to an uncommon oyster, *East Indies, a very curious and rare specimen*

ANIMALS and Parts of ditto in SPIRITS, and dried.

- 67 A small sturgeon, *New York*, an American sole, and a snake, in 4 bottles
 68 A fine green beaded lizard, a cuttle or ink-fish, a caterpillar, and a julus, in 4 ditto
 69 Transverse section of the proboscis of an elephant, and an exceeding fine and large African scorpion
 70 *A Surinam toad, very rare*
 71 A fine lantern fish, *New York*
 72 A foetus of a shark with its curious appendages as taken from the ova, *ditto*
 73 Part of the electric organ of the torpedo or numb fish, *very curious*
 74 Ditto, with part of the skin
 75 *The firen iguana, a most curious reptile, from the Swamps of America, very rare*
 76 *A very large snake about 9 feet in length, which on account of its harmlessness is worshipped by the Guidaw Indians in the neighbourhood of Surinam, in the South Seas, where it is called the Guidaw snake, very rare*
 77 A chameleon, and a fine julus, in 2 bottles
 78 *A very fine opossum, a curious and rare animal, from South America, with several of its young, some of them in its false belly*
 79 The bearded titmouse bird, with a glass shade and stand
 80 The golden crowned wren, *very rare*, and a fine humming bird, *Brazil*, with a glass shade and stand
 81 An exceeding fine hornet's nest, partly opened to shew the various apartments (each supported by columns) and the cells, *Northamptonshire*
 82 The top part with 2 of the branches of the palm tree, *Coast of Guinea, very rare*
 83 Ditto
 84 A fine ostrich's egg

SHELLS, CORALS, FOSSILS, &c.

- 85 The crooked or saddle placenta, *very rare, China*
 86 A large and extreme scarce purpura, *Coast of Guinea*

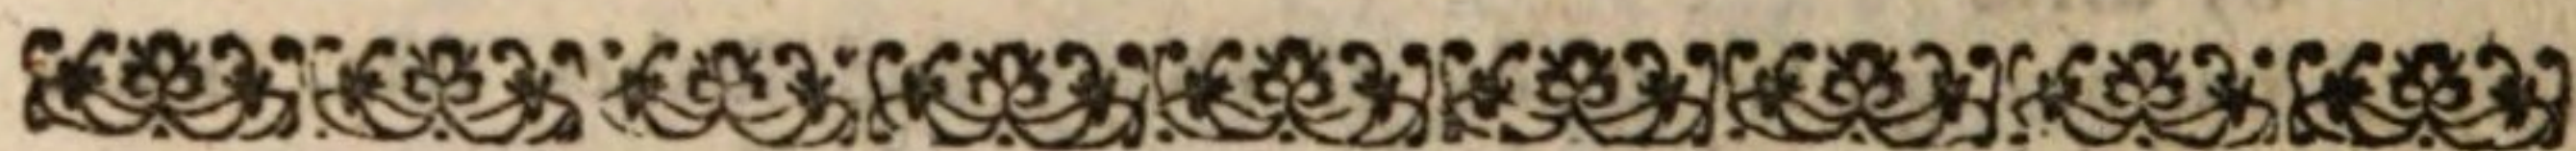

87 A

- 87 A beautiful waved cowry, *Otaheite*, and a curious deformed Mediterranean melon
- 88 A very rare snake shell, *New Caledonia*
- 89 A most curious foliated scarlet spondylus, *Martinica*, rare
- 90 A very rare oriental zebra snail
- 91 An exceeding fine spotted tun, *China*, rare
- 92 A fine curled cinder purpura, *New Caledonia*, and 2 very rare Chinese snails
- 93 An extreme scarce oriental music
- 94 A very uncommon spiral buccinum, *New Holland*
- 95 A small black mother o'pearl shell, *Otaheite*, polished, a deformed zebra trochus, *New Holland*, a fine rock bead snail, *New Zealand*, and a large and fine gold brocade, *East Indies*
- 96 Two large and exceeding fine dolphins, *China*, rare
- 97 A fine young leopard cowry, a Magellanic buccinum, and a spotted tun
- 98 A neat specimen of the Otaheitan black pinna marina, very rare
- 99 A fine striped spondylus, *New Caledonia*, and an ear shell, *Van Dieman's Land*, both rare
- 100 The barnacle of the whale, extremely scarce

Curiosities from the South Sea Islands, North America, &c.

- 101 A pair of curious sandals, *Japan*
- 102 A pair of ladies straw slippers
- 103 A cap made of the inner part of some vegetable, and worn by the negroes of the coast of Guinea, and a mace which is carried in their processions
- 104 Two calabashes ingeniously carved in a variety of historical subjects, in basso relievo, by the negroes at Surinam
- 105 A large ditto, and 2 calabash bottles carved in like manner, by ditto
- 107 A curious guitar made of ebony and snakes skin, inlaid with mother o'pearl, the pegs ivory, *Japan*
- 108 A curious mace made of rose wood, finely engraved, *Japan*
- 109 A singular kind of wild music formed of nut shells, *South America*
- 110 A cocoa nut, most elaborately carved, with the following inscription cut round the middle, *John Frazier, on board the Resolution, at present in the South Seas 1774.*
- 111 A poem in the Malabarian language, curiously written upon flags
- 112 A complete dress of a chief of the Esquimaux Indians in the neighbourhood of *Hudson's Bay*; consisting of a leather

- ther coat made of the skin of the rain-deer, stockings, garters, shoes, gloves, belt, watch chain, shot pouch, tobacco pouch, purse, cap, &c. the whole curiously ornamented with beaded work
- 113 A copper dagger fixed in a bone handle, made by the Esquimaux Indians
- 114 A singular shaped instrument of the said Indians, made of the ivory tusk of some marine animal, curiously engraved in singular figures, and supposed to be a mace
- 115 Two singular shaped ivory ornaments of the said Indians, curiously engraved, and an eyes-saver worn by them to preserve the eyes from the reflection of the sun on the snow
- 116 A pair of the Esquimaux Indians snow shoes
- 117 Ditto, for a child
- 118 A curious ornament composed of feathers, dog's hair and cordage, and decorated with the face of an idol, and pieces of the Iris ear shell
- 119 A most curious apron, formed of a great number of thin pieces of mother o'pearl, from one to two inches in length, placed in rows, and tied at each end, Otaheite, and is a part of the dress worn by the mourner who attends a deceased body placed on a bier for several days
- 120 A mask composed of the black Otaheitan mother o'pearl, and the black pinna marina of the said Island, and is also worn by the abovesaid mourner
- 121 A feather garment, which is also worn by the mourner
- 122 Two collars, ornamented with red feathers, *New Amsterdam*
- 123 A curious turban, formed of cordage and feathers, *ditto*
- 124 A singular kind of ornament made of a piece of bark cloth and matting, decorated with a great number of pieces of cocoa nut, singularly carved, *New Amsterdam*

Thirty-second Day's Sale, *Tuesday, May 11.*

SHELLS, CORALS, FOSSILS, &c.

LOT

- 1 NINE fine shells
- 2 Two fine oriental purpuræ
- 3 A belemnites, 2 fine echinus pileatus, and 2 more in flint, an ammonites ditto, cut in two, and 5 other petrefactions

- 4 A fine millepora coral, *West Indies*
- 5 Looking glass lead ore, a cockscomb pyrites, and 2 other fine fossils, *Derbyshire*
- 6 A bloodstone and 2 other jaspers, 3 other polished stones, and 2 more
- 7 Twelve fine blue and other coloured mundics, *Essex*
- 8 Two fine zebra trochi, and 2 magpyes
- 9 A fine compass pecten
- 10 Thirteen various tin ores
- 11 Forty-seven polished mocoa stones
- 12 An impression of a pecten and an anomia in flint, a coral, and 9 other curious petrefactions
- 13 Sundry curious corals and corallines
- 14 Ditto
- 15 A box containing a variety of small shells
- 16 Ditto
- 17 A book of sea weeds
- 18 Two large occidental purpuræ
- 19 A large specimen of green porphyry, *Italy*
- 20 An astroites faviginosus of an uncommon size, *West Indies*
- 21 A very large flat group of amethystine cubic fluors, with curious lead ore intermixed, *Bishoprick of Durham*
- 22 A very large bear's paw with three spondyli adhering, *East Indies*
- 23 A group of large spars, and another fine mineral, *Derbyshire*
- 24 A curious wasp's nest
- 25 Another on a branch of a tree, *West Indies*
- 26 A small brainstone, curiously formed, *ditto*
- 27 Another of the same species, regularly shaped, *ditto*
- 28 Another of a different species, *rare, ditto*
- 29 A group of brown columnar crystals, and another of cubic fluors sprinkled with marcasites
- 30 A very fine and large spotted melon, *East Indies*
- 31 Two casts of very large trochi, one frosted with spars, *Somersetshire*
- 32 An amethystine veined fluor, and a fine plaited fluor, *Derbyshire*
- 33 A fine furbelowed clamp with a yellow streak in the middle, *Madagascar*
- 34 Three fine groups of minerals
- 35 A fine mass of large 24-sided spars, and another of red crystals, *Bristol*
- 36 A capital group of large garnets in their native bed of golden micæ, *Torrymuir in Scotland, extremely scarce*
- 37 An exceeding fine specimen of the rose fungus coral, *East Indies, very rare*

- 38 A very fine crystalized manganese with quartz, *Island Elva*
- 39 A green fluor, *very rare*, with copper and zinc ore and crystals, *Cornwall*; a group of lead ore, cubic fluors and marcasites, and another of large columnar straw coloured 24-sided spars on a cubic fluor, *Derbyshire*
- 40 A very fine group of 13 purple horn oysters, *East Indies*, *very rare*
- 41 Gold and silver ore with quartz, horn slate and mine stone with pale gold on the surface, *Hungary*; and a fine copper ore with quartz, *Sweden*
- 42 A branched starred coral, *Providence*, and a fine astroites, *both rare*
- 43 Two fine specimens of native silver in spar, *Norway*
- 44 A fine group of marcasites with quartz, *Cornwall*; and 2 fine ditto of cubic fluors with spars, lead ore, &c. *Derbyshire*
- 45 A group of columnar crystals with a green cupreous matter within and on the surface of them, *Lombardy*, and a group of fine spars sprinkled with marcasites, *Derbyshire*
- 46 A fine manganese, *Island Elva*
- 47 Transparent ruby silver ore with a plated fluor, quartz and gold mundic intermixed, from *Hemels Fürsten Mine*, near *Freybourg, Saxony*
- 48 Part of a brown iron stone nodule, split in two, having on each side a fine white impression of a fern, *Colnbrook Dale*, and a fine section of a crushed chambered nautilus with remains of its pearly shell, *Sheepy Island*
- 49 About three ounces and a half of platina, or white gold, *Peru*
- 50 A group of white brilliant 8-sided spars, *very rare*, *Hartz*; a fine ditto of crystals and marcasites, *Cornwall*; and a cavernous specimen of quartz with rhombic spars and marcasites in the cavities
- 51 Slab of curious nephritic stone, *Malacca*; ditto of plumb pudding stone, *Hartz*; a beautiful chalcedony, *Germany*, and an agate, *ditto*, *all polished*
- 52 A most elegant white honeycomb fluor with amethystine veins, formed into a snuff box, *Derbyshire*
- 53 A choice specimen of jaspified wood, having a large knot in it, *very rare*, *Coberg, polished*
- 54 A scarce red veined agate, *Germany*; a ditto pebble, *Hartz*; a fine clouded and veined mocha stone, *Falkland's Island*, and a singular Egyptian pebble, *polished*
- 55 A group of cubic fluors and double pointed spars and blend, having a cavity in it, in which is a thin group of cubic fluors corresponding in shape to the hollow, loose, but not to be taken out; a mass of 14-sided lead
ores,

ores, the surface covered with minute amethystine cubic fluors, in a bed of the like fluors, but larger, and a fine group of 24-sided spars with lead ore and blend, *Derbyshire*

56 Granulated native copper with quartz intermixed, *Cornwall*; and a fine specimen of fibrose white lead ore with green crystals of copper, *Germany*

57 A fine ruby silver ore, *Freyberg*

58 Two petrified crabs, one on the back of the other, to which it is united by a hard clay, *China*, rare

59 A fine specimen of crystalized native sulphur, *Vesuvius*

60 Very large yellow rhombic spars with marcasites, on a flat group of crystals, and a plaited fluor with marcasites, *Hartz*; an uncommon group of cubic fluors, lead ore and blend, *Derbyshire*; and a fine pebble crystal with singular internal appearances, *Brazils*

I N S E C T S.

61 Twenty fine *papiliones*, and 4 *buprestis*, *China*

62 Twenty ditto, 2 *phalænæ*, and 5 *buprestis*, ditto, and 2 rare *papiliones*, *Batavia*

63 Twelve fine large beautiful *papiliones*, and 4 *phalænæ*, *North and South America*

64 Two rare *sphinges*, *Africa*; a *buprestis*, *China*; and 18 *papiliones* and *phalænæ*, *Surinam* and *New York*, large and fine

65 Fourteen *papiliones*, *Surinam*, *New York*, and the *Coast of Guinea*; 4 large American *sphinges*, and 2 large and fine *phalænæ*, *New York*

66 Thirty-three beautiful *papiliones* and *phalænæ*, *East Indies*, *America*, and other parts, some of them rare

67 Thirty-four ditto, and 2 Chinese *buprestis*

68 A rare *gryllus*, and 2 large *cicadæ*, *China*; *lucanus cervus*, male and female, and 44 various *papiliones* and *phalænæ*, *America*, *China*, and other parts

69 *Buprestis sternicornis*, *Batavia*; 2 of the *lucanus interruptus*, 2 of the 8-spotted beetles of *New York*, and 4 more

70 Two *grylli*, *Falkland's Island*; 2 ditto, *North America*; two scarce *cerambyces*, and 11 other curious insects

71 *Cerambyx Longimanus*, *Surinam*, rare

72 *Scarabæus molossus*, male and female, *China*, rare

73 Twenty-nine various *scarabæi*, *cicindelæ*, *cantharides*, *cerambyces*, and other curious insects, *Virginia*, *New York*, *Coast of Guinea*, *China*, and other parts

74 A scarce *meloe*, a very large *lucanus interruptus*, *Surinam*; 2 *fulgoræ*, and a scarce *cerambyx*, *China*; a *gryllus* and a *cerambyx*, *N. America*, and one more

Curious S H E L L S.

- 75 An exceeding fine bear's paw, *East Indies*
- 76 A very large and fine spindle
- 77 A curious and rare echinus mamillaris with large thick spines, compleat, *East Indies*
- 78 An extreme scarce buccinum, *Iceland*, and a beautiful purpura, *Coast of Guinea*
- 79 A very fine endive purpura, and a furbelowed clump
- 80 Two fissurated vermiculi, *East Indies*; and the tail of the great snail, or pholas worm, *Martinico*, all very rare
- 81 A Guinea admiral, a dolphin, 2 beads, 2 strawberries, and 8 others
- 82 A fine brunette cockle, *Adriatic*; a rare flea bitten volute, and a scarce reverse long snail, *East Indies*
- 83 A large and fine crane, *East Indies*, rare
- 84 Another, singularly deformed
- 85 An anomia plana, and an anomia striata, with their curious internal structure complete, *Straits of Magelhanes*; and a beautiful banded long snail, *Surinam*, all very rare
- 86 Two very scarce reverse long terrestrial snails, *Princes Island*; and a fine horse chesnut murex, rare, *East Indies*
- 87 The greater pulley buccinum, *North America*, extremely scarce
- 88 Five butterfly wing pectens, complete, *Minorca*; and 20 beautiful valves of pectens, from that *Island* and the *West Indies*
- 89 A very fine banded dipper, *East Indies*, rarissime
- 90 An extreme scarce pinna marina, ditto

C A B I N E T S, &c.

- 91 A deal nest of 18 drawers in two tiers adapted for shells, each drawer 17 inches by 16, and from 2 to 3 inches and a half deep, the fronts painted yellow
- 92 Ditto
- 93 Two ditto, containing 8 drawers, each 17 inches by 15 and 2 inches deep
- 94 A nest of 16 drawers, for shells, in 2 tiers, each drawer 15 inches by 11 and 2 inches and a quarter deep, the fronts painted yellow
- 95 Ditto
- 96 A strong deal cabinet painted blue, containing 20 drawers, adapted for fossils, in two divisions, each drawer 26 inches by 13 inches and a quarter, and 2 inches and a half deep, painted green, and numbered in the front, with 2 deeper drawers on the top

- 97 A strong wainscot chest of 14 drawers for large shells or fossils, with a lock to each
- 98 A small neat mahogany cabinet, containing 10 drawers, of various depths, for shells or fossils
- 99 A double wainscot cabinet with 2 sets of folding doors, containing 40 drawers, in 2 tiers, 16 inches by 14 and a half, of various depths, from 1 inch 3-qrs. to 4 inches, and 4 inner drawers
- 100 A neat japan cabinet with folding doors, on a stand, containing 20 drawers, adapted for shells, in 2 divisions, each 19 inches by 14 and a half, and 2 inches and a half deep, with 2 deeper drawers
- 101 A mahogany cabinet with folding doors, of the best workmanship, containing 27 wainscot drawers adapted for shells, with mahogany fronts, in 3 tiers, each drawer 21 inch. by 16, of various depths, from 2 to 4 inches
- 102 A neat well made double mahogany shell cabinet, with two sets of folding doors, containing 52 wainscot drawers, in 2 tiers, each drawer 18 inches and a half by 14, of various depths, from 3 qrs. of an inch to 4 inches and a half
- 103 A neat mahogany insect cabinet, with folding doors, on a stand, containing 20 drawers, in 2 divisions, each 13 inch. and a half by 12 inch. and one inch and a half deep, lined with cork, papered, and framed for glazing, with a deep drawer and cupboard in the stand
- 104 A small walnut tree cabinet with folding doors, ornamented with a coat of arms, trophies and flowers, formed with different kinds of wood, curiously inlaid, and containing 18 drawers, adapted for small shells

LOT

- 1 A West India cocoa nut displayed, ditto carved, an Otaheite cocoa nut, a calabash, and a large American pine cone
- 2 A cocoa nut, Otaheite, 2 West India cocoa nuts displayed, and 3 others
- 3 Sundry dried plants
- 4 A large collection of English and foreign seeds

SHELLS,

SHELLS, CORALS, FOSSILS, PETREFACTIONS, &c.

- 5 A group of cubic fluors with interior cubes and marcasites, ditto with cockscomb marcasites and lead ore, another fine group of minerals, *Derbyshire*, and 2 more
- 6 Amethystine cubic fluors, *Durham*; 14-sided marcasites on lime stone, *Bath*; lead ore in quartz, sundry Buxton diamonds, or double pointed crystals, and 2 more
- 7 Four fine Italian marbles, *polished*
- 8 Nine fine cowries
- 9 Fifteen curious petrefactions
- 10 A mocoa stone with dendritæ, an oriental onyx agate, a mocoa, *Falkland's Island*, and 6 more
- 11 Two occidental argus cowries, 2 Surinam toads, and 3 other shells
- 12 A curious slag of iron, *Staffordshire*; burnt nails, from a fire at an ironmongers, a crystalized flint, a selenites, and 3 more
- 13 A beautiful Scotch agate, a striped jasper, a *Falkland's Island* agate, and 6 other polished stones
- 14 A book of sea weeds
- 15 Various small shells, sorted in cards
- 16 Ditto
- 17 A large and fine clamp with very large furbelows, *Madagascar*
- 18 A capital group of cubic fluors with grey 12-sided spars on the surface, *Derbyshire*
- 19 A fine specimen of a rare species of the oriental muricated coral
- 20 A large and fine ammonites with curious futured chambers, *Wilts*
- 21 A fine specimen of red coral in its native state, on a rock, which has also adhesions of fungi and vermiculi, *Coast of Sicily*
- 22 An elegant and rare astroites
- 23 A group of white cubic fluors, with roses of black crystalized zinc ore, resembling a shock dog couchant, *Derbyshire*
- 24 A large and fine specimen of looking glass lead ore on kibble, *Castleton in Derbyshire*
- 25 A fine oriental green and pearly snail, most elaborately carved, with foliages, &c. *China*
- 26 Yellow slate with beautiful large brown dendritæ, *Sulenhofen*
- 27 Two rare astroites, like fine point, *extremely elegant*
- 28 A large and fine crystalized flint, and a *Staffordshire* mundic

- 29 A fine clear columnar crystal, with 2 distinct columns, frosted with some mineral within it, extremely curious and rare, Cornwall
- 30 A group of crystals with a green cupreous matter within, Hungary, and a fine German mocoa stone with dendritæ

I N S E C T S.

- 31 A fine *scarabæus gideon*, China; 2 rare *myrmelions*, 2 of the true cochineal insects, 2 other rare *coccinellæ*, 2 *cantharides*, China; 2 ditto, North America; and 2 fine *buprestis*, China
- 32 A most curious and rare dark brown locust with yellow spots on the upper wings, Patna in the East Indies
- 33 Two most beautiful *papiliones*, Surinam, very rare
- 34 A very fine *cerambyx longimanus*, ditto, ditto
- 35 Two of the 4-eyed *leptura*, and 2 pill makers, New York; 2 rare *cassidæ*, 2 scarce *cerambyces*, a large *curculio*, and 2 more
- 36 Two fine *buprestis*, and 2 *scarabæi*, China
- 37 A rare *gryllus*, 2 *fulgoræ*, and 2 *cicadæ*, China, a *gryllus*, Calabar in Africa, 3 others, New York, and 2 more
- 38 A fine *nepa grandis*, South America
- 39 A fine *buprestis sternicornis*, China; and 2 rare *scarabæi*, Germany
- 40 A fine mantis, or walking straw, St. Vincent's, rare
- 41 Two rare *papiliones*, China; 2 ditto, Senegal; and a *buprestis sternicornis*
- 42 Two fine green and pink *grylli*, China
- 43 Two fine *sylphæ vespillo*, and 3 others, New York; a scarce *blatta*, and 3 more
- 44 The wheel *cimex*, New York; 2 *buprestis*, one rare, 2 *cantharides*, China, and 4 more
- 45 An extreme scarce and fine mantis, or walking leaf
- 46 A very rare *myrmelion*, and an uncommon *blatta*

SHELLS, CORALS, FOSSILS, PETREFACTIONS, &c.

- 47 A fine specimen of the lesser compass pecten, rare
- 48 An *echinus mamillaris* with several of its large thick spines, South Seas
- 49 Two pulley *buccina*, a small ventletrap, a *patella*, New Zealand; another, Falkland's Island; 2 pimple cowries, and 10 other curious shells
- 50 A beautiful purple *trochus*, New Caledonia; 2 ditto banded helices, 2 black papal crowns, East Indies; 2 vice admirals, ditto; and 2 terrene snails, West Indies, all very rare

- 51 A fine oriental spondylus with adhesions, and a group of two fine West India purple furbelowed oysters, with an oyster of another kind adhering
- 52 A very large and fine ship-worm, *East Indies*, rare
- 53 An echinus mamillaris with its spines, *West Indies*, rare
- 54 The great bellied thorny woodcock, *East Indies*, very scarce
- 55 Venus's comb, or the double thorny woodcock, *ditto*, *ditto*
- 56 A most beautiful small spotted melon, *China*, rare
- 57 An exceeding scarce buccinum, *Iceland*
- 58 A very rare oriental buccinum, and a fine purple and white rayed solen
- 59 A fine millepedes, *having a claw more than usual*, *East Indies*
- 60 Two fine hebraica, and 2 scarce muricated periwinkles, *ditto*
- 61 A very large and fine specimen of the landscape marble, *Cottam near Bristol*, framed

MISCELLANEOUS ARTICLES.

- 62 Two pots formed of a kind of steatites, containing models of plants, the leaves and flowers of which are formed of ivory, with ivory fungi and other decorations, extremely curious, *Nanking in China*
- 63 A model of a triumphal arch, intended to be embellished with shell work, five of the columns are covered with shells, and 2 others finished
- 64 Two large glass shades
- 65 One ditto
- 66 Ditto, with a mahogany stand
- 67 A sheep formed with shells, with a glass shade
- 68 A pair of lyons, in shell work
- 69 Two nose-gays, ditto
- 70 A box with a large quantity of artificial flowers

CORALS, FOSSILS, PETREFACTIONS, &c.

- 71 A large and exceeding fine group of small corals in free stone, *Maestricht*
- 72 A flint with a very large grotesque cavity in it, beautifully frosted with crystals, *Kent*
- 73 Another part of the same flint, also crystalized, and a fine specimen of double refracting spar, with beautiful prismatic colours
- 74 An exceeding large and fine marine fungus with a rare branched sponge, vermiculi, and other curious adhesions, *West Indies*

- 75 A very large and fine belemnites in sand stone, *Maeſtricht*
- 76 A fine group of purple cubic fluors, with white cauk balls and lead ore intermixed, *Derbyſhire, rare*
- 77 The impreſſion of an ammonites in lime ſtone, finely froſt-
ed with marcasites and ſpars, *Bath*
- 78 A rare and curious millepora, *Dominica*
- 79 A moſt beautiful white cryſtalization on cauk, *Hungary,*
very rare
- 80 Fine cryſtalized transparent ruby ſilver ore, intermixed with
pyrites and ſpar, *Johan Georgenſtadt Mine, near Freyberg,*
Saxony
- 81 Brilliant cubic marcasites with cryſtals, on a mine ſtone,
Britany in France, very rare
- 82 A group of helices imbedded in ſtone, *Germany*; and a fine
impreſſion of a fern in iron ſtone, *Northumberland*
- 83 Beautiful green and blue cryſtalizations of copper on a
fluor, *Thuringia*; and a fine black dendritical copper
and ſilver ore with cryſtals, &c. *Veldentz, both rare*
- 84 The buſt of a boy in a flint, a moſt curious luſus naturæ,
with its counterpart, *Kent*
- 85 The grinder tooth of a very young elephant, petrefied, *Kin-*
ton in Somerſetſhire, very rare
- 86 A group of cryſtals with roſes of curious ſpar, and grain
marcasites on the ſurface, and a rare marcasite on cop-
per ore, *Eaton Mine, Staffordſhire*

Ornaments of the Derbyſhire Manufaſtory.

- 87 A vaſe made of a white ſtalactites, with a black marble
plinth
- 88 A cup formed of a white cubic fluor
- 89 A vaſe formed of the amethyſtine cubic fluor, with a black
marble plinth
- 90 Another formed of amethyſtine and brown cubic fluor with
blend intermixed, on a like plinth
- 91 Two obeliſks made of the amethyſtine cubic fluor and
white ſtalactitæ, with black marble plinths
- 92 A vaſe formed of a curious ſtone lately diſcovered in Der-
byſhire, and alabaſter, on a black marble plinth
- 93 A pair of large antique ſhaped vaſes, compoſed of a rich
topaz cubic fluor, with veins of yellow cauk and zinc
ore intermixed, on a black marble plinth

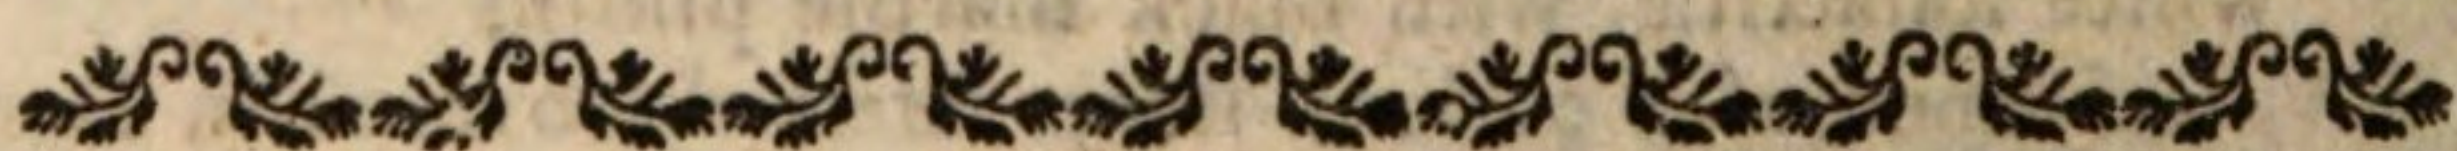

Curious S H E L L S.

- 94 An extreme ſcarce oriental buccinum
- 95 A zebra land ſnail, *Coaſt of Guinea, very large and fine*

- 96 Part of the branch of a mangrove tree, with several rare oysters adhering
- 97 A rare thorny snipe, and a fine spondylus, *both oriental*
- 98 A very fine pink pinna marina, *Jamaica, rare*
- 99 A shagreen periwinkle, *New Zealand, very rare*
- 100 A very large and fine beech wood volute, *East Indies*
- 101 The mottled hound's ear oyster, ditto, *very rare*
- 102 A very fine high admiral, *very rare*
- 103 A large and fine flame cockle, *rare*
- 104 An extreme scarce pinna marina
- 105 The striped argus buccinum, *very rare, New Holland*
- 106 The barnacle of the whale, *extremely scarce*
- 107 An exceeding fine and large zebra volute, *New Holland, very rare*
- 108 A very uncommon species of the snake snail, with its operculum, *New Caledonia*

- 22 A very uncommon mollusca, or sea worm, the skin finely chequered, and of a changeable colour
- 23 A flying lizard, *East Indies*, *very rare*
- 24 The spectacle fish, *extremely rare*
- 25 A very rare lizard
- 26 The powder, a non descript species of the globe fish, taken in *Penzance Pier*, in *Cornwall*, the 4th of September 1772, and supposed to be a stray fish from the *East Indies*. This is the only one known of the kind. With a drawing of the same

FOSSILS, SHELLS, CORALS, PETREFACTIONS, &c.

- 27 A large and fine specimen of hæmatites iron ore, *Sauerlandt*
- 28 A pebble with a large grotesque cavity lined with beautiful crystals, among which is a singular calcareous substance, *Gloucestershire*
- 29 A very large and fine specimen of tin ore with large tin grains, *Saxony*
- 30 A fine millepora agaracites, *Sicily*, and a specimen of the tubularia purpuræ, *East Indies*

- 31 Two choice specimens, one of fine white columnar 24-sided spars on lead ore, *Derbyshire*; the other of brilliant gold coloured marcasites on lime stone, *Bath*
- 32 An exceeding fine specimen of native cinnabar with pure soft cinnabar in the cavities, *very rare, Wolfstein, in the Palatinate*
- 33 A large claw with one of the legs of a crab in a fine sand stone, *St. Peter's Hill, near Maestricht*
- 34 Ditto
- 35 A rich specimen of blistered copper ore, beautifully coloured, with plaited marcasites intermixed, *very curious and rare, Cornwall*
- 36 An oval slab of the oriental black and white marble, *extremely scarce*, and a very fine German onyx agate
- 37 Red stellated antimony ore with crystals, &c. *Hungary, very rare*
- 38 Fibrose white lead ore, *Scotland*; part of an ammonites with beautiful marcasites in the chambers, *Bath*; and a fine crystalized flint, *Kent*
- 39 A beautiful petrified madrepora in chalk, *very rare, Surrey*; and a fine specimen of a recent similar kind, *Sicily*
- 40 Two pictures formed of the pietra ruinata, or ruin slate, *Florence*
- 41 A section of a very large ammonites, finely displaying the concamerations, *Bath, polished*
- 42 A most capital petrefied subject, being the thigh bone of some very large animal, supposed to be either an elephant or hippopotamus, found in a Stone Quarry at Stonsfield, *Oxfordshire*. The cavity of it is filled with a white spar, appearing like marrow
- 43 An extraordinary large and fine clamp, 33 inches in length, *East Indies*
- 44 Another, equally large
- 45 A most capital specimen of agatified wood, being part of the trunk of a large tree with the bark on, *Antigua*
- 46 Another, being part of the same tree
- 47 A very large and fine slab formed of a septarium, or ludus helmontii, *Dorsetshire, polished*. This kind was first discovered about 18 months since.
- 48 A variety of amethysts, garnets, topazes, hyacinths, aqua marines, cat's eyes, and other beautiful gems, agates, &c.
- 49 Ditto
- 50 Ditto
- 51 A variety of curious pearls
- 52 Ditto
- 53 A fine load stone, *Norway, armed*
- 54 A fine specimen of the smoky coloured digitated manganese, *very rare, Germany*

- 55 An exceeding fine group of needle spar, *Hartz*, very rare
- 56 Beautiful green and blue crystalizations of copper, very rare, Scotland
- 57 Clear white columnar 24-sided spars of the first water, on a group of cubic fluors, with crystalized lead ore intermixed, a most elegant and rare specimen, Derbyshire
- 58 An exceeding fine petrified star fish with 5 angles, nearly complete, in a bed of chalk, Kent, very rare
- 59 Very large brown foliated iron spars on a group of crystals, rare, Cornwall
- 60 An exceeding fine specimen of needle antimony, Hungary, very rare
- 61 A very fine echinus mamillaris with several of its spines adhering, in a bed of flint, Surrey, a most capital petrefaction, extremely scarce and valuable
- 62 Part of the jaw of a fish with the teeth, in slate, very curious and rare, Stonsfield, Oxfordshire
- 63 A petrified TORTOISE, Sheepy Island, Kent; the most complete one known, extremely rare
- 64 An exceeding fine impression of a fish in lime stone, a truly valuable specimen, being unique, supposed to have been found in England
- 65 A capital specimen of crystalized native sulphur, of the beautiful yellow, from an old volcano in the Island of Dominica, very rare
- 66 An exceeding fine colliflower stalactites, from a marble quarry in Devonshire, very rare, on a mahogany stand, with a glass shade
- 67 Ditto
- 68 The SKELETON of an ALLIGATOR, in black slate, extremely rare, Germany
- 69 An exceeding fine and large orthoceratites, or strait nautilus shell, Oeland, very rare
- 70 A very fine section of another in marble, ditto
- 71 A curious section of an uncommon variety of the orthoceratites, not terminating in a point as these bodies usually do, but after having gradually lessened from 1 inch to 3-10ths of an inch, from thence increases in bulk to half an inch, where the stone is cut off, ditto
- 72 An exceeding fine section of a lituus, or crozier shell, in marble, extremely rare, from the same Island
- 73 A most elegant and capital petrefaction of an ECHINUS OVARIUS, with about 50 of its spines adhering to it, placed in as nice order as in a recent shell, imbedded in chalk, Kent. This specimen may be truly said to be invaluable, and is undoubtedly unique.
- 74 A thin lamina of black slate, split in two, and discovering on one side the skeleton of a fish, similar to the gar fish, having a long

long snout, and on the other side the impression of ditto, very fine and rare, Germany

- 75 *A most capital and valuable specimen of flos ferri, delicately white, Steurmarck*
 76 *An exceeding fine German onyx of the first magnitude, with its counterpart, a most magnificent, rare, and invaluable fossil*
 77 *A very large and elegant formed tree of red coral, Sicily*

CURIOUS LUSUS NATURÆ.

- 78 *A Jewish rabbi in an Egyptian pebble, very fine*
 79 *The distressed sultan, in ditto, with the counterpart, exquisitely fine*
 80 *A bust of Hercules, strikingly picturesque, the features and muscles of the neck as fine as if done by art, in ditto*

SILVER.

- 81 *A capital specimen of rich silver ore, called by the German mineralists glass ore, and which may be cut with a knife like molten lead, very curious and extremely scarce, with an uncommon foliated spar intermixed, Johan Georgenstadt, Saxony*
 82 *Arborescent native silver intermixed with crystals, a very fine specimen, Peru, rare*
 83 *Native silver with silver ore in quartz, Mexico, very fine and rare*
 84 *A very curious amalgama of silver with quicksilver formed into the shape of an altar, Potosi, extremely scarce*

GOLD.

- 85 *An exceeding fine specimen of native gold in quartz, Hungary*

MISCELLANEOUS ARTICLES.

- 86 *Six shillings which were fished up from the wreck of Sir Cloudesly Shovel, among the rocks of Scilly, cemented together by some marine petrifying matter, a very great curiosity, from the celebrated Dr. Woodward's collection*

- 43 *A clouded Ethiopian crown of the first magnitude, extremely scarce, New Holland*
- 44 *That most curious and very uncommon species of music figured by D'Argenville in the appendix to his conchology, and by him called PAVILION D'ORANGE, in the greatest perfection, Amboyna*
- *44 *A conch with adhesions of coral and asteroites, a most elegant and curious specimen, West Indies*

Matchless Crystals from Lombardy, on neat Mahogany Pedestals.

- 45 *A clear columnar crystal with black and white spiculæ shirl within it*
- 46 *Another with long square cavities in it, in various directions, supposed to have been formed by shirl afterwards decomposed, and is extremely curious*
- 47 *Another exactly similar, but larger*
- 48 *A broad clear crystal with a column of glistening substance within, resembling silver ore, a very singular specimen*
- 49 *A large and clear columnar crystal, with fire coloured transparent spiculæ of shirl within, finely disposed in all parts thereof, and is a most pleasing and interesting specimen*
- 50 *A complete or double pointed crystal, of the finest ruby colour, a most beautiful fossil*
- 51 *A large clear columnar crystal, with numberless spiculæ of green shirl lying in all directions, and forming a most beautiful hair-like column in the centre of it*
- 52 *A large broad clear columnar crystal with several lesser ones joined to it; within the largest is some fine green asbesti appearing like hairs, or the down of velvet, terminating in the finest points, and forms a most beautiful cushion; the whole is one of the most capital fossils known, and needs only to be seen to be admired*

Capital Performances in SHELL-WORK.

- 53 *A large and fine sea weed from the Cape of Good Hope, on a bank formed of green pea shells, under a beautiful festoon of flowers, within a hollow frame, richly decorated, in the Mosaic stile, with beautiful small shells, &c.*
- 54 *A basket richly ornamented with rare minute shells and opercula; containing a most elegant bouquet of flowers, strictly copied after nature, with butterflies within an oval concave frame, set with shells in scroll work, on the*

Y
top

- top of which is the Prince of Wales's arms, formed of the crooked part of the concha anatifera. The whole is inclosed within a black and gold frame
- 55 A triumphal arch with columns in the Corinthian taste, enriched with festoons of flowers, in the front of which are two cornucopias, each discharging a profusion of the most beautiful minute shells and corals; under the arch is a most elegant assemblage of flowers, in a basket richly ornamented with curious small shells; several butterflies are also on the flowers and back ground, which is frosted with pearl
- 56 A vase after the antique, covered with fine Madagascar rice and other curious small shells, containing a most elegant bouquet of flowers, extremely natural; a wreath of minute flowers decorates the vase, which is placed on a neat mahogany pedestal, ornamented with round pieces of mother o'pearl, enriched with metalline groups of shells, &c. the whole is placed under a large glass shade, on a mahogany stand, supported by an elegant mahogany column 3 feet and an half high
- 57 An elegant basket set with West India rice, zebra neritæ, and other curious small shells, containing a most capital assemblage of flowers with butterflies; the basket is ornamented with a beautiful wreath of minute flowers, and is placed under a large glass shade, on a like stand and column with the preceding article
- 58 A most elegant perspective suite of four triumphal arches, enriched with shells and festoons of flowers, supported by eight columns, finely set with black and white shells in a spiral form; a neat small brass branch of six lights graces the middle, which when lighted up exhibit from three large plates of looking glass, two placed behind the pillars and one in the front, a most beautiful colonade of eighty pillars; a neat small basket of flowers is fixed before the front glass, and the whole is inclosed in a deal case, painted in imitation of mahogany

Large and elegant Mahogany Cases, Cabinets, Tables, Shelves, &c.

- 59 A neat nest of 16 drawers in two tiers, with mahogany fronts, wainscot sides, and deal bottoms and backs, each drawer 18 inches and a quarter by 14 inches, and near 3 inches deep, with sliding frames, glazed
